## **From Secretary's Office . . .**

As you read these notes, myself and the Club's coach, Don Mc Evoy will have completed the round trip to Belfast where we have been considerably interested in a Derry City player, Doug Wood.

Wood was recommended to us by someone closely connected with Irish League affairs, and sounded just the type of player we need. He can play either wing half or inside forward.

By this you can see that the Halifax Town directors and officials are conscious of the Club's position and the urgent need to improve matters. We certainly do not want Halifax to slide into the Fourth Division.

Remember, with practically no funds at our disposal, we are trying to do the best we can. We shall not let the Club go down without a fight and you can rest assured that everything possible will be done to help the team climb the League Table.

Supporters may have been disappointed at our defeat against Northampton on Monday. However, they are at the top of the table and we will not be meeting sides of that calibre every time.

## **OUR VISITORS**

To-day we welcome the Swindon Town team and officials. They are a skillful and fast moving side and we anticipate a very hard fought game.

Swindon has a wonderful youth policy and many members of their side are under 21, spotted in local football.

We shared the points last time, winning 2 - 0 at Halifax and losing 6 - 0 at Swindon.
