## CLUB NOTES

Again a disappointment, not so much with the game, but the result. The skill is there, also the effort and determination, but the final scoring of goals still eludes our lads.

We ask our supporters to be patient. Give our team of youngsters every encouragement. Please remember our boys are still very young, and playing at least two games per week against teams composed mainly of strong and experienced men is a great strain. The team has the right spirit, and no one is more disappointed than the boys themselves. They are still full of fight, too much if anything. That was evident against Bournemouth, especially in the second half, when determination took the place of careful planned football.

Supporters who travelled to Bristol still talk about the great display that evening. We have not played so well since.

Tonight we play the return game. Can we reproduce that form? If only we can all will be well. Undoubtedly the skill is still with the lads. It is just getting the confidence and the run of the ball.

Our opponents will no doubt be out for revenge. They are a strong experienced side, and in the last few games have become a very settled side.

The City are old rivals, and many great games have ensued as the result of our meetings. We missed them when they were promoted to Division 2.

### CLUB NOTES—continued

The Reserves travelled to Reading on Saturday, and were defeated by the only goal scored, mainly due to an excellent display of goalkeeping by Crook. Two young lads were given their first games in the Combination—Birkett at outside right, and Nichols, outside left. Both played quite well.

No doubt our supporters noted that John Richards was transferred to Aldershot last week. He played his first game on Saturday, and scored one minute after Peterborough to enable his side to make a 1—1 draw. We can imagine John being very pleased. A grand type, a good club man, and a most enthusiastic player. The gate at Aldershot, incidentally, was 12,440, the highest for a long time, and just a little bigger than our own, which we thought was very good indeed.

May we get a record one tonight.

## SUPPORTERS' CLUB NOTES

Following the appeal last week, by the Mayor of Swindon, for donations to the Flood Relief Fund, we were asked by many spectators if a match collection might be devoted to the Fund. The Committee will consider the matter at the next meeting, and subject to the permission of the Directors, an announcement will be made when a suitable match has been selected.

In the meantime the Swindon and District Round Table made a collection outside the Ground after last Saturday's match, but, with the divergence of the crowd, it was difficult to approach more than a comparatively small proportion of the spectators.

Until the announcement is made, therefore, collections will, as usual, be for Floodlight rather than Flood, and we hope for the usual generous response.

If the forwards can emerge from their shells and establish a lead at half time, tonight's collection should be a good one.

The Committee are arranging a Dance to be held on 27th January, 1961, of which further details will be announced later. A prominent London Band will be engaged for the occasion.

Supporters' Clubs in inland towns of average size are restricted in arranging social events, as compared with those at the seaside resorts and the larger cities, but it is hoped to make this event a great success.

In places such as Plymouth, Southend and Bournemouth it is much easier for Supporters' Clubs to arrange attractive events for their members, and during the close season there are frequent steamer trips, concerts and dances, which have the advantage of enabling the Committees to keep in touch with their members throughout the year and to maintain a good level of membership.

This prompts us to remind readers that we shall appreciate a further influx of members. Please call and enrol before or after any match. You will find our Office below the stand at the Town End—entrance by the Car Park.

As we have mentioned, the membership fee is sixpence for the season, as a minimum, but higher offers will be gratefully accepted.

Your individual sixpence may not sound very much but, when another 9,999 have paid up, there will be a further £250 for the funds.

As we have pointed out in past seasons, our country supporters, for the most part, are more enthusiastic in maintaining membership than the supporters in the town itself, who are a little recalcitrant in this matter.

Perhaps, therefore, some enthusiasts in factories and offices would volunteer to act as collectors. If so, we can furnish supplies of receipt books, membership cards and badges on application.

We wish the team good luck this evening and hope to see our first win by floodlight.

## **THE DUKE OF EDINBURGH'S ROYAL REGIMENT (BERKSHIRE AND WILTSHIRE)**

---

We welcome today, the Band, Drums and Support Platoons of our County Regiment, The Duke of Edinburgh's Royal Regiment. The Band are playing a programme of music before the game, and the Drums are giving a marching display at half-time. The Support Platoons will display their heavy weapons in a mock action at the finish of the match. This will be followed by the traditional ceremony of "Beating the Retreat" by the Band and Drums.

The Duke of Edinburgh's Royal Regiment was formed at Albany Barracks, Isle of Wight on the 9th June, 1959 by the amalgamation of The Royal Berkshire Regiment and the Wiltshire Regiment. It moved to a modernised barracks at Tidworth in October last year and joined the 1st Guards Brigade. Its role is to be prepared to move at short notice to trouble spots anywhere in the world. For this task it is equipped with up-to-date equipment and weapons.

Throughout the Summer the Regiment has been taking the opportunity of visiting the main towns of the County with the object of attracting recruits. These visits were a great success. In August they got 40 recruits, the highest for a line Regiment in the Army, but there are still vacancies for more. They particularly want good footballers, so if you fancy yourself and would like a change from your civilian job why not give it a try?
