# news & views

So, for the second time in a week, we entertain Watford, but this time in the League Cup. While points are valuable this competition is equally important, especially from the financial angle. A good Cup-run can make all the difference to profit or loss. Since the inception of the competition in season 1960/61, Swindon has fared quite well, culminating in season 1968/69 with the victory at Wembley.

We give the complete record of Swindon in this competition. It is interesting to note that season 1967/68, i.e. the one prior to the Cup win, Swindon lost at Newport in the First Round. Such are the ups and downs of football; one season defeated by a Division 4 club, and the next a total of twelve games, including matches against three Division 1 teams.

The Sunderland game produced the now well-known incident of the collapsed goalposts. Another record was also created. Mr. Morse, our General Manager, has held office since 1953, but this was the first occasion on which he brought his wife to the match. Was it a happy omen? We think so, as Swindon gained a well-earned victory. Keep coming, madam. Surely we don't have to wait another 17 years.

Our League game last Tuesday was a dour, relentless display of quick running and hard tackling. No quarter asked for or given. Both teams fought for every ball, right to the final whistle. Whilst not always a display of fine football, it was nevertheless a great fight. Tonight's game promises to be an equally tenacious battle.

It is with deep regret we record the death of Reggie Cooper, a stalwart

of Swindon Town if ever there was one. In these days we hear so much of hundred per cent effort and determination. Reg always gave everything he had, never once did he give up. He first came into prominence as a member of the famous Swindon Victoria team, which played through all the preliminary rounds to reach the Final of the Amateur Cup in season 1920/21. Reg was centre-half, and I believe Billy Dawson (captain) and Archie Chivers, two members of that side, are still living in Swindon.

Reg then became a part-time professional with Swindon Town, and played many fine games at right-half. He was a member of the team defeated by Burnley in the 6th Round of the F.A. Cup in 1924. A number of his colleagues, and members of the same team, still support the Club. Wally Dickenson (captain), Ted Nash, Archie Archer, Bert Davies, Granville Poppett, Arthur Ruddeston and George Benfield.

After World War II, Reg acted as a scout for the Club for several years, and introduced many young players. Unfortunately for the last few years he has been an invalid. Swindon Town Football Club extend their deepest sympathy to his wife and daughter. The funeral took place at Colchester on Thursday last.

## **Terry Garbett**

Terry became a Watford player in August 1966 when he was signed from Middlesbrough. Injury restricted his first team appearances last season to 36, and so far he has made 177 appearances in the first team, scoring 50 goals.

## **Stewart Lowery**

Stewart became a professional with the Club in January 1970 following several games as an amateur. His previous club was Bishop Auckland and he was born at Thornaby-on-Tees.

## **Dixie Hale**

## **Ray Lugg**

A newcomer to the Club last season, Ray came south from Middlesbrough in November and made 27 first team appearances and scored 5 goals.

## **Tom Walley**

He has represented his country as skipper of the Welsh Under-23 side, and with Mike Walker was one of the reserves for the Home Championships last season.

## **Bill Jennings**

Bill has been with the Club for some time as an amateur but some very impressive Reserve team appearances led to him signing professional forms in April 1970. He was chosen on several occasions for the England Amateur Youth Team during last season.

## **John Farley**

John comes from Stockton, and formerly played for that club before being persuaded to sign professional forms in July 1969. He made 22 appearances in the Reserve side last year and will soon surely be knocking on the first team door.

## **Ron Wigg**

Ron was signed from Ipswich at the beginning of June 1970 for a record fee for the Club, and it is hoped that he will provide the additional punch in the attack which was missing last season.

## **Charlie Woods**

# Supporters club notes

A warm (return) welcome to the Watford team and supporters. It hardly seems a week since last Tuesday, and the hard League game. No doubt tonight's match will also be contested, on the field, for the full 90 minutes. One hopes that Swindon supporters will also manage to last out the same time, with full vocal encouragement. No match is won, or lost, until the referee blows the final whistle. It was difficult for Don Rogers last Tuesday, trying to place accurate corner kicks for a winning goal, with both corners filling up with supporters going out before the match was over. These early leavers, with the problems of the work on the new stand, do not help in the slightest, and could have the reverse effect. So what about it, supporters – try waiting until the end of the match before leaving. We have been assured that an initial supply of the new badges incorporating the two Italian cups, and probably Supporters' Club badges, will reach us in time for this match. The printers also have promised to have the 1970 Supporters' Club Handbook at Swindon by tonight. So call in at the kiosk in the Supporters' Social Club, either before or after the match. We think you will like these new items. The commemorative pennant is going well, and a fresh supply has been ordered. Members from the country areas would be especially welcome. Jim is in the Social Club, eager to enrol new sellers before and after every home match, so do call and do your bit.

I/we would not be able to make time available for the above tour, but would be interested if day flights, as for last season's Italian matches, are arranged. Please allocate me/us provisional seats

for such a day flight.

(Delete whichever paragraph above does **not** apply, and complete the details. This alternative has been included at the request of a number of supporters who went on last season's flights.)
