JOHN TROLLOPE

What a good feeling we all had after beating Lincoln City last Saturday - not only for the three much needed points, but the approach the team had right from the kick-off and the great way you, our supporters, encouraged the lads from the start. Lincoln suffered their second defeat in twenty games which is some record, and apart from some isolated breaks they had, we were on top for most of the game. Your cheers and appreciation of the team helped tremendously and I can only repeat my previous appeal to you - your vocal support is vital to our lads and if you will only do this tonight and for our then remaining two home games, it can only help them respond to you. The results of the game against Lincoln and Chester are important to us to narrow the points gap, and after Saturday we are half-way there, and if the players continue to display their determination and you with your vocal support, we will make it.

Our Reserve Team visited Oxford United last week and beat them 1 - 0. One of the main reasons I went to the game was to view the fitness and form of Andy Rowland who was playing his second reserve game after the injury sustained in the game at the beginning of January against Luton. It was also a real pleasure to watch the team play especially the younger lads giving one hundred percent effort. Had we been in a safer position in the League than we are, some of the younger lads who have played so well in the Reserves, would have made their debut in the first team by the end of the season. However because of the pressure which is now on us, it is impossible for me to take the chance that they richly deserve by putting them in a league game.

Last week Don's Midland Youth side played Northampton and were surprisingly beaten 2-1. I know Don was disappointed by the performance of his team which was definitely out of character for them and below their usual standard.

The South East Counties played at Luton last Saturday and drew 2-2 and Don tells me that it was possibly the best performance of the team this season and were unlucky not to win. This League is very important because it is from these players that next season's apprentices are selected - the lads who are the future of this Club.

Again, my thanks to those supporters who presented their cheques to me from their sponsored walks - and also to those who made the half-time collection on behalf of the Cooperative Fund. Can I once again tell you that I am looking for support by the way of sponsorship in the Swindon Marathon on 30 May - there are still some forms in the Club office. All money received will go to the funds of the Cooperative.

Tonight we welcome the players, officials and supporters of Chester to the County Ground, and once again to you, our supporters, thanks for coming and please, please help us like you did last Saturday

Sponsored walkers present their cheques to Town manager John Trollope before last Saturday's game against Lincoln at the County Ground.
