WITH THE BOSS

Elsewhere in the programme you'll find praise for our supporters and I make no apologies for "getting in on the act."

The band worthy of praise is a race apart from those who persistently cause trouble at soccer matches and it is important to realise the distinction, as well as emphasise the important role which loyal fans who offer the right kind of support can play at a club.

The enthusiasm, loyalty and support shown in our recent away games has been nothing short of magnificent — there is no other word for it. And while others within the club quite rightly mention their appreciation I feel I am best able to judge the effect which such support has had on the players.

They, and I, have been greatly moved by the warmth shown towards us and in view of our recent poor results the depth of affection has made an even greater impression.

For it is these people, who have got behind us when the going has been tough, who have given us real hope for the future. Obviously we would like there to be a great many more who will take the lead from a section of our fans who at the moment number a very small majority.

Tonight we have a local derby against Swindon and no doubt the atmosphere will be a little bit special. It will suit us down to the ground if our fans get behind us and emphasise that we are the home team.

But really is there any reason why our fans cannot treat every home game like a local derby? If we are to be successful and overcome our recent results we need every bit of help. What I would like to emphasise is that the fans should never underestimate their value to a side.

Conversely the wrong type of support, when players are constantly subjected to abuse, can only do harm.

The players, as much as anyone, are aware of the problems we are having. Do not believe we are anything but greatly concerned about our failure to win more matches.

We crave success. It is what the game, and life, is all about. We want it as much for our fans as for ourselves. So get behind us — FOR 90 MINUTES — and our chances of achieving our aim together will be that much brighter.

ROY BURTON has been in top form since an injury to **DAVID BROWN** allowed the goalkeeper the regain his first team place. Here he confidently deals with a cross in the previous home game, against Carlisle.

SECRETARY'S NOTEBOOK

With results going against us recently I would like to pay tribute to the small band of supporters who have continued to support us at our away matches.

The encouragement given by the few at Preston for instance was magnificent and everyone within the club appreciated those who travelled, whether by London Road Club coaches, the mini-bus or by private car.

The London Road Club have certainly made terrific strides since first formed some three years ago and have fully justified the faith Peter Marsh and the other Directors placed in them.

I sincerely hope I am not tempting fate tonight by mentioning that our recent match at Swindon was the most trouble-free local derby we have experienced for years. I know Mick Brown and his London Road Club Committee will be as anxious as I that tonight's match is free of any terrace trouble but Mick and his Committee deserve praise for a job well done at Swindon.

It is unfortunate that the media today spotlights only the trouble and is rarely prepared to give the right and proper praise to those who have helped to foster a trouble-free occasion.

To be fair, the Oxford Mail kindly helped us the day of the Swindon match by highlighting an appeal by Bill Asprey to all our fans attending the match to keep their cool. To my mind, however, there was also a great opportunity the next day for the same paper to pay tribute to the behaviour of both sets of fans. Unfortunately the good news was condensed into a few lines in our Friday column when we all know that had there been trouble at the match the large print would have been there for everyone to read the very next day.

Similarly, the local radio would have been screaming the airways with all the red-hot news on the disturbances but as it was, no interview came our way on the success of the London Road Club or how the involvement of certain people had resulted in the fulfilment of an ambition to travel to Swindon without one Oxford supporter arrested.

I hope and pray the reports, or should I say non-reports, are the same tomorrow as the day following our match at Swindon for that would be something for both sets of fans to be proud of.

Scoreboard

My thanks to Mr. Alan Mawby of Chinnor who repaired the mechanics of our scoreboard free of charge.

MAL SHOTTON...

Signed from Non-League Nuneaton Borough at the start of the season and the strong, rugged centre half has been an ever present this term.

AT THE MANOR

BACK ROW — Left to Right: Jimmy Allan, David Peach, John Templeman, Kenny Stroud, Roy Greenwood, Tom McAlister.

CENTRE ROW — Left to Right: Andy Rollings, Roy Carter, Russell Lewis, Chris Kamara (Team Captain), Colin Barrett, Billy Tucker (Club Captain).

FRONT ROW — Left to Right: Steve Abley, Bryan Hamilton, Ian Miller, Brian Williams, Andy Rowland, Alan Mayes, Glenn Cockerill.

JIMMY ALLAN (GOALKEEPER) Born in Inverness, Jimmy will have been at Swindon for ten years this season, having been signed from Scottish non-league football. He made his debut against Queens Park Rangers in September 1971, and has been first choice Keeper for most of the last four seasons. He had made 227 league appearances at the end of last season.

ROY CARTER (MIDFIELD) From Torpoint, Cornwall, and played part-time Western League football for Falmouth before joining Hereford in the summer of 1975. He played in 64 League games there including the side which won the Third Division Championship in 1976. He signed for Swindon in December 1977, making his debut against Carlisle that month, and had made 104 league appearances to the end of last season.

GLENN COCKERILL (MIDFIELD) From Grimsby and made his League debut with Lincoln City in season 1976/77. He played well over 50 League games for Lincoln and Swindon began watching him in March 1979. He eventually signed for a then club record of £110,000 in December 1979, but injury and other factors prevented his League debut until March 1980.

ROY GREENWOOD (FORWARD) A native of Leeds he served his apprenticeship with Hull City making his League debut in season 1971/72. He made 118 league appearances for Hull, and moved to Sunderland in January 1976 in time to help that club win the Second Division. He played 45 league games for Sunderland but signed for Derby County in February 1979 making 20 league appearances for them. A further move came just over one year later to Swindon for whom he made his debut against Carlisle in April 1980.

BRYAN HAMILTON (MIDFIELD) From Belfast, Bryan manages the Swindon Reserve Team but is still available to play for the First Team if needed. Indeed, during Northern Ireland's 1980 Summer tour to Australia, he won two more International Caps bringing his total to 50. His previous League clubs were Ipswich, Everton and Millwall.

CHRIS KAMARA (MIDFIELD) Chris is from Middlesbrough but served his apprenticeship at Portsmouth where he was one of a number of teenagers given League debuts in season 1975/76. He went on to make 56 league appearances for Portsmouth and signed for Swindon just before the start of the 1977/78 season. His debut for Swindon was against Sheffield Wednesday in August 1977 and he had made 89 League appearances by the end of last season.

RUSSELL LEWIS (DEFENDER) Born in Blaengwynfi, he joined Swindon from Welsh League football in 1976 and made his league debut at York City in April 1977. His First Team chances were limited until last season when he broke through to the First Team playing mostly at full back, although until then he had normally been a central defender. Noted for hard tackling he had made 52 league appearances to the end of last season.

ALAN MAYES (FORWARD) A Londoner whose first club was Queens Park Rangers, Alan's League career began in November 1974 following a transfer to Watford. In 1976 he made ten appearances on loan to Northampton but then returned to Watford for whom his League appearances totalled 110 when he signed for Swindon in February 1979. He scored a hat trick on his debut at Rotherham and had made 65 league appearances for Swindon to the end of last season. A mobile striker who makes, as well as scores goals. He was joint leading scorer last season with 28 in all competitions.

IAN MILLER (FORWARD) Ian is from Perth and made his League debut with Bury for whom he made nine League appearances before moving to Nottingham Forest. He did not make the first team there, but a move to Doncaster Rovers in August 1975 gave him regular first team football. He stayed for three seasons making 124 League appearances and signed for Swindon during the 1978 close season. He made his debut against Bury in August 1978 and had made 81 league appearances to the end of last season.

ANDY ROWLAND (FORWARD) Born in Derby he was apprenticed with his home town team but did not play League football until a transfer took him to Bury before the start of the 1974/75 season. He was three times leading scorer and made 169 League appearances before his move to Swindon in September 1978. His debut came that month against Blackpool and he had made 72 league appearances to the end of last season. Although he plays as the target man, he also scored 28 goals in all competitions last season.

CHARLIE HENRY (FULL-BACK) A product of Swindon's youth policy. Has come into the first team this season and turned in several consistent and solid performances.

JOHN TROLLOPPE (FULL-BACK) Before this season had made 756 League appearances for Swindon, only eight short of Jimmy Dickenson's all-time record. Made his League debut in 1960.

TODAY - SWINDON TOWN

THEIR HISTORY

Every club has a bogey team and Swindon must be United's. We have only won three out of 26 League and Cup matches with our Wiltshire neighbours.

United first met Swindon in a Division III fixture at the County Ground in August 1965, when they drew 0-0. But Swindon won 3-0 at the Manor the following January with goals from Henderson, Brown and Nurse. The following season United drew 0-0 at the Manor, but went down 0-3 at the County Ground with goals from Terry, Smart and Rogers.

We had a little more luck in our promotion season (1967/8), drawing 0-0 at the Manor on Good Friday and drawing 1-1 four days later at Swindon with goals from Graham Atkinson for United and Don Rogers for Swindon.

Swindon beat Arsenal 3-1 in the final of the 1969 League Cup competition and the following season they were drawn against United at the Manor in the fourth round. United won 1-0 with a David Sloan diving header before a crowd of 18,193. The teams were:

UNITED: Barron, Lucas, Shuker, Smithson, Kyle, Clarke, Sloan, Atkinson G., Skeen, Jones, Atkinson R. Sub: Gladwin.

SWINDON: Downsborough, Thomas, Trollope, Butler, Burrows, Harland, Smith (Penman), Horsfield, Smart, Noble, Rogers.

In that same season the teams met in Division II, drawing both games 0-0. The Robins came to the Manor in November 1970 and drew 0-0 in front of the Match of the Day cameras. Noble, Porter and Rogers made sure of the points at Swindon in February.

In 1971/2 they drew 1-1 at the Manor; Colin Clarke scoring for United and Joe Butler for Swindon. In the return at Swindon, an Arthur Horsfield hat-trick and a John Trollope goal took the points for Swindon. On to 1972/3, and the first League double of the series plus United's only League victories over Swindon. A Nigel Cassidy header took the points at the Manor and there was a 3-1 scoreline at Swindon, with goals from Dave Roberts, Nigel Cassidy and Hugh Curran for United and Mick McGovern replying for the Robins. In 1973/4 Swindon took three points off United: a Ray Legg goal deciding the game at the County Ground and goals from Hugh Curran and Dave Moss sharing the points at the Manor, but they were relegated to Division III at the end of the season.

We next met Swindon in Division III in 1976/7, a John Trollope goal securing the game for Swindon at the County Ground and both sides taking a point in the 0-0 draw at the Manor. The following season United led 3-0 at the Manor through Peter Foley (2) and Ian Stott, but Swindon came back to level the score with goals from Chris Kamara (2) and Chris Guthrie. Dave Moss scored a hat-trick for Swindon at the County Ground, United replying through Peter Foley and Jason Seacole.

Swindon did the double in 1978/9, a Roy Carter penalty winner at the Manor and goals by Chic Bates and Roy Carter taking the points at the County Ground. Swindon last came to the Manor on February 6 1980 drawing 2-2.

In the return at Swindon, Peter Foley scored a late goal to equalise an Andy Rowland goal. United travelled to Swindon a fortnight ago, but went down to an Ian Miller goal against the run of play. • *Compiled by Steve Daniels*

With the Supporters Club...

The re-introduction of live entertainment within the Social Club's activities seems to have proved a successful step if the recent Games Section Dance and Family Night are anything to go by. Attendances on both occasions were well above expectations and it was pleasing to hear members saying that it was just like the old times.

Future activities along the same lines have been organised, the next one taking place on Saturday October 11 when the second Family Night is scheduled to be held. On this occasion we have three films available followed by a Guest Appearance of the popular duo "Charade". Entertainment starts at 7.30 p.m. and admission is free to members with a charge for guests of 50p per family.

GAMES SECTION SUCCESS

Congratulations are in order to the club's Bar Billiard Team who have once again reached a final, this time in the Summer Knock-Out Competition. The outcome of the final is not known at this time but the team consisting of R. Gregory, R. Gynes, A. Hill, A. James, P. Kennett and D. Cooper seem confident enough.

RACE NIGHT

Sponsors are still being sought for Races and Horses in the club's forthcoming Race Night which is scheduled for Saturday November 1. In return for sponsorship free advertising is given in the Race Programme and on the night and all horse sponsors stand the chance of winning a bottle of drink. Rates are as follows: Horses £2 each and Races £10. Anyone interested in sponsoring can obtain a form at the Supporters Club.

Arrangements are now in hand for the club's Annual Christmas Draw which will be based on the lines of a straight forward draw ticket with a first prize of £500. Tickets will be available from October and obviously we shall be looking for extra agents to help sell them on the usual 10% commission basis.

NOW ITS ENGLAND versus THE UNITED STATES

The first match to be played between England and the United States in this country

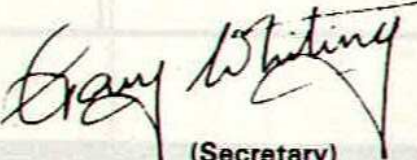

will be staged on Wednesday, October 14th, when Old Trafford will be the venue for a "B" international (kick-off time 7.45 p.m.). Reserved seats are available for the match and the prices are as follows: £2.50p, £2.90p, £3.20p, and £3.50p, and tickets can be obtained by post from the Box Office, Manchester United F.C. Ltd., Old Trafford, Manchester M16 0RA. Applications should include the correct remittance and a stamped addressed envelope for reply.

I should like to take this opportunity on behalf of all officers, committee and members of Oxford United in wishing Mrs. Ivy Brennan a speedy recovery from a very bad illness. Mrs. Brennan has been a member of the club since its very early days and has contributed a great deal to its success. We all hope that she will soon be seen in the club again.

MEMBERSHIP CARDS

In recent weeks many members have forgotten to bring their membership cards along when wishing to use the club, particularly on match days. The club has a rule that members forgetting cards must pay a fee of 15p, the same as a guest in order to comply with the law and in an attempt to stamp out people using the club who are not members or bona fide guests. To avoid paying this fee can I remind all members that they should carry their membership cards at all times when visiting the Social Club.

VOICIFEROUS FEW

Firstly each and every Oxford fan who travelled to our match at Preston last week deserves a pat on the back! Although numbering no more than several hundred in a crowd of almost 6,000 they were 100% behind the team, cheering them on for the full 90 minutes. One chant that came up from the Oxford contingent summed up the situation... "Your supposed to be at home." Nobody should need any reminding to cheer on the team tonight and I'm sure a good result will go a long way towards easing the disappointment of Deepdale.

SAVE £1 — BUY EARLY

Those fans who wish to travel to both Fulham later this month and Brentford early next, should note that by purchasing a ticket to both of these matches they can save £1.

To be entitled to this discount, members should pay the reduced fare of £4 not later than Saturday October 11, at our home match with Walsall.

JUNIOR ADMISSION

Only fans who were under 15 years old on August 1 this year are eligible for junior membership, which entitles them to admission to the Manor at a reduced rate.

Junior membership is available at all home first team matches, from the London Road Club hut at the rear of the London Road stand.

When applying to join fans should bring along either last season's junior pass, their birth certificate or some other proof of age. The cost for juniors is 50p the same as for adults. During the week Junior Memberships can also be purchased from the Football Club offices during normal office hours.

HULL DETAILS

Although not segregated, other than when a large number of visiting fans are expected. Oxford fans are advised to enter the ground at the North or East entrances, where the admission is £1.60 for adults and 70p for Juniors. The match magazine costs 30p.
