NEWS AND VIEWS

FOR Mansfield Town, the second round of the F.A. Cup will be much more demanding than the first. Instead of being at home to amateur opponents, the team travel to Rotherham to meet a tough and well-drilled professional side who have already won at Field Mill this season in a League game. Quite a task, in fact. Everyone who saw Rotherham's 1-0 win here a couple of months ago will agree that they look like a real Cup-fighting side.

On that occasion, the Stags found scoring chances hard to come by against a quick-tackling defence, and the few they did create were missed. Now, a better use of such vital openings is the key to further progress in the Cup, as it is to recovery from the worrying position in the League.

Will the four goals display against Tow Law prove to be the turning point? Nobody can say when the standard of the opposition is so different, but at least the Cup team not only wiped out the bitter memory of what happened up north last December, but scored twice as many goals as in the previous five League games put together. The only blemish was that they would have had a lot more if the finishing had been sharper.

THOSE FOUR GOALS

The Co. Durham side, who brought something like 500 supporters with them, caused quite a flutter by snatching an early lead when our defence faltered. But it turned out to be their first and last success.

Bob Ledger put the Stags on the way with a couple of goals before half-time, and Nick Sharkey and Ray Keeley rounded things off later on, as superior stamina told more and more in our favour. At the finish, Tow Law were let off rather lightly, but nevertheless they deserved every credit for putting up a brave show, and for not resorting to rough tactics when the game turned against them. We wish them the very best of luck in their Amateur Cup campaign.

Many people may not have realised it, but Sharkey's goal was the first he had scored for the team in a home match since he joined us from Leicester City last March. Now that he has got going in that respect, we look forward to seeing many more goals to his name.

And what more suitable occasion than in this afternoon's encounter with Swindon? Against a team who are third in the table, semi-finalists in the League Cup (having knocked out Derby County neighbours), and one of the hardest sides to score against, we cannot afford to neglect any more scoring chances. It is indeed a vital match for us, particularly as it will be followed by three away games on the run, including the Cup-tie, and we need every point and goal we can muster. Still, remembering what the Stags did a few weeks ago to Bournemouth, who were then in top place and have since climbed back to it, there is no need at all to assume that Swindon are bound to win, providing that we can produce the same brand of football again.

Wednesday night's visit from Middlesbrough Reserves—the very first time they had been to Field Mill—produced one of the best games seen so far in the North Midlands League, and an extremely good ten-men display by our lads in the second half, after Phil Annable had unfortunately been sent off. A 3-2 defeat in these circumstances was anything but a bad one against a team captained by Irish International Johnny Crossan and containing four other highly experienced players. For our part, we also had the strongest side so far, with five professionals in it.

After Middlesbrough had set up a 2-0 interval lead, our side fought back so well as to level the scores with two goals by Dai Jones, and it was not until the last ten minutes that Borough got the winner. Altogether, a very encouraging performance.

“A” TEAM UP AGAINST IT.

Last Saturday morning, the 'A' team had to leave Mansfield unusually early for an away match with West Brom 'A.' Maybe this early rising affected them to some extent, because they were two goals down in about ten minutes before finding their feet. Having once settled

down, the lads played quite well. Though West Brom eventually won 4-0, the young Stags created a good impression, and were by no means disgraced against such opposition.

On the same day, the 'B' team, always avid for goals, got another four against Orchard Rovers to keep challenging for top place in the Youth League.

Sunday morning saw about 40 youngsters from all over the Midlands flocking to Field Mill for trials. Quite a few of them showed promise, and have been invited to come again. These trials, aimed at discovering fresh young talent, are part and parcel of the club's youth policy. Sunday morning seems to be the ideal time, as it does not interfere with local clubs' Saturday afternoon fixtures.

YOUNG GOALIE TURNS PRO.

GRADUALLY the professional staff is being built up to more adequate numbers. The latest to join the paid ranks is young goalkeeper Desmond Finch, who hails from Worksop. He has previously played as an amateur for the Reserves and the 'A' team.
