NESHAM GARAGES LTD.

have been supporting Mr. Henry Ford and the Middlesbrough Football Club for over fifty years and would suggest that if you are considering a new Ford at any time in the future you would do well to take advantage of their experience and reputation for clean play.

If you are looking for a used car then you can hardly afford to look further than one backed by the A1 Ford Motor Co. Guarantee. Careful selection, scheduled testing and preparation to factory standards at a specialized A1 car preparation centre is followed by either a full six or three months guarantee behind every A1 Car.

Why not call in at our Granville Road and Southfield Road showrooms just off Linthorpe Road after the match? Better still call in at the Grange Road A1 Preparation Centre any Saturday morning before a match and see for yourself the work that really goes into these cars.

Our other motoring services include :

1. World-wide Hertz Rent A Car agents for Teeside.
2. 24 hour breakdown service with telephone answering machine in continuous service.
3. Full heavy commercial service at our Thornaby Depot.
4. Complete Ford passenger vehicle main dealer service at Grange Road and Thornaby Aerodrome.

FROM THE BOARD ROOM

A CHALLENGING POSITION

A point at Derby last week continued our unbeaten run and put us into a challenging position particularly in view of the back-log of home games. Particularly pleasing was the excellent press we received on the Derby match. Football played by both sides was of the highest order and undoubtedly the type of football which the fans like to see. We hope that we will continue to play the type of football which received such rave notices and that the results will continue to be equally satisfactory.

A big disappointment during the week was the report of Bill Gates' injury which was rather more serious than originally anticipated and which has resulted in him undergoing an operation. It is a great pity that when at last we appear to have hit a winning blend, it should be upset by such an unfortunate accident. We are, however, fortunate in having a number of well tried reserves and in the meantime we hope Bill will have a speedy recovery.

We would like to offer our congratulations to George Hardwick on his appointment as Sunderland's new manager. George gave excellent service to Middlesbrough and to his country both as a player and captain. He has taken on a tough task and we wish him every success.

We have never been able to understand how spectators can afford to hurl Toilet Rolls all over the ground during matches. We have discovered this week how they do it—they take ours!! This thieving is most annoying and after spending very substantial sums of money providing toilet accommodation equal to any

in the country, it is unfortunate that a few "petty" thieves should reduce the value of our efforts. It is another example of a few causing inconvenience to the many. World Cup plans are now going ahead and very shortly the first meeting of the local committee will be held. As we have mentioned on many occasions, the staging of World Cup Football at Middlesbrough, is a tremendous honour of which we are extremely conscious and we are hoping that after our inaugural meeting, the public on Tees-side will appreciate the extent of the honour and come forward with their suggestions for making the occasion a memorable one. It still does not seem to be generally realised that it is extremely unlikely that anybody at present living will have the opportunity in his life-time of seeing World Cup Football in England again. We welcome any constructive suggestions.

AYRESOME PARK JOTTINGS

The injury to Bill Gates is a bad blow, particularly as this talented player had made an outstanding success of his switch to right back. Gates, it is estimated, will be out of action for six weeks. We enter the F.A. Cup on January 9 and we are hoping that Bill will be fit to come into the reckoning for that day.

* * * * *

Middlesbrough have not enjoyed much success in the national competition in the past. We would like our fans to get a full dose of Cup fever this season.

The Cup is many weeks away but the spirit our lads have shown in recent away matches at Rotherham and Derby could be a pointer to future success.

What a wonderful Press the lads got for their performance at Derby. And well they deserved it.

This was one of those games in which defensive caution was thrown to the wind. The result was that two attack-conscious sides thrilled the fans right to the last minute.

One sportswriter summed up, "I have seen the Boro' play at Preston, Bolton and Derby. They have scored eight goals and only gained one point. But boy, have I enjoyed the matches!"

DEVELOPMENT ASSOCIATION

Our weekly draw for the Development Association is going extremely well. We have been asked many times to explain the method we use for drawing the winners.

The Spinner

Each week members of the Committee go to a different Club or Hotel in the Tees-side area and carry with them a Spinner, a picture of which you see on the right.

A member of the audience then spins the machine, and the numbers left are then the winners. Everyone who has seen this machine in action is highly delighted with the fairness of it, and the fact that the numbers are published each Monday in the Public Notices Column of the Evening Gazette.

Agents for this scheme are still required and if you are interested you should enquire at our Development Association Office.

SWINDON HAVE A SUCCESSFUL YOUTH POLICY

If you glance through the pen-pictures of the Swindon team you will see the words—"a product of club youth policy"—cropping up often.

The Wiltshire club have not a lot of spare cash to throw around on inflated transfer fees. So they have to groom their own stars. They have made quite a good job of it, too.

Don Rogers, the outside left, is one of the most coveted wingers in the game. He is young, clever, and should make a big impact when he gains experience. Newcastle United would like to give him a peg in the St. James's Park dressing room, but Swindon refuse to part.

Last season Swindon made a fine entry into the Second Division. This season they are not quite as successful, but they still play fine attacking football. The corresponding game last season at Ayresome Park was a feast of soccer entertainment. Let us hope today's will equal it.

Pen Pictures

ATKINS, Bill (inside forward).—Born Solihull. Joined Swindon from Aston Villa at the end of 1958/59 season. A strong, ball-playing forward. He played several representative matches while in the Army. Since his demob, has quickly made the inside-left position his own.

BALSOM, Cliff (full back or centre half).—Born Torquay. Signed from Torquay in the close season.

DAWSON, Owen (full back).—Born Hatfield. Signed from Portsmouth June, 1962. Was a former Youth International.

EAST, Keith (centre forward).—Signed from Portsmouth in the close season.

GRIFFIN, Bernard (wing half).—Born Merthyr Tydfil. Joined the club August 1963. Strong attacking wing-half.

HALLETT, Tom (centre-half or left half).—Born Glynneath. Signed from Leeds United, July 1963. Fast and tenacious player.

HAND, Eoin (forward).—Born Dublin. Joined Swindon in the close season. Irish Youth International.

HICKS, Tony (Goalkeeper).—Born Swindon. A product of Swindon Junior football. Extremely agile and fearless. Signed professional September, 1962.

HUNT, Ernie (inside right).—Born Swindon. Joined the Club's ground staff from school. A member of the first team at 16 years of age, he is a player of outstanding ability, for whom the Club has had many offers. A local boy, he was top goal-scorer 1960/61 and 1961/62. Capped for England Under-23's during 1962/63.

LARGE, Frank (forward).—Born Leeds. Signed from Northampton March, 1964. A very strong forceful player.

LEGGETT, Peter (forward).—Born Newton-le-Willows. Signed from Weymouth May 1962. He is a fast powerful player who can play in any position in the forward line.

McPHERSON, Ken (centre half).—Born West Hartlepool. Signed from Newport County in August, 1961, he is a player with a reputation for hard work. Originally a centre-forward he has proved he has the ability to take over in defence.

OAKLEY, Norman (Goalkeeper).—Born Norton-on-Tees. Joined the Club from Hartlepool United in March, 1964.

ROGERS, Donald (forward).—Born Paulton. A much-sought after player. An England youth player who it seems is destined for further honours.

SMART, Roger (wing half).—Born Swindon. Another local born player who joined the club direct from the Swindon schoolboys' team. At 17 he made the centre-forward berth in the Reserve team his own, later converted to a wing half.

SUMMERBEE, Mike (outside right).—Born Cheltenham. He is another product of the Swindon Youth policy. Formerly played at Centre-forward, but has now made the outside-right berth his own.

TROLLOPE, John (left back).—Born Swindon. A local boy who joined the Swindon ground staff from school. Was selected for the First Team at the beginning of the Season 1960/61 when he was 16 years old, and was ever present during that season and season 1961/62. Maximum appearances in the League side during 1962/63/64.
