SUPPORTERS' CLUB NOTES

We are delighted this afternoon to have the opportunity of welcoming Swindon Town to the Park, and renewing the battle which commenced last Saturday at the County Ground, Swindon, for a place in the next round of the F.A. Cup. We have also had a long spell of away games, and our own boys will no doubt welcome the chance of returning to the Park for such an important match.

Everybody appeared to be very well satisfied with last Saturday's game. It was a typical Cup Tie which kept a very good crowd on their toes right up to the final whistle. It was unfortunate Ian MacFarlane was a passenger almost the whole of the second half, but in the exacting conditions which prevailed the City stuck grimly to their task and thoroughly deserved a draw. A very good performance by any standards. We are naturally hoping we shall secure the victory this afternoon, but we realise it will again be a titanic struggle and an all out effort will be needed, so please play your part on the terraces by giving the team ninety minutes' continual encouragement.

We would also like to offer our congratulations to our Somerset neighbours, Yeovil and Bridgwater who both put up sterling performances last Saturday and succeeded in entering the next round.

May we acknowledge a very generous donation of £10 10s. 0d. towards Tony Book's Benefit Fund from Dr. and Mrs. Beswarwick and John. We hope that all our supporters will ensure that such a loyal and great-hearted club man will get the bumper benefit

he deserves. We are pleased to announce that the Benefit Dance organised by the Supporters' Club realised a profit of approximately £35 and we express our thanks to all who made this satisfactory result possible.

Christmas Draw tickets are now available at 6d. each and as in previous years we shall have very varied and attractive prizes which will be applicable to the Festive Season. Get your ticket at one of the Canteens on the ground, or from any member of the Committee.

If you have not already joined the Supporters' Club do so this afternoon. We have now reached 2,000 but still have a long way to go to touch last year's record figure of 3,001.
