CLUB NOTES

These notes must be written prior to the Scunthorpe game. We can only hope that the result has been a good one, to compensate a little for the defeat by Workington. A most unfortunate beginning to our three home games.

Whilst this match was disappointing and frustrating for our supporters, let us surely give credit to our opponents.

We thought Workington a fine sporting team. They played fast open football, and attacked whenever possible, throughout the ninety minutes. No going back on defence, no wasting of time—not even for injuries, no gamesmanship, no doubtful tactics. We cannot recall one deliberate foul throughout the game. Even with minutes to go they were still trying to score another goal. The referee stated it was the cleanest and best game he had refereed this season.

The Workington officials were loud in their praises of Swindon, and thought in the words of the manager "the cross-bar played well".

The game was most frustrating for Swindon supporters, but we were sorry to hear the barracking of the players and the slow handclap. Whilst we realise it was due to genuine disappoint-

CLUB NOTES—continued

ment and the people who barrack, do so, because they want us to win, and it is because they are such keen supporters, this treatment does not help the players, rather the opposite, no man can give of his best when discouraged. Remember the most frustrated are the players themselves, they know they are playing badly, and so often the harder they try, the worse the position becomes. The lads felt it very badly on Tuesday last.

We know spectators pay to see and expect a good game of football with hundred per cent effort by eleven men, but a little help and even kindness goes a long way. So please cheer, not jeer.

It is a great pity, because at one period of the year it looked as if Swindon would finish the season in third position. This would have been a great achievement when we consider this time last year. A change of management, administration, players and even directors, causes a certain amount of upheaval. A few days before the season opened we did not know how we stood with players, yet by the end of October, we were playing fine attacking football, with the accent on goals. The season has faded, but taking all in all, after the various upsets, the club has come through very well indeed. No doubt we shall learn from our mistakes of this year.

Our opponents this evening make a welcome reappearance at Swindon. The teams last met early in our first season of Division II—3rd September, 1963. Result: Swindon 2, Grimsby 1. The Swindon team on that occasion was Turner; Dawson, Trollope; Morgan, McPherson, Woodruff; Summerbee, Atkins, Smith, Smart, Rogers. Ernie Hunt was absent, due to one of his attacks of tonsillitis. The gate for the game was 21,800.

Grimsby for quite a long time challenged for the leadership of the league, but since Christmas have fallen from grace and now occupy sixteenth position.

CLUB NOTES—continued

Our visitors enjoyed for quite long periods (1929-32 and 1934-1948) the status of a Division I club, and today's game will revive in the memories of our older supporters the thrilling F.A. Cup replay in Season 1938-39, when Grimsby occupying a high position in Division I, were beaten 2-1 at the County Ground. Swindon's scorers were Alan Fowler (later killed in World War II) and Ben Morton (the centre-forward transferred to Swindon from Torquay). This was his first goal for his new club. Included in the visitors' team was the famous English international goalkeeper George Tweedy, and the smallest of centre-forwards to win a cap, Jackie Bestall. Grimsby is known throughout the football world for its wonderful hospitality and generosity of gifts. The Board Room at Blundell Park is built to represent the bridge of a ship.

We look forward to a pleasant entertaining game.

NAT PROSSER'S BENEFIT MATCH

Monday, 23rd May, 1966

At the time of going to press, the players recorded in our last programme notes still stand. We are hoping for a really good gate, so make a note of the date.

This evening's collection is in aid of the TOC H Hospital Commentaries. As most of you know, this is a service which broadcasts running commentaries of matches to the various Swindon hospitals. It is entirely voluntary, but the Post Office telephone services have to be paid. Our collections are most important to the organisers and a record collection is hoped for. So please do your best—you may want to listen in yourself one day!

SUPPORTERS' CLUB NOTES

Well, here we are once more approaching the end of a football season, with all its hopes and disappointments, highlights and frustrations. This season has been, perhaps, unusual in that fluctuations in form have been most noticeable. The odd thing is that the most disappointing performances have been against teams that should have been trounced, not just beaten. Instead, we have lost vital points which count most at this end of the season.

Danny Williams, the Club Manager, has, I think, done exactly what he promised Supporters at the Football Club's A.G.M.—given us attacking, positive football. This we have had. No doubt Danny has a pretty shrewd idea on what changes need to be made to achieve promotion next season. On our side, we must help him by promising, not only our continued support, but to increase that support. After seeing the Brighton match there is no doubt in my mind that the long bus journey on Saturday morning had an ill effect on the players. After doing the same bus journey myself, I can appreciate that the lads could not have been as fresh as is always desirable. In fairness to supporters who travelled to Brighton, at not inconsiderable expense, this aspect of match fitness must be borne in mind in future.

Now to other things. Before I run out of space,—only one or two more Programme Notes to write this season—I would like to offer the best wishes of Club Members to Keith Morgan and his fiancée, who I believe are getting married on Saturday, 18th June. Congratulations also to Janet and Owen Dawson on the birth of a son last week. We noticed that Janet was missing from her usual seat at the Workington match last Tuesday. Now we know why.

SUPPORTERS' CLUB NOTES—continued

With the close season approaching, your Committee has the usual end of season and pre-season (1966/67) chores to attend to. The arrangements for the A.G.M.; organisation of next season's Competition and re-stocking of our two shops—all these and other routine affairs keep us busy in the Committee Room during the summer. One never knows what is likely to turn up that requires attention, and this summer break could well turn out to be busier than normally.

The Derby draw tickets are proving a very popular attraction—make sure you get yours. To whet your appetite, note the prizes.

1st £100; 2nd £50; 3rd £25; 4th £12-10-0
plus a £2 prize for every other horse drawn.

Members of the Supporters' Club wanting tickets should apply to anyone in the Committee Room after any match up to the 20th May, or contact your Competition Agent or any Committee member.
