County Chatter

Welcome this evening to the directors, officials, players and supporters of Swindon Town Football Club.

Formed in 1881 by the Rev. W. Pitt, they became founder-members of the Southern League in 1894. In 1900 they fell on very hard times and had to transfer several players, many of whom went to our neighbours, Nottingham Forest Football Club.

However, chiefly by the hard work of Sam Allen, they gradually overcame their difficulties and in 1920 they became founder members of the Football League Division 3 Southern Section. They have spent all their career in Division 3.

The record attendance at the County Ground was set up in 1952 when Stoke City were the visitors before a crowd of 28,400.

We were very pleased with the attendance at our match with Port Vale on Thursday last, and hope to continue to retain your support with consistently good displays on the field.

It has been most gratifying to us to have both read and been told how much everyone admires our new floodlighting system, and we of course feel justifiably proud to have such a fine installation.

Our congratulations are due to our former player, Alan Wade who, as you will no doubt have read, has been appointed Director of Coaching to the Football Association, and will take up his duties as soon as he can be released from his post at Loughborough College.

On Saturday next we are in London for the third successive away League game and hope to record a hat-trick of away wins in the process. At Meadow Lane we shall be entertaining Peterborough United Reserves, kick-off 3 p.m., and since Nottingham Forest have postponed their fixture with Everton due to International calls our reserve game will be the senior match in the City.

QUIZ QUESTIONS

1. How many clubs during this century have won promotion in their first season in the Football League?
2. Which was the only case in history of a visiting international team including a player born in the city where the match was played?
3. Who won five First Division Championship Medals, figured in three F.A. Cup Finals and became England's captain after having been turned down by a Third Division club?

County Chatter cont.

The goal that decided the match against Port Vale last Thursday night was probably the most popular one that has been scored by one of our players this season. Bobby Tait has not been too fortunate with some of his efforts to score this season and therefore it gave him a great thrill to be the first player to obtain a goal under our new floodlights. The Vale are always a difficult side to beat for their well-drilled defence is always hard to penetrate. The match was also a triumph for young Ivan Hampton, for he gave a superb display at right-back and certainly impressed all the scouts that were present. Since his introduction into the team Ivan has improved with every game, and on his present form must be one of the best backs in the League.

Our boys were expected to follow up their success against Port Vale with another victory over Hull City last Saturday, but this was not to be for although our defence once again gave a fine display our forward line seemed rather sluggish against a quick-tackling Hull defence.

Despite the loss of this home point our boys moved up into the second position in the League and this is no mean performance considering the number of injuries we have had and the small playing staff we have at the present.

It was only in the closing stages that our Reserves lost at Luton last Saturday, and according to reports our youngsters were rather unfortunate to leave both points behind. Young Jeff Hollingsworth from the "A" team was given a run at centre-forward in the Reserve team but found the pace rather too much for him, but he will certainly benefit from the experience he gained.

QUIZ ANSWERS

1. Four: Tottenham Hotspur from Second Division in 1909; Cardiff City from Second Division, and Crystal Palace from Third Division, both in 1921; Peterborough United from Fourth Division in 1961.
2. That when Joe Baker, born in Liverpool, was the centre-forward of Scotland's International Schoolboy Team in a match played there against England in season 1954-55.
3. Eddie Hapgood, pre-war Arsenal and England left-back did so after being turned down by Bristol Rovers.

Pen Pictures

TROLLOPE, John (left-back). A local boy who joined the Swindon ground staff from school. Was selected for the first team at the beginning of the season 1960-61, when he was sixteen years old and was ever present during that season and last season.

WOLLEN, Terry (right-back). Another local boy who made his debut for the first team when sixteen years old. He played the majority of first-team games during season 1960-61 and last season.

MORGAN, Keith (right-half). A strong, attacking wing-half, who joined Swindon as a youth player from Westbury. Played in every first-team game during 1960-61 and missed only three games last year through injury.

OWEN, Maurice (centre-half). The team captain and oldest member of the team. Formerly a centre-forward, he has had a long and outstanding period of service with the Club. Has played in several representative games.

HUNT, Ernie (inside-right). Joined the Club's ground staff from school. A member of the first team at sixteen years old, he is a player of outstanding ability for whom the Club has had many offers. A local boy, he was top goal scorer 1960-61 and again last year.

SUMMERBEE, Mike (outside-right). Born in Cheltenham, he is another product of the Swindon Youth policy. Formerly played at centre-forward, but has now made the outside-right berth his own. Another of the players wanted by several clubs.

WOODRUFF, Bob (wing-half). Another local-born player who came to the town direct from the Swindon Schoolboys' team. Has played at centre-forward and inside-forward in the senior side and his performances have made him a target for several transfer offers.

DARCY, Arnold (outside-left). Joined the Club in November, 1956, from Wigan Athletic. In spite of his lack of inches he is a strong, forceful winger with a powerful shot.

SMITH, Jack (centre-forward). Joined the Robins from Watford during the 1960-61 close season. He was formerly with Hartlepool United. A strong, forceful player with the ability to get the unexpected goal.

Today's Personality

BRIAN MOORE

After leaving Hemsworth Grammar School, near Pontefract, Yorkshire, Brian went to Loughborough College to study physical education. During his three years there he represented the Universities Athletic Union and the British Universities both in England and on the Continent. During his last year there he played at inside-left in the team which figured so prominently in the F.A. Amateur Cup by reaching the quarter-finals of this competition.

This team was coached by former Notts. County player Alan Wade who as you will all have read is now the Football Association Director of Coaching.

During his student days Brian assisted Leeds United, Nottingham Forest, and Mansfield Town.

He joined this club as an amateur in July 1961, and turned part-time professional in December of the same year making his professional debut during that month.

At the present time he is teaching at the People's College Secondary Technical School.

Centenary Club Notes

Good news for the secretary of the games section, Mr. W. Reynolds, is that our newly-formed branch, Meadows, will enter several teams in the inter-branch competitions which commence at the end of October.

The great interest being shown in the Meadows Branch is extremely gratifying and it is hoped that all its members will enjoy the amenities provided by the Centenary Club.

Mr. Sid Balchin, the Transport Secretary, reports very good bookings for the trip to Crystal Palace on Saturday next, but a few seats are still available. Supporters interested should contact Mr. Balchin at the office at the rear of the Meadow Lane stand after to-night's match or write to him at 501 Farnborough Road, Clifton Estate (Tel. Nottingham 211434). Seats may also be booked at the Secretary's Office, Meadow Lane.

All members will be receiving their membership cards shortly, but the badges are not yet ready as a good deal of work has to go into the design and making of these. However, the badge will be well worth waiting for.

It is hoped to announce details of the inaugural meeting of the Sutton-in-Ashfield Branch within the next few days, and all supporters residing in this district will be invited to attend.

Many supporters have obtained their copy of the Centenary Handbook, but copies are still on sale at the Secretary's Office, Pools Office, the office situated at the rear of the Meadow Lane stand; and are priced at 2/- each.

Make sure of your copy of this interesting book without delay.
