### VOICE OF WATFORD

Good Afternoon, Ladies and Gentlemen.

Well, once again we start the season with four points and now it is up to the lads to improve upon that record. Sound judges in football say that in the Third Division with so many mid-week fixtures in the early part of the season it is essential to make a good start.

Our lads will want to forget the trip to Gillingham as they were involved in a three-mile long traffic jam just outside Rochester and the coach did not reach the Gillingham ground until 3 o'clock—fifteen minutes before the kick-off. Well, to the game—it was good to see our lads tackle quickly and play direct football and it would be true to say that we commanded the game. Goals by Les. Graham and Maurice Cook gave us a 2-0 interval lead. After the change-over a great goal by Ben Marden from a back pass from Johnny Meadows clinched the issue and though some of our supporters would say the home team lacked cohesion it is always two good points at Priestfield Stadium. Maurice Cook, who received a nasty kick on the ankle, made a quick recovery and was able to lead the attack on Tuesday night. Other points to catch the eyes of our supporters was the quickness of our rearguard—Bill Shipwright, Jack Harrop and Roy Brown were exceedingly quick on recovery.

The 2,500 odd spectators, we are sure, were well pleased with our lads' performance at home against Portsmouth Reserves. Young Don Falconer at left-half, Micky Benning and Charlie Townsend all acquitted themselves well, and with so many promising lads coming through the Junior sides the future of the "Blues" must be rosy.

Today we shall be taking a collection for the Benefit Fund. Now the Benefit Committee have laid extensive

plans for the season as there are three players who deserve a good benefit cheque. There will probably not be more than three collections during the season so they do ask our supporters to give generously. If everyone in the crowd today gave threepence a head the Committee will be well satisfied.

On Tuesday, October 2nd, a Grand Dance will be held at the Town Hall. Music will be provided by the "Debonnaires". Tickets, 7/6 each, will be on sale very shortly.

Our lads recorded yet another cricket victory over Watford Town last Sunday in spite of the weather. Maurice Cook took four wickets in the Town's total of 77 for 6 Declared and Jack Harrop, who had a trial for Kent was undefeated with 28 in our total of 78 for 5 wickets.

Today's Ball has kindly been presented by J. Barton, Esq., 251a St. Albans Road, Watford.

Thank you Mr. Barton!

Who is Next?

In view of the Collection, a Band will not be present today.

Last week-end Director Doug. Lindsay travelled to Manchester to sign a promising youngster, Barry Hartle, a Grammar School boy aged 17. A big future is forecast for Barry and we do wish him the very best of luck at Watford.

Lastly we have started the season on the right foot. We shall have our disappointments during the season but we ask you all for your whole-hearted support. A football club is made up of Directors, Officials, Players and Supporters. The support and the "Vicarage Road Roar" was most encouraging last Tuesday—please continue—with your help we can go places. The players we can assure you appreciate it—Thank You.

## Interesting Items by "Gadesider"

Food for thought is provided this week by an item from Coventry City, who report a loss of £5,479 last season. We know only too well at Watford what a big loss can mean to a professional football club, but the Coventry figure is nevertheless surprising.

For Coventry were the best supported team in the Third Division in 1955-56. Their average home "gate" topped even the support enjoyed by promotion winners, Leyton Orient.

Clubs throughout the country are worried by the decline in attendances. Only two Third Division clubs made a profit last season and the aggregate attendance at League football last Saturday was 843,956, a decline in the region of 150,000 compared with a year ago. Figures at the "gate" will be watched anxiously during the coming weeks—and not only at Vicarage Road!

On the brighter side, how exhilarating it is to see Watford at the top of the table. The team, under new Manager, Neil McBain, has responded well to the challenge and the victories over Gillingham and Brighton were just what the doctor ordered. But let's be cautious about saying too much at this very early stage. Form can be topsy-turvy during the first few weeks of a season. The sensible thing is to take results as they come.

There are other teams in the Division feeling just as pleased with themselves. Coventry we have mentioned. They, like Watford, have started with two wins under new Manager, Harry Warren, formerly with Southend United. Exeter City and Southampton were the victims.

Brentford, four goals against Plymouth Argyle and another four against our visitors today, Swindon Town, are also one hundred per cent, and Watford go to Griffin Park next Saturday. We must not forget sporting Colchester United, winners against Southend and Crystal Palace. Ex-"Blue" Eddie Smith scored a "hat-trick" at Selhurst Park on Wednesday.

Down in the dumps are the Palace, relegated Plymouth, Swindon and even the fine footballing Ipswich Town side. But it does not mean a thing at this stage. The time to take stock of the League situation is AFTER the rush of mid-week matches.

In the other divisions—congratulations to our neighbours, Luton Town, on their four-point start against Sunderland and Wolves at Kenilworth Road. Also to the other one hundred per cent teams, Sheffield Wednesday, Nottingham Forest, Sheffield United, Swansea, Leicester, Bradford City and Rochdale. Noticed anything about their records? None of them have a goal average as good as Watford's!

## Welcome to our Visitors — Swindon

A very warm welcome to our Wiltshire visitors, Swindon Town Football Club.

They, like ourselves, had a poor season last year and we are both hoping for better times.

During the close season they have signed Pembrey, wing-half from Charlton, and Gibbs, inside-forward from Cardiff City.

They are managed by Geoff Fox (ex-Bristol Rovers) who plays at left-back.

Here are some Pen Pictures of their players:

**S. Burton.** Local, in his 12th season with Swindon.

**G. Hunt.** Local, in his 11th season with Swindon.

**G. Fox.** Signed from Bristol Rovers, in his second year with Swindon. Captain.

**A. McShane.** Signed from Plymouth Argyle, in his second year with Swindon.

**G. Hudson.** Signed from Portsmouth, in his eighth season. A strong centre-half.

**G. Pembrey.** Transferred from Charlton Athletic during the close season.

**J. Richards.** Played as an amateur for Swindon during last season. Recently demobbed from the A.P.C.. Signed as a professional last Saturday.

**A. Gibbs.** In his first season with Swindon. Signed from Cardiff City.

**M. Owen.** One of the best centre-forwards in the south, Swindon being his only professional Club.

**R. Edwards.** Signed from Chelsea. In his second year with Swindon.

**J. Miller.** A new player from Scotland. Young and shows great promise.

## NEWS FROM THE TREATMENT ROOM

LES. THOMAS, M.S.F., M.E.C.M., M.S.S.Ch.

(Assistant Trainer)

Good Afternoon, Ladies and Gentlemen.

As you all know we have got off to a flying start, two cracking matches and four points in the bag. May the boys in blue continue the good work this afternoon. It was most encouraging to hear the splendid support roar out again, keep this up, I can assure you the lads will fight for every inch to prove themselves.

On the injury side we have been very fortunate.

Johnny Meadows is sporting a real shiner, after his collision with Langley of Brighton. Johnny will be O.K. for today's clash.

Young Freddy Bunce received a heavy kick on his ankle last Saturday. I am happy to report he is responding well to treatment.

Except for the usual run of bruises one collects during a game, I have nothing more serious to report.

## FROM THE MANAGER'S CHAIR

Good Afternoon, Ladies and Gentlemen.

We welcome our visitors from Swindon this afternoon and it goes without saying that our lads will have a very hard game in front of them. Our visitors have not collected any points as yet, and will be fighting all the time, in the hope of breaking their duck.

We are looking forward to a good game, and with fine weather we should have one of our best attendances.

Our First Team did really well at Gillingham last Saturday in winning by three goals to nil, and I did feel happy hearing our supporters, who made the long trip by road, urging our players on to further success right on until the final whistle sounded.

We were worthy of our win and our three goals were all well taken by Graham, Cook and Marden in the order named. Gillingham are a hard-working team and will shake up the best of teams who visit their ground in search of League points.

Having Brighton and Hove Albion opening our home League programme at Vicarage Road last Tuesday evening our followers were treated to a very hard and fast game. I am sure that nobody would begrudge our lads their victory and it says a lot for the lads the way they stood up to our opponents while short of Johnny Meadows, who had received a nasty facial injury which kept him out of play for some twenty-five minutes.

## SUPPORTERS' CLUB NOTES

**Good Afternoon Members**, today we welcome our long-standing friends from Wilts., and to those supporters who have made the journey, the Watford Football Supporters' Club hope you are rewarded with seeing an interesting game.

It was very gratifying to see so many Watford Supporters at Gillingham last Saturday, the team appreciated it also, and let us show the lads this afternoon that we are solidly behind them in their efforts by giving all the vocal support you can.

The Watford Football Supporters' Club have at last published the long-awaited news that **Something is going to be done for the Supporters**. The two local newspapers gave the statement in full, and for those Members who for one reason or another missed the article, here are some extracts. The Penny-on-the-Ball competition as you have known it for years past, is being replaced by a Pound-for-a-Penny scheme, and as soon as we take delivery of the tickets, Committee Members will be out doing a worthwhile job. The other functions you know so well will continue as before. Whist drives will still be held in the Headquarters, Dances will continue from September at the Oddfellows Hall, Away Travel will operate so long as the bookings warrant it. All this adds up to the fact that a fund is starting which will be known as **The Covered Accommodation Fund**, and the surplus income from the above schemes will go towards this fund. Here is a chance to support to your utmost the promotions arranged, because as soon as possible it is the intention to provide covered accommodation for

Members. Now and again the figure in the fund will be published to let you see how the response grows. Donations will be welcome, large or small, and if you reading these notes feel so inclined send your donations to R. Tomlin, 30, Sandringham Road, Watford.

A **New Style** of Membership Card has been designed for the express purpose of getting them to the Members quicker, and avoid postage. As you re-join you will be able to have your card on the spot. The whole of the income (less expenses) from Membership, will go to the Covered Accommodation Fund, as will the proceeds from the sale of Badges and Bars. Here again is an incentive to join the Watford Football Supporters' Club, every person will help to put that cover over your head, if they join the Supporters' Club and buy a badge and bar.

If there are Members who would like to display a large Fixture Card in a works canteen, shop window, or business house will you please come round to the Headquarters and ask for as many as you wish. It is the intention of the Supporters' Club to make people Watford-conscious, and if the fixtures are placed before the public eye, in time the interest will develop, and may show in the gate receipts. Will you help? Thank you.

Please read these notes a second time and let the importance of the **COVERED ACCOMMODATION FUND** hold your attention, and set your mind on helping all you can by supporting the functions and competitions.

## FROM THE MANAGER'S CHAIR—continued.

Congratulations to Johnny for the way he placed his spot kick safely in the back of the net, and this applies to the team as a whole, not forgetting tenacious Maurice Cook in the way he outpaced his opponents when notching our second goal.

I personally liked the improved form shown by Shipwright and Walker. These two young players are the sort who will improve considerably in the future with encouragement.

Our second team put up a very good show against their more experienced opponents from Portsmouth last Saturday. We were rather unlucky to go under by the odd goal in three and we do feel that a draw would have done justice to both teams. Once again our young players put up a good show which augers well for the future. Keep it up youngsters.

At Leicester our Reserve team fell rather badly by five goals to one on Wednesday evening. Leicester are usually reckoned to be one of the best football sides in the country. We fielded four of our young players in this game, and although lacking in experience, they at times served up much good football.

Our followers will be sorry to hear of the sudden death of Joe Groome, one of our old players, who passed away suddenly at Beckenham Hospital last Monday evening aged 54 years.
