## VIEW FROM THE STANDS

*Bury take the field today deservedly in second place in the Fourth Division, and behind leaders Wimbledon only on goal difference. The surge from a mid-table position has taken place in the context of two superb away wins, sandwiched by a point in the derby with Rochdale, and two wins in our last two home appearances.*

*Halifax Town offered the stiff resistance expected from a side built on strength which had only conceded nine goals in nine games to last weekend, and on the following Tuesday our lads prepared for the trip to Scotland with a comfortable win over a disappointing Tranmere side. Local derbies are never easy and encouraged by Pearce's brilliant save from Steve Johnson's penalty before half-time there was no doubt that Dale played above themselves. Certainly their supporters were well satisfied with a home point.*

*On to Mansfield, and the whole side reproduced the impressive form which had so comprehensively defeated Northampton Town three weeks ago. Taking command from the kick-off the only surprise was that it took so long to open the scoring and that when Mansfield scored with almost their first attack after 43 minutes it was possible for them to be still in with a shout. An inspired first half from 'keeper Arnold, plus several goal line clearances, had kept Town in the game, but in the second half three more Bury goals fairly reflected our superiority. The travelling Bury fans roared their appreciation – as, more reluctantly, did the local supporters – and it was a joy and a privilege to witness such an irresistible display.*

*Swindon Town who are expected to include Andy Rowland this afternoon have a well publicised Bury connection and will most certainly be looking to interrupt our run of good form. It should be that in any event football, and a larger crowd, will be the winners this afternoon.*

*John Waddington*

Middle Row left to right: Martin Blackler, Brian Hughes, Howard Pritchard, Ken Beamish, David Bristow, Roy Carter, Kevin Baddeley, David Round. Front Row left to right: Mike Graham, Gary Emmanuel, Paul Batty, John Trollope (Manager), Ray Baverstock, Leigh Barnard, Gary Williams.*

**JIM ALLAN:** Born Inverness. Experienced goalkeeper who has been with Swindon since signing from Scottish junior football in 1970. Made his league debut in September 1971 and has been the regular first team goalkeeper since 1976. Now the longest serving player at the club with 318 league appearances to the end of last season.

**KEVIN BADDELEY:** Born Swindon. Although brought up in Swindon Kevin joined Bristol City to serve his apprenticeship and made one league appearance for them against West Ham United in August 1980. Joined Swindon in July 1981 and established himself in the first team last season making 29 league appearances. Can play in either fullback position although usually found on the left.

**LEIGH BARNARD:** Born Worsley. A player who served his apprenticeship with Portsmouth and spent several seasons with them after making his league debut against Exeter City in September 1977. A busy hardworking player he made around 90 league appearances for Portsmouth before joining Swindon in July 1982.

**PAUL BATTY:** Born Edlington, Yorkshire. Young player who completed his apprenticeship last season and signed professional but had not appeared in the first team at the season's end.

**GARY EMMANUEL:** Born Swansea. Gary started his career with Birmingham City making his debut in January 1975 at Stoke City. He played 71 first division games for the blues before a transfer to Bristol Rovers in December 1978. A further 65 league appearances followed for the Eastville club and he joined Swindon in an exchange deal during the 1981 close season. Gave some all-action displays last season.

**MIKE GRAHAM:** Born Lancaster. Mike began his career with Bolton Wanderers and made his league debut as substitute at Mansfield in March 1978. He had made 46 league appearances for Bolton, mostly at fullback before he joined Swindon in the summer of 1981. He made 30 league appearances last season often in the centre of the defence but also in midfield.

**CHARLIE HENRY:** Born Acton. Charlie grew up in Swindon

and served his apprenticeship with the club signing professional in February 1980. By September 1980 he had made his first team debut in a league cup match at Lincoln City and went on to establish himself in the first team at right fullback although he can also play at centre half. Had made 69 league appearances at the end of last season.

**RUSSELL LEWIS:** Born Blaengwynfi. Russell joined Swindon from Welsh League Football in 1976 and made his league debut at York City in April 1977. He had to spend several seasons as reserve centre-half before winning a regular first team place a right fullback during the 1979-80 season. The following season he took over at centre-half and at the end of last season had 138 league appearances to his credit. A whole-hearted tough-tackling player.

**HOWARD PRITCHARD:** Born Cardiff. Howard served his apprenticeship with Bristol City and made his league debut against Aston Villa in August 1978. He made 38 league appearances over the next three seasons and was released to join Swindon in July 1981. He made 28 league appearances for Swindon last season and usually plays as an orthodox winger on either side of the pitch although usually favouring the right.

**PAUL RIDEOUT:** Born Bournemouth. Paul was the regular centre forward in the England Schoolboy's team for two seasons and signed as an apprentice for Swindon in May 1980. He was given a professional contract on his seventeenth birthday but by that time had already scored on his league debut against Hull City in November 1980 and made 16 league appearances last season to take his total to 51 before his eighteenth birthday. His ability to produce goals out of unpromising situations marks him as a player with the potential to succeed at the highest level.

**ANDY ROWLAND:** Born Derby. Andy was an apprentice with Derby County but did not appear in their first team. He was three times leading scorer for Bury and played 174 league games for them before his transfer to Swindon in September 1978. He made 141 league appearances for Swindon at the end of last season and has a consistent goalscoring record.

# THE SWINDON CONNECTION

We welcome Swindon Town back to Gigg Lane today after an absence of just two seasons. As recently as 1974 the Robins were competing at Second Division level, and only 3 seasons ago Swindon were just a breath away from a Wembley League Cup Final. Last season after winning 4-1 at Bristol Rovers in October Swindon actually led the table, but just 3 wins in the following 27 fixtures was a slide that manager Trollope was unable to halt and hence the Robins are now experiencing their first ever spell in Division 4.

Post War connections between the two clubs are numerous, beginning with the transfer of Henry Williams to Swindon in June '54. Centre-half Bert Head left Bury in the summer of '56 after just 22 appearances for the Shakers, to become Manager at the County Ground. One of his first signings was Vincent Jack from Bury in October '56. Bert held the post successfully for 9 years before returning to Bury in the 1965 close-season to manage his old club.

Gordon Atherton also made the return journey between the clubs, leaving Bury for Wiltshire in December '64 only to return in January '66. He completed a total of 333 league appearances scoring 13 goals in his two spells at Gigg Lane.

Following the appointment of Bob Smith as Swindon manager in May '78 — their first match under Smith's guidance being a 2-1 defeat of Bury — there was a large influx of ex-Shakers at the County Ground. Andy Rowland and Bill Tucker were recruited from Gigg Lane, Ian Miller from Doncaster and Brian Williams from QPR. Barry Lowes, Tom Henderson and Ken Beamish

are the only other ex-Shakers to wear the red and white of Swindon Town.

Our last home victory against the Robins was on 21st October '75. The Shakers having lost the tag of being the only unbeaten team in the league just 3 days earlier at Peterborough and desperately needing a victory as a pick-me-up.

The scoring opened after 15 minutes when Phillips scored from a rebound off the bar. Rowland scored a penalty two minutes later after Joe Butler handled. Hulme headed home after 31 minutes from a Phillips free kick and Rowland headed a fourth goal before half-time. Brian Williams latched onto a Rowland header after 69 minutes to shoot past Allan and complete the scoring. The result left Bury in second place while Swindon remained 21st.

**BURY:** Forrest, Hoolickin, Kennedy, Nicholson, Hulme, Bailey, Buchan, Phillips, Williams, Rowland, Riley.

**SWINDON:** Allan, Dixon, Trollope, Jenkins, Burrows, Stroud, Hubbard, McLaughlin, Eastoe, Butler, Anderson.

Attendance: 5,737.

Swindon have visited Gigg Lane on four occasions since, winning and drawing twice — with a total of only 4 goals in the four games. A goal shortage indeed, but this wasn't the case when we last visited the County Ground on a cold December day in 1979. Dave Connor's team, already deep in relegation trouble, lost 8-0 from goals by McHale (2), Rowland (2), Mayes (2), Kamara and Tucker. It was a result which equalled our worst ever league defeat sustained at Bramall Lane, Sheffield on 6th April 1896!!

Division Four.....Saturday, 18th Sept. 1982  
.....London Road Ground.....

Peterborough Utd (1) 1 (Gynn 36 mins) Bury (0) 1  
(Gore 64 mins)

Attendance: 2,826

**PETERBOROUGH UTD:** Seaman, Winters, Collins, Gynn, Firm, Rodaway, Imlach, Linton, Cooke, Benjamin, Chard.

**BURY:** Brown, Gardner, Kenworthy, Gore, Bramhall, Cruickshank, Potts, Madden, Johnson, Jakub, Firth.

Referee: D. Axcell (Southend)

"After missing a penalty, Peterborough gave away a soft second half goal to share the points with Bury" summed up the SUNDAY PEOPLE, who also felt that "Bury were at their best when Bramhall moved quickly from defence into attack and twice he stretched Seaman in the Peterborough goal."

Perhaps the point was just reward for the SUNDAY EXPRESS informed us that "As Bury plugged away Eric Potts and skipper Joe Jakub worked hard in midfield. Bury got their equaliser when Tommy Gore hit a speculative shot from 30 yards and the ball spun out of the goalkeeper's arms over the line."

Mind you the MANCHESTER EVENING NEWS found that "Bury manager Jim Iley was smiling after seeing his side sneak a point after being outplayed for most of the match."

Maybe, but the BURY MESSENGER preferred to look upon it as "a battling display" and as they pointed out "It was a useful point as Bury bounced back from a nightmare defeat against Crewe. 'It was a good hardworking performance' summed up manager Jim Iley on the display."

*Report on the Halifax match appears on page 13. Three reports in Tuesday's programme against Stockport will bring this feature up to date with games played.*

Division Four.....Tuesday 21st Sept. 1982  
.....County Ground.....

Northampton Town (0) Bury (1) 3 (Johnson 11 mins, Firth 49 mins, Madden 57 mins).

Attendance: 2,792

**Northampton Town:** Freeman, Brady, Phillips, Gage, Burrows, Heeley, Saunders, Saxby, Syrett, Massey, Buchanan. Sub: Denyer (55 mins for Brady).

**Bury:** Brown, Gardner, Kenworthy, Gore, P. Hilton, Bramhall, Potts, Madden, Johnson, Jakub, Firth.

Referee: R. Lewis (Greater Bookham)

Marvellous isn't it? Bury pull off a superb victory, and the daily papers go on strike! First time I realised Fleet Street was really in Northampton!

However, the good old BURY TIMES saved the day for they were there as "Three smartly taken goals brought three valuable points as Bury seized upon Northampton's mistakes to catch the home side on the rebound following the Cobblers best win in more than 20 years. On Sunday the Northampton players destroyed Bristol City, but when their attacks floundered on a solid Bury defence, the cracks appeared at the back at the wrong moments, and Bury cashed in. The Shakers were fast on the break and quick to clear their own lines and not once in the entire 90 minutes did David Brown have a serious save to make."

So three excellent away points, but my only comment to the rest of the Press must be "Cobblers"!

## *with Elton Welsby*

Apart from being inappropriately named, the so-called 'professional foul' will undoubtedly end up as the season's most controversial talking point.

Any action by a player that obviously warrants a sending off, or leads directly to a goal conceded, must surely be termed as unprofessional. But putting that argument aside the controversy again surrounds the interpretation by referees, who have been told to get tough and dismiss any player who commits the (un)professional foul, or deliberately handles the ball and prevents the 'possibility' of a goal being scored. As so many managers are prone to point out; 'anything's possible in football'. It is so easy to find loopholes in these new methods to clean up and improve the game, especially when one offence is dealt with strictly and another virtually ignored.

Spare a thought for the players who've already seen a record number of sendings off so far this season and, arguably, an equal number of let offs!

I began to get worried before the season even started. At a friendly between Wigan and Everton one of the home defenders tipped a shot from Adrian Heath over the bar. The referee awarded a penalty and had a quiet word with the offender, who wasn't sent off.

The referee said afterwards that it was a sending off offence, but considering it was a friendly and that Everton were already winning 5-0, he decided not to obey the new instructions.

Now while I admit to having some sympathy, had the referee followed the new letter of the law... at least two clubs would have known exactly what to expect once the season started. Also, with the inevitable publicity the incident would have attracted, the implications might have sunk in at a few more clubs as well.

Take the case of Peter Fox, the Stoke City goalkeeper, sent off for deliberate hand ball in the game with Luton. A case could have been made that Fox didn't deliberately handle, and that by the time he had connected with the ball, it was inside the area. Fox, however, did not receive the benefit of the doubt and was ordered off. Once again no-one could really argue with the referee's decision. But how on earth could he allow David McAughtrie to stay on the pitch after his cynical way of stopping Brian Stein in the same match. It is that sort of inconsistency which makes this new code of discipline very difficult for the players to accept.

## JOHN TROLLOPE – PROFILE

Swindon Manager John Trollope made his league debut for Town in August 1960, at the age of 17 years old. He went on to make 770 league appearances at full-back for the Robins which is an all-time appearance record for any League Club. This smashed the record of 764 appearances which Jimmy Dickinson completed for Portsmouth. Trollope made his 500th appearance on 1 May 1972 and at 28 years old he became the youngest player to reach this milestone. He won a League Cup Winners Medal at Wembley in 1969 and was a key member of Swindon's promotion teams of 1962/63 and 1968/69. Proof of his consistency is the fact that he has appeared in 17 of the 24 fixtures between Bury and Swindon since we first met in 1958. He was awarded the MBE for services to football in 1972 and succeeded Bob Smith as manager at the County Ground in November 1980.

# ROVING REPORTER

Did you see it? Did you? I mean there had to be one from there didn't there? Great! What? Oh, the referee at Northampton a couple of weeks back came from...wait for it...Greater Bookham!!

Talking of referees and unusual places, a friend of mine was chatting to an official who told him that he'd recently taken charge of a game in Shakespeare country, at Stratford-Upon-Avon. Quick as a flash my pal asked him "What was the score? Two-three, or not two-three"!

Did you see the unusual happenings in Wiltshire recently? A player picked up the ball to take a throw in, and possibly performed the feat in record time, as he stepped back on to an electrified fence! He's currently (get it?) the brightest player in what should have been a shocking match. But his team made light of the situation as the sparks flew in a 9-0 win – a powerful performance that!

Fancy buying a Football League Club? Reading are up for sale after a disastrous start to the season which has seen gates plummet to less than 2,000. Those in charge at Elm Park have decided the club could benefit from a change of ownership. Perhaps Kevin Keegan could make a bid?

Talking about Kevin Keegan – well everyone else seems to be today so why should we be different? – I see the Leeds fans recently confirmed what I'd thought for years, a couple of weeks ago. When he was injured by the touchline those kind-hearted, misunderstood Leeds supporters took pity on England's (sorry ex-England's!) hero and threw coins for him to collect, just in case he's having trouble making ends meet. Caring people, as I've always known.

Good luck to our old player Terry McDermott on his return to St. James Park. He virtually replaced short-stay Mike Channon, who wasn't retained after a months loan. Was he upset about this? "Nay", as he drove straight off to the races.

The price of success. Wigan Athletic lost around a quarter of a million pounds – I'll repeat that £250,000 – on their "successful" promotion season last year. Speaks volumes doesn't it.

I see the Isthmian League has solved the mid-winter problem. They've entered a sponsorship deal with "Servowarm", the central heating people!

## What the Papers say . . .

**Division Four..... Saturday 25th Sept 1982**  
..... **Gigg Lane.....**

**Bury (2) 2** (Potts 33 mins, Johnson 44 mins) **Halifax Town 0**

**Attendance:** 2,244.

**Bury:** Brown, Gardner, Kenworthy, Gore, P. Hilton, Bramhall, Potts, Madden, Johnson, Jakub, Firth. Sub: Cruickshank (83 mins for Firth).

**Halifax Town:** Butcher, Nobbs, Wood, Evans, Smith, Nuttall, Hallybone, Davison, Spooner, Staniforth, Ward. Sub: Kendal (for Nuttall 66 mins).

**Referee:** Michael Peck (Kendal).

"Shakers Go Second" blared BURY MESSENGER who began "Bury continued their recovery after an indifferent start to the season with a hard-earned win over Halifax Town".

SUNDAY PEOPLE echoed the case: "Bury continued

their bid for the top rungs of the Fourth Division with an efficient victory".

The MAIL ON SUNDAY reported (yes for the first time!) "Sharp-shooting Bury turned the tables on hard-working Halifax, who failed to put away their chances. The gritty Yorkshiremen looked the better prospect for just over half-an-hour."

The BUFF described the first goal — also the scorer's first for the Shakers — thus: "Firth's cross was flicked on by Johnson to Potts who beat the 'keeper with a well-struck drive from just inside the penalty area."

Just before half-time the PINK told us "The Shakers increased their lead when Steve Johnson seized on a weak back pass by Smith to round 'keeper Butcher and shoot into an empty net."

"Bury might have increased their margin of victory in the second-half but for poor finishing and a brilliant save from Town's on-loan goalkeeper John Butcher which denied Craig Madden a goal on his 24th birthday." (MANCHESTER EVENING NEWS).
