FOOTBALL LEAGUE DIVISION II v. SWINDON, NOV. 9th, at 3.0 p.m.

NESHAM GARAGES LTD.

have been supporting Mr. Henry Ford and the Middlesbrough Football Club for over fifty years and would suggest that if you are considering a new Ford at any time in the future you would do well to take advantage of their experience and reputation for clean play.

If you are looking for a used car then you can hardly afford to look further than one backed by the A1 Ford Motor Co. Guarantee. Careful selection, scheduled testing and preparation to factory standards at a specialized A1 car preparation centre is followed by either a **full** six or three months guarantee behind every A1 Car.

Why not call in at our Granville Road and Southfield Road showrooms just off Linthorpe Road after the match? Better still call in at the Grange Road A1 Preparation Centre any Saturday morning before a match and see for yourself the work that really goes into these cars.

Our other motoring services include :

1. World-wide Hertz Rent A Car agents for Teeside.
2. 24 hour breakdown service with telephone answering machine in continuous service.
3. Full heavy commercial service at our Thornaby Depot.
4. Complete Ford passenger vehicle main dealer service at Grange Road and Thornaby Aerodrome.
5. The Nesham School of Motoring.
6. Ford Parts and Accessories Department at Grange Road.

FROM THE BOARDROOM

Two points against Sunderland at home and an away point against Cardiff City since we last went to press makes very heartening reading.

It is interesting to note that after today's match with newcomers Swindon Town we will have played all the teams above us in the League. Of the four matches played we have won two, drawn one and only suffered defeat at the hands of Leeds United away from home. Points have been taken from Charlton and Preston away from home and Sunderland at Ayresome Park. We hope that today will result in maintaining our unbeaten home record, and improve our already notable record against teams in the promotion race.

LONG SERVICE. Today marks the completion of five years service to the Club by Ray Yeoman since he joined us from Northampton. During these years he has played over 220 games for the first eleven and for four years played every game in League, F.A. Cup and League Cup to say nothing of friendly matches. A wonderful record by a wholehearted and loyal player.

HOOLIGANISM. In common with clubs throughout Britain we are perturbed at the adoption of the most recent "improvement" to British Football imported from the Continent. Fortunately at Ayresome Park we have not been plagued by the behaviour reported from grounds in other parts of the country, but the suggestion that certain grounds should be fenced as on the continent and in South America for the protection of players and officials is most alarming and one which we would oppose to the utmost. For the majority of spectators to be penalised because of the behaviour of the few is in our view unthinkable. Just as we have seen certain players developing the shirtpulling obstructionist tactics of other nations, we are now seeing a few spectators imitating their continental counterparts by constantly invading the field of play.

Rarely has this happened at Ayresome Park, in fact on only two occasions can we trace spectators coming on to the field, apart from the odd general overflow due to overcrowding and on one occasion to barriers breaking. On both occasions a single individual was involved which is not a bad record in 60 years football on the ground.

Cynics may say that spectators have had no reasons to show their enthusiasm or disapproval by invasions of the pitch, but we believe that the main reason is in the construction and general lay out of the field.

We have always made special arrangements for boys and witnessing various overflow meetings on other grounds it would appear that it is the youngsters who start these ridiculous and unseemly demonstrations, and that on the grounds in question either no provision is made for these youngsters or they are allowed to occupy positions which give the fullest possible scope for their exhibitionist desires.

We do feel that the first step to be taken on any ground is to see that adequate provision is made for boys in a position where they have a good view of the game, but are prevented from interfering with the enjoyment of others.

FROM YORKSHIRE TO LANCASHIRE . . . AND BACK

Arthur Kaye made a name in Yorkshire — and sought fame in Lancashire. Now he's back in his native county and winning acclaim once more

A Barnsley boy, he signed as a young professional for his local club. Before long his fast-raiding, tearaway style earned him respect from league managers and an entry into the notebooks of international selectors.

ARTHUR KAYE

Photo by J. Larkin Junr.

England Under-23 honours followed and it looked as though the right winger was on the threshold of a great career. Hopes were raised when Kaye joined Blackpool.

They hailed him as "The Successor to Stanley Matthews". It seemed a logical title at the time. The great wing wizard was on his way out. Everyone thought so, except one man — the evergreen Stanley himself.

He kept on going. He kept his place with a mixture of ability and reputation. For the name of Stanley Matthews was, and still is, held in awe by many defenders.

Kaye dropped out of the limelight. He moved along the line . . . to inside right . . . to inside left . . . and back to the right wing. Inevitably, his form suffered and he was relegated to the Reserves.

Middlesbrough stepped in where others feared to tread. We still thought he had the natural ability to make an impact in League football again.

Away from the shadow of Matthews, Kaye settled down to a new start in his soccer life. Now, on all grounds in the Second Division, he has won a reputation for his skill and his fighting ability.

There's not much of him — but he brings full backs down to size. On the field, a fighter. Off the field, a loyal clubman who never says a word out of place.

TO-DAY'S BAND

Today we welcome the Richmond Hill Toppers Band to Ayresome Park for their first ever visit, and we are sure you will give them a very good reception.

ADVANCED BOOKINGS

As previously announced patrons may obtain Stand Tickets for any League Match one month prior to the date of the match in question. These are Centre Stand (North and South), price 8/-d. each.

SOCIAL CLUB

We are pleased to report that the Club goes from strength to strength. A new angle on the benefits to be derived from membership is on the invitations received from Social Clubs on other grounds to our social club members attending our away games. The facilities offered add considerably to the enjoyment of supporters and needless to say we in turn offer similar facilities to our visitors.

FOOTBALL LEAGUE'S JUBILEE BOOK

Histories are something dull. No one will say this of **THE FOOTBALL LEAGUE'S JUBILEE BOOK** just issued to mark the pioneer competition's 75th birthday. It is a thriller with about fifty illustrations—some in colour — to light up great teams, games, and players.

WELCOME TO THE "NEW BOYS"

Not even Swindon supporters, who currently rank among the most enthusiastic in the country, could have forecast the wonderful start their team have made in the Second Division.

Usually a promoted team are happy to feel their way in a higher sphere, facing up to the opposition like a challenger does to a boxing champion.

Swindon are an exception. They began like a bomb — and the explosion was heard as far as the North-East and in Devon!

Star-spangled Sunderland crashed to the combination of talent and youthful enthusiasm. And they were by no means alone.

A great run shot Bert Head's boys to a top-of-the-table perch while the pessimists and snipers were saying, "They won't last."

True, Swindon have slipped a little in recent matches. But they will still prove a stumbling block to many a promotion challenger this season.

DAWSON, Owen (F/B or C/F). Signed during the close season from Portsmouth. Was a former Youth International and is expected to challenge for first-team honours this season.

FRENCH, Graham (L/W). Close season signing from Shrewsbury Town. Gained his Youth International Cap for the very successful England Youth side last season. He is a fast, elusive player. Age 18. Height 5ft. 10in.

HUNT, Ernie (I/R). Joined the Club's ground staff from school. A member of the First Team at 16 years old, he is a player of outstanding ability for whom the Club has had many offers. A local boy, he was top goal-scorer 1960/61 and 1961/2. Capped for England Under-23's during 1962/3.

McPHERSON, Ken (C/H). Signed from Newport County in August, 1961, he is a player with a reputation for hard work. Originally a centre-forward he has proved he has the ability to take over in defence.

WELCOME TO THE "NEW BOYS"

MORGAN, Keith (R/H). Team Captain. A strong, attacking wing-half, who joined Swindon as a youth player from Westbury. Played in every first team game during 1960/61 season and missed only three games last year through injury. Made maximum appearances during 1962/3.

SMART, Roger (W/H). Another local born player who joined the club direct from the Swindon schoolboys' team. At 17 he made the Centre-forward berth in the Reserve team his own. More recently converted to a wing half, he made four first team appearances last season.

SMITH, Jack (C/F). Joined the Robins from Watford during the 1960/61 Season. He was formerly with Hartlepoons United. A strong, forceful player with the ability to get the unexpected goal.

STEVENS, John (C/F). An amateur player. Was a regular in the promotion side last season. Scored seven times in fourteen appearances. Age 21. Height 5ft. 10in.

SUMMERBEE, Mike (O/R). Born in Cheltenham, he is another product of the Swindon Youth policy. Formerly played at Centre-Forward, but has now made the outside-right berth his own. Another of the players wanted by several clubs.

TROLLOPE, Johnny (L/B). A local boy who joined the Swindon ground staff from school. Was selected for the First Team at the beginning of the Season 1960/61, when he was 16 years old and was ever present during that season and last season. Maximum appearances in the League side during 1962/63.

TURNER, Mike (G/K). Just demobbed from the R.A.F. he joined the Club whilst still in the services from Dorchester Town. Took over in goal following the injury to O'Hara last season and is expected to make strong bids for the first-team position this season.

WOODRUFF, Bob (W/H). Another local born player who came to the town direct from the Swindon Schoolboys' team. Has played at centre-forward and inside-forward in the senior side and his performances have made him a target for several transfer offers.
