## CLUB CHATTER

Today we commence the second half of the Football League programme with a visit from Swindon Town. In October we suffered a 3-0 defeat on the County Ground and must not present them with the double today. Can we repeat last Saturday's performance, when our Reserves beat Swindon Reserves 7-1? Yet another great victory for our Combination team who could on present form finish the season in the runner-up position.

In the Football League Competition it is interesting at the halfway stage to compare our position with last year's table. After 23 games last season we had collected 25 points, having won 11 games, lost 9 and drawn 3. This season we have collected 24 points, having won 10 games, lost 9 and drawn 4. We could not be much closer than this. At the end of last season we finished eighth from the top of the table. We must put up a better performance this half of the season and improve on last year's final position.

Our attendances are unfortunately down and we look for the turnstiles to be much busier in 1966 than in 1965.

Next Saturday we are without a match either for the First team or Reserves. This is due unfortunately to the 3rd Round of

the F.A. Cup being played on that day. We could have re-arranged a fixture but with this January weather there is always the uncertainty of the game being off owing to the condition of the ground, and in any case gates this month are likely to be much lower than in the better weather we hope for later in the season.

### THE WORLD CUP

The World Cup excitement is now hotting up considerably following the draw in London last week. England await with confidence their opening game at Wembley on Tuesday, July 12th. We hope to publish further news bulletins from time to time as these are issued by the World Cup Organisation.

Applications for World Cup tickets should be made to the World Cup Organisation, White City Stadium, London, W.12.

### THE POSH CLUB

The New Year got away to a very good start. The festivities proved equally as good as those over the Christmas period and much credit is due to the Social Committee, the Steward and Stewardess, and helpers for the work they put in to achieve the success we did.

## Supporters' Club Notes

Today we welcome Swindon and, I hope, their supporters. I mention that because Swindon's away record is about as bad as our own team's, and I find from experience that no matter how well your team play at home, you can't get supporters to travel away if your away record is bad. Not only that, for if you win all your games at home, and keep on losing them all away, your home gates will finally slump. Once you are out of the Cup, it is not sufficient to win your home games, but to maintain interest you must keep picking these points up away, and if we are to arrest the slump in attendances which has already set in we must as a club do just that.

TOM SHARP, Secretary.

## Club Chatter — cont.

New members are coming in at a very good rate and we are now well on the way to our target figure. For those interested the membership fee is £1 1s. 0d. and covers members to December 31st this year.

In the Club tonight we have dancing to Jimmy McCahill and his band from Corby. This is their first visit to our Club and we look forward to a good evening's dancing. Tomorrow we have our resident musicians, the Vic Ericson Trio, and the usual cabaret.

**Gordon Atherton** (Wing-half). Born Horwich. Signed from Bury for a substantial fee December, 1964. He is a strong relentless half-back.

**Tom Hallett** (Centre-half or Left-half). Born Glynneath. Signed from Leeds United July, 1963. Fast and tenacious player.
