CLUB NOTES

Played 3, Drawn 3, Goals for 4, Goals against 4. Quite a good start to the season, when one remembers that two of the games were played away from home.

At Tranmere our young lads played remarkably well, and were unfortunate to find themselves two goals down at the interval. However, a great fight back in the second half enabled the team to draw level.

Spectators at Shrewsbury on Saturday, saw a splendid game despite the heavy downpour of rain, which began soon after the start of the match. Swindon played excellent football, and after a shot by Morgan had hit the upright, and a lightning header by Jackson the crossbar, we deservedly took the lead from a header by Mellor to a splendid centre by Summerbee.

In the second half the going became very heavy, and Ernie Hunt was slowed down a little by a hard knock which he received in the first half. The team kept playing good football, and although Shrewsbury fought back, there seemed little danger, until from a long kick on the right, Whittaker, standing near the far post equalised.

While we do not wish to criticise the officials, we are quite certain that everyone in the Swindon party and also many home supporters thought the outside-left well offside. This goal put new life

into Shrewsbury and they launched many attacks. Sam Burton made several very good saves, and skipper Maurice Owen stood very firmly, ably supported by the young full backs and wing half-backs.

In the last ten minutes Swindon came back into the game, and might have scored the winning goal. A draw was a fair result, with every member of the Swindon team acquitting himself well.

The injury "bug" has shown itself very early in the season. Woolford has an injured ankle, Cox damaged a toe in training, and Darcy was injured in the first game. In a training session last week Tilley collided with Gauld, and broke his collar bone, while the latter sustained a broken finger. Thus five players are out of action; we trust they will all soon recover from their injuries.

SUPPORTERS' CLUB NOTES

The first returns of our Competition were very promising and we hope soon to reach the maximum membership of 15,000 people, all paying one shilling per week.

We think that the scheme is too well known to require detailed explanation here, but, should there be any who would like particulars, we shall be pleased to see them in our office at the Town End of the Ground, before any match.

Owing to retirements from work and removals from the Town, it is inevitable that, each season, we should lose the valuable assistance of some of our Collectors, and we therefore make an appeal for others to volunteer to replace them. We shall not be satisfied until we have every factory, shop and office well covered, and if there are supporters who can assist in achieving this, we shall be very grateful if they will come forward as early as possible. We hope to fill the vacancies soon, as finances are an essential feature of our work this season, more than ever.

It has already been announced that this Club has undertaken to raise a substantial sum towards the cost of the floodlighting installation, and a proportion of the Competition profits will be allocated for this purpose.

A widespread appeal also will be launched in connection with the Floodlighting Fund, and donations, great or small, will be gratefully received by our Honorary Secretary, Honorary Treasurer, or by any member of the Committee.

Club membership should now be renewed. Those Supporters who are participating in the Competition have automatically enrolled as Club Members for the season. Others are cordially invited to produce the nimble sixpence (minimum) without delay.

Holders of the "lucky programmes" on 20th August were:—1790, Mr. McNeil, 7 Hatton Grove, Swindon. 3383, Mr. D. Vellender, East Garston, Newbury.
