THE CLUB

HISTORY

Swindon Town Football Club (nicknames Robins - Town - Railwaymen) was founded in 1881. The club adopted professionalism and joined the newly formed Southern League in 1894. It figures as one of the few non-League clubs who have reached the semi-final of the F.A. Cup which feat it accomplished in both 1910 and 1912.

The Robins are founder members of the Third Division of the Football League. They, along with 20 other members of the Southern League First Division, successfully applied en bloc for membership as a Third Division during season 1919-20. Honours include Runners-up, Division III, 1962-3.

RECORDS

The record attendance at their "County" ground is 28,400 v Stoke City, F.A. Cup, 4th Round, 2 February, 1952. Record League goalscorer, H. Morris, 47 goals, Division III(S), 1926-7. Record victory: 10-1 v. Farnham United Breweries (A), F.A. Cup, 1st Round, 28 November, 1925. Record defeat: 1-10 v. Manchester City, F.A. Cup, 4th Round (replay), 25 January, 1930.

LAST SEASON

Their last season encounters with the Saddlers resulted in a 0-0 draw at their County ground and defeat 0-5 at Fellows Park. The final Division III League table for season 1965-6 shows the club in seventh from top position with the following record:

Played	Won	Lost	Drawn	Goals		Points
				For	Against	
46	19	14	13	74	48	51

NOTEWORTHY PLAYERS

GOALKEEPER

Peter DOWNSBOROUGH. Born Halifax. Signed at the commencement of last season from Halifax Town where he was a product of local football. A fearless agile player who has done much to strengthen the Town's defence.

FULL BACKS

Joe BUTLER. Born Newcastle. Joined Swindon from Newcastle United in 1965. A tenacious player whose speed and ability amply compensate for his lack of inches.

Owen DAWSON. Born Hatfield. Joined the club from Portsmouth four years ago and has been a regular First XI player ever since. A Youth International.

John TROLLOPE. Born Swindon. Joined the Swindon ground staff from school. Was selected for the First XI when he was 16 years old in season 1960-1 and was ever present during that season.

HALF BACKS

Stan HARLAND. Born Liverpool. Signed during the closed season from Carlisle United. A strong attacking wing half.

Keith MORGAN. Born Trowbridge. A tall fast attacking player who progressed through the club's junior teams after joining the ground staff at the age of 16.

Mel NURSE. Signed from Middlesbrough at the beginning of last season. A strong forceful player whose experience has done much to strengthen the defence. A Welsh International.

Jimmy GILES. Born Kidlington. A versatile player who also fills the centre forward spot with distinction.

FORWARDS

Dennis BROWN. Born Reading. Joined the club from Chelsea for a very large fee in November, 1964. Fast, with a deadly shot.

Keith EAST. Born Southampton. Joined the Town from Portsmouth in 1964. Last season's top goalscorer with 25 goals.

Jimmy LAWTON. Born Middlesbrough. Signed from Darlington after an impressive display against the Town in the Football League Cup last season. Scored 25 goals for Darlington in season 1964-5.

Willv PENMAN. Signed 6 weeks ago from Newcastle United. A native of Scotland and formerly with Glasgow Rangers. Fast with a good shot in either foot.

Don ROGERS. Born Paulton. A player of outstanding ability who has long been the target for many First Division clubs. Played for the England Youth team and also the England Under-23 XI.

Roger SMART. Born Swindon. Another local player who joined the club direct from Swindon Schoolboys' team. At 17 he was regularly appearing at centre forward in the Second XI.

An announcement regarding match programme sales

Supporters will probably be interested to learn that the **Walsall 34th Methodist Scouts**, whose Headquarters are at Bescot Road, have been appointed **sole agents for the sale of match programmes** under the supervision of **Mr. and Mrs. B. Parkes**, of 18 Gower Street, Walsall, and their Assistant, **Mr. Ian Perry**.

None of these young men and boys or their supervisors derive one penny of personal gain from their efforts. EVERYTHING they earn, and it is relatively considerable, goes to swell the coffers of their splendid organisation.

An office, inside the Hillary Street entrance to Fellows Park, has been erected for their use. Here, the Supervisors will be pleased to discuss suggestions for the possible improvement of distributive arrangements.

CHAPTER IX

The story of the magnificent wind-up of the season 1896-97 had another outstanding feature besides the winning of the Birmingham Senior and Charity Cups with victories over the Wolves and the Aston Villa team which had done the F.A. Cup and the Football League Championship double.

Actually Walsall achieved a treble performance which has certainly never since been done again in the history of our own club and may never have been equalled by any other club outside the First Division of the League.

In the semi-final of the Birmingham Senior Cup Derby County, then second to the Villa in the League, had been beaten. So, altogether, "Little Walsall" conquered in succession three of the strongest clubs in the country—and all away from home at that.

If the season had been correspondingly successful financially, the satisfaction of those responsible for keeping the club going would have been complete. So far from that being the case, however, the accounts presented at the annual meeting showed a loss on the year of £308, the income being £1,374 and the expenditure £1,682, including £1,034 for players' wages.

In the circumstances it needed courage to continue the fight, but Alderman Joseph Noake, who had already done a lot for the Club, agreed to carry on as president, and a committee was appointed, with Mr. Louis Ford, who had joined Walsall from West Bromwich Albion, as Secretary.

In the hope of increasing the income, it was agreed to issue members' tickets at 6/- for the unreserved portion of the ground, 10/- for the reserved side, and £1/1/- for vice-presidents, and as an economy measure the reserve team was discontinued.
