Colin's Column

Welcome to Boothferry Park. It appears that Division IV is taking as much time to settle down as previous seasons when we are seeing most teams at the top dropping points and of course the three points for a win situation can make it look so different when someone is 6 to 9 points ahead.

This is one of the better sides of the new points system because psychologically it can give you a boost.

Realistically of course it will always end up with *our* team's attitude and ability.

Of course the extra people who are attending each game help tremendously to give a lift to the players. After our frustrating game against Hartlepool in which it was one of those games where you have to be there to believe it, we of course dropped two points, which isn't the happiest of situations, but our performances at Aldershot and Colchester should suggest we have enough of the basic things right because to play two away games in four days against teams who hadn't been beaten at home was well earned. Now we must look to some consistency in performances, both team and individual.

We are putting a great deal of work and consideration into adapting a game which is complimentary to players and spectators and the feedback has been one of enjoyment for both.

In welcoming Swindon Town today directors, staff, players and supporters again let us provide our paying customers with what they want.

We are here to please — Thank you for coming.

COLIN APPLETON

Swindon Town Football Club were formed in 1881 and spent their early days playing at The Croft until moving to their present County ground in 1896.

Except between the year 1963-65 and 1969-74 when they held Division II status, they have played all their football in either Division III(S) or Division III proper. This year they are playing Division IV football for the first time in their history, being relegated last season along with Wimbledon, Chester and Bristol City.

Notable achievements include Anglo-Italian Cup winners in 1970 and League Cup winners in 1969 when they defeated Arsenal 3-1.

The ROBINS

JIM ALLAN. Experienced goalkeeper who has been with Swindon since signing from Scottish junior football in 1970. Made his league debut in September 1971 and has been the regular first team goalkeeper since 1976. Now the longest serving player at the club with 318 league appearances to the end of last season.

KEVIN BADDELEY. Although brought up in Swindon, Kevin joined Bristol City to serve his apprenticeship and made one league appearance for them against West Ham United in August 1980. Joined Swindon in July 1981 and established himself in the first team last season making 29 league appearances. Can play in either full back position although usually found on the left.

LEIGH BARNARD. A player who served his apprenticeship with Portsmouth and spent several seasons with them after making his league debut against Exeter City in September 1977. A busy hardworking player, he made around 90 league appearances for Portsmouth before joining Swindon in July 1982.

PAUL BATTY. Young player who completed his apprenticeship last season and signed professional but had not appeared in the first team at the season's end.

GARY EMMANUEL. Gary started his career with Birmingham City making his debut in January 1975 at Stoke City. He played 71 Division I games for The Blues before a transfer to Bristol Rovers in December 1978. A further 65 league appearances followed for the Eastville club and he joined Swindon in an exchange deal during the 1981 close season. Gave some all-action displays last season.

MIKE GRAHAM. Mike began his career with Bolton Wanderers and made his league debut as substitute at Mansfield in March 1978. He had made 46 league appearances for Bolton, mostly at fullback before he joined Swindon in the summer of 1981. He made 30 league appearances last season often in the centre of the defence but also in midfield.

CHARLIE HENRY. Charlie grew up in Swindon and served his apprenticeship with the club signing professional in February 1980. By September 1980 he had made his first team debut in a league cup match at Lincoln City and went on to establish himself in the first team at right fullback although he can also play at centre half. Had made 69 league appearances at the end of last season.

RUSSELL LEWIS. Russell joined Swindon from Welsh League Football in 1976 and made his league debut at York City in April 1977. He had to spend several seasons as reserve centre-half before winning a regular first team place at right full back during the 1979-80 season. The following season he took over at centre-half and at the end of last season had 138 league appearances to his credit. A wholehearted tough-tackling player.

HOWARD PRITCHARD. Howard served his apprenticeship with Bristol City and made his league debut against Aston Villa in August 1978. He made 38 league appearances over the next three seasons and was released to join Swindon in July 1981. He made 28 league appearances for Swindon last season and usually plays as an orthodox winger on either side of the pitch although usually favouring the right.

PAUL RIDEOUT. Paul was the regular centre forward in the England Schoolboys team for two seasons and signed as an apprentice for Swindon in May 1980. He was given a professional contract on his seventeenth birthday but by that time had already scored on his league debut against Hull City in November 1980 and made 16 league appearances last season to take his total to 51 before his eighteenth birthday. His ability to produce goals out of unpromising situations marks him as a player with the potential to succeed at the highest level.

ANDY ROWLAND. Andy was an apprentice with Derby County but did not appear in their first team. During 1974 he was transferred to Bury and made his league debut at Swindon in August that year. He was three times leading scorer for Bury and played 174 league games for them before his transfer to Swindon in September 1978. He made 141 league appearances for Swindon at the end of last season and has a consistent goalscoring record.

Commercial Corner

Your pre-match entertainment today is provided by our TIGERCOLA cheerleaders. You must surely have noticed them at the Tigers home games, leading out the Team with style.

The cheerleaders are all local volunteers, aged between 14 and 17 years. They are trained by Miss Judith M. All the girls are busy supporting the can that supports the club. Have you tried TIGERCOLA yet? It's both a refreshing drink and a refreshing way to help the club. If you know of any outlets, please contact Mr. Rex Lee of Messrs. Murdon's, telephone 23614. The more you buy or sell TIGERCOLA, the more you are helping the tigers.

Follow the cheerleaders and 'Support the Can that Supports the Club'.

Golden Goal

Although we only got one point in our last home game with Hartlepool, the day was a happy one for Mr. Dearing of Keyingham, who won the first prize of £50 for the first goal scored. Why not try your luck today. Look out for the Golden Goal girls who will walk around the ground with the time of each goal scored.

Formed in 1974 with only 10 girls, THE HUMBERSIDE MAJORETTES have over the years grown into a rapidly-expanding County-wide organisation; with branches in many towns and villages throughout the region, and a membership in excess of 400.

The Headquarters of the organisation are located in Hull, with private studio facilities for choreography and training sessions, and each branch has its own training class run by Jacqi or Alan Curtis, who are Directors of the organisation. The art of Baton Twirling/Majorette work originated in the U.S.A., and has since spread rapidly throughout the world — negotiations are taking place which may result in Baton Twirling becoming an Olympic Event in due course.

Each summer, HUMBERSIDE MAJORETTE Troops are to be found leading parades, performing at Galas, Carnivals and Fetes etc; whilst during the winter months they carry out considerable charity appearances for worthwhile causes such as Senior Citizens, Hospitals and Religious Associations etc.

New Branches are continually being opened up, and new recruits welcomed into the Organisation — for further information contact the above address.

The various Troops within the HUMBERSIDE MAJORETTES are available for appearances at most events throughout the year, either indoors or outside, and enquiries should be sent to the Headquarters.

Ex-Tigers A.F.C.

Last Sunday the Ex-Tigers met Amateur League side Blackburn Welfare in a match to raise funds for the Ex-Tigers Association. Due to injuries and golf tournaments the Ex-Tigers could muster only ten men so they recruited 16 year old South Hunsley schoolboy Mark Hathway to play wide on the right and he scored two cracking goals; Jeff Barmby and Andy Davidson added further goals in the 4-0 win. It was pleasing to see Ian McKechnie give a sound display in goal. Blackburn's keeper Howard Wilkinson was in fine form.

EX-TIGERS

Ian McKechnie, Barrie Rands, Steve Deere, Geof Barker, Ray Pettit, John Kaye, Andy Davidson, Jeff Barmby, Steve Lowe, Alan Shaw, Mark Hathway.

Tomorrow 11 a.m. the Ex-Tigers meet a strong Fire Brigade side at South Hunsley School in aid of the P.D.S.A. The last meeting of these two teams resulted in a 3-1 victory for the Fire Brigade.
