FRANK CASPER

WE ARE delighted to welcome officials, players and supporters of Swindon Town Football Club to Turf Moor for this afternoon's FA Cup fourth round match.

Despite our great victory at Tottenham in the quarter-final of the Milk Cup and our return to winning form in the Second Division against Barnsley last Saturday, there is no way it will be easy today.

Our players deserve so much credit for the manner in which they defeated Spurs 4-1 at White Hart Lane.

We had to get back to basics after that result, and I was pleased with the way our lads went about their difficult task in the match against Norman Hunter's Barnsley, always powerful opposition.

Last week was one I will remember vividly for a very long time. I am only too happy to continue in the role of

acting team manager and I am glad to have the assistance of Gordon Clayton.

In addition to remaining very much involved with his normal work as chief scout for our club, Gordon is now also concerned with administrative matters connected to the team manager's job.

Needless to say, we

are looking forward to meeting Liverpool in the two matches in the Milk Cup semi-final. It will be tremendous further experience for our young players and although matches don't come any tougher than these two I have every confidence in our team. I am sure they will give a good account of themselves, as at White Hart Lane, and do the club proud again.

Today's match is our 10th cup-tie of the season and, make no mistake, we will be all out to win. I well recall playing against Swindon in the League Cup semi-final of 1968-69. We lost after a play-off at West Brom. Swindon also defeated us here on their last League visit, but we won the return at the County Ground thanks to goals by Steve Taylor and Tommy Cassidy.

Believe me, we intend to make sure it is our turn to win again today.

THE wonderful win over Tottenham last week in the quarter-final of the Milk Cup at White Hart Lane must go down as one of the best results in Burnley Football Club's 100-year history. Now for Liverpool . . .

The players were understandably absolutely delighted on the long coach journey home from London.

Their feelings were perhaps best summed up by skipper Martin Dobson. "It just goes to show what a crazy game football is," he said. "After the way results have gone in the League to go to Tottenham and win 4-1 takes some believing.

"The idea was to deny Spurs space and it worked a treat. In the second-half the way their defence opened up was amazing. With so much to play for this season we've got to remember that we have won the important battle but we haven't won the war."

The win was judged the best performance last week by a Fiat panel of experts — including Tottenham manager Keith Burkinshaw! It was a unanimous vote and the others on the panel were England manager Bobby Robson, Ron Atkinson (Manchester United), David

PLAYERS' VIEW

Pleat (Luton), Emlyn Hughes (Rotherham) and former Bournemouth manager David Webb.

Additionally, Billy Hamilton, scorer of two of the four Burnley goals, was named as player of the round by the Sun-Milk Cup panel. Billy receives a trophy, and £500 automatically goes to the club for help in the development of young players — plus another £500 to the charity of Billy's choice.

He decided to give that £500 to the fund for Gary Plane, the two-year-old Burnley toddler who had to have both legs amputated after being blown under a lorry last week.

Said Billy: "It's the best result we have had all season. To win the Sun award as well made it really special for me. And I didn't have any hesitation in deciding where the money was going. Young Gary's story is so terribly sad and I'm glad to be able to help in some way."

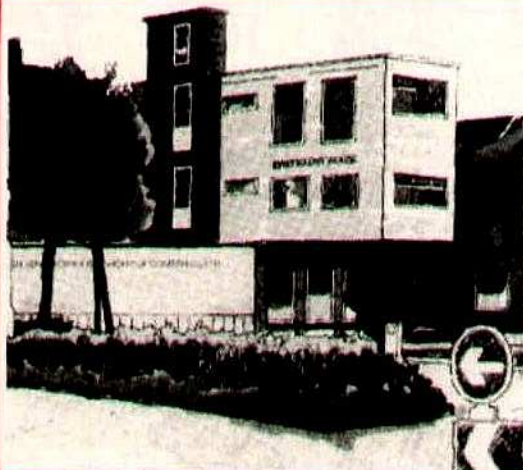

It wasn't surprising that the Tottenham display and result hit the newspaper headlines in a big way.

Keith McNee wrote in the Evening Star: "Burnley stormed gloriously through to join Liverpool, Manchester United and Arsenal in the semi-finals with a devastating second-half display after being a goal down and Tottenham — Ossie Ardiles, Glen Hoddle, Ricky Villa and all — could have no grumbles about it whatever."

And Peter Higgs said in the Burnley Express: "Burnley pulled off their result of the century at White Hart Lane. Never in the field of football conflict in their 100-year history have they achieved a more unlikely or outrageous victory.

"What achievement from the Burnley archives can improve on the team 21st in the Second Division defeating the FA Cup holders?"

Our match mascot today is nine-year-old Mark McGlynn, who attends St Mary's Junior School. Mark's favourite player is Trevor Steven.

ON THE OTHER SIDE

Andy Rowland

BORN in Derby, Andy joined his home town club as an apprentice but after graduating through the junior sides failed to win a first team place with County, at the time one of the front runners in Division One.

In the summer of 1974 he decided to try his luck in the lower divisions and moved north, signing for Bury, who had just won promotion to Division Three. He made his debut in the opening game — at Swindon! — and in the seasons which followed proved to be a consistent goal-scorer. He went on to make close on 200 appearances for the Gigg Lane side, scoring 58 goals, heading the scoring charts on three separate occasions.

His goal-scoring exploits attracted the attention of a number of clubs and he eventually signed for Swindon Town in September 1978. He proved a crowd pleaser at the County ground and, with Alan Mayes, made up a strikeforce which contributed 57 of the 104 goals scored in season 1979-80. A highlight of that season was the 6-2 victory over Rotherham with Andy scoring four of the goals.

OUR VISITORS

Swindon Town

TODAY'S FA Cup clash with Swindon will remind many supporters of the remarkable League Cup semi-final in 1968-69 when, after winning here at Turf Moor, Swindon required a third game before emerging as finalists.

With the strong running Don Rogers always a danger they went on to win at Wembley, beating Arsenal 3-1. Left back in that successful side, current Swindon manager John Trollope M.B.E., went on to make 753 appearances with Town in a career which spanned 20 years.

Second in the Fourth Division table going into the Christmas fixtures, they could only muster three points over the holiday period and have since slipped into sixth place.

In the FA Cup, victory over non-League Wealdstone was followed by a 2-2 home draw with Brentford. They emerged victorious after extra time in the replay, but had no such problems in the last round beating Aldershot 7-0.

Currently leading the club's goalscoring charts is former Bury striker ANDY ROWLAND, who has formed a formidable

striking partnership with former England schoolboy No.9 PAUL RIDEOUT, still only 18, but with 50 appearances for Town and a "hat-trick" scorer last week against Rochdale.

Also one of the recognised front runners HOWARD PRITCHARD, an orthodox wingman, has a free role and operates down both flanks.

A player to have only

finished his apprenticeship last season PAUL BATTY has made good progress in the midfield position alongside LEIGH BARNARD, formerly with Portsmouth, and the experienced GARY EMMANUEL, formerly with Birmingham and Bristol Rovers.

RAY BAVERSTOCK is establishing himself in the back four at the expense of regular number two CHARLIE HENRY, who has been out of the side injured since December. On the opposite flank is former apprentice COLIN BAILIE.

In the centre of the defence RUSSELL LEWIS will partner former Bolton Wanderers player MIKE GRAHAM.

In goal JIM ALLAN has been with Town since signing from Scottish junior football in 1970.

WHO would have thought that when we came away from Gigg Lane, Bury, last August after a superb game which we won 5-3, that some six months later we would be playing in the semi-finals of the Milk Cup.

Well, not only did we beat Bury, we went on to beat Middlesbrough and First Division sides Coventry and Birmingham before going on to White Hart Lane for that tremendous 4-1 victory over ace Cup fighters Tottenham Hotspur.

Suddenly we're one round from Wembley. To get there we need to beat the mighty Liverpool over two legs — a daunting but not impossible task. Somebody has to beat them and it might as well be Burnley.

The first leg of the semi-final is at Anfield on Tuesday night, 8th February, kick-off 7.30pm

All branches of the Supporters' Club are running coaches to Liverpool so let's have you all there cheering the Clarets to Wembley.

Don't delay, book today — and make sure

you're there for the game of a lifetime.

The price is £2.50 and coaches depart from Colne at 5 pm prompt, picking up from Nelson — 5.10 pm, Padiham — 5.25 pm, Burnley — 5.45 pm.

Accrington branch members are asked to ring Thomas Griffin (Tel: Accrington 397973) for departure times, price and any other information.

ANNUAL MEETING
THE first annual meeting of the Burnley Branch of the Supporters' Club will now be held on Friday, 25th February in the Centre Spot, starting at 7.30 pm. (Friday is about the only weekday that we can guarantee no Cup replays).

Anyone wishing to apply for office should write to Trevor Pickup, Secretary, BFC Supporters' Club, Turf Moor, Burnley, no later than seven days prior to the meeting stating name, address, membership number, proposer and seconder. Under no circumstances will any nominations be accepted after the stated deadline.

We urge all members to attend to put forward new ideas, etc. If you are not a member you are welcome to come along on the night and enrol. If you are a member please bring your membership card with you.

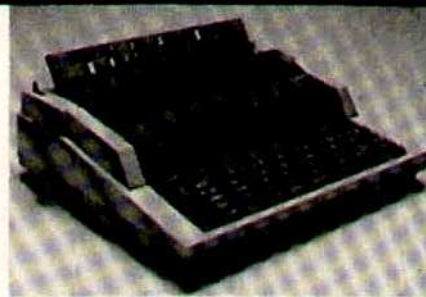

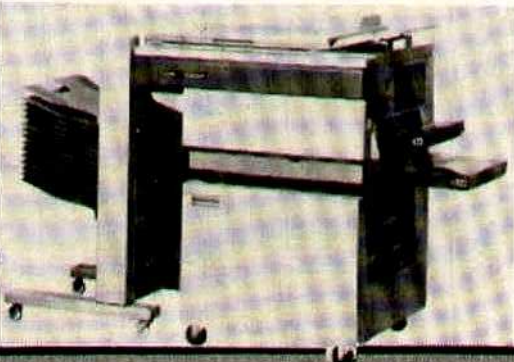

We must remind all members that subscriptions are now due and 1982 membership cards will not be accepted for social functions or away travel.

BRANCHES.
SINCE the formation of the Supporters' club approximately 15 months ago we have gone from strength to strength and now have no less than seven branches (including the Burnley Branch).

The next branch to open will be at Todmorden. A meeting will be held in the Royal George Hotel, Todmorden, around the middle of February. Anyone interested and wanting additional information should contact Andrew Woodall (Tel: Todmorden 5086). See the local press for the date of inaugural meeting.

OUR two Milk Cup semi-final matches against Liverpool will be all ticket games, with a two-tier system of admission prices when the League champions visit Turf Moor on Tuesday, February 15.

We have put up prices to all parts of the ground, but season ticket holders will be able to buy tickets at normal League prices.

Prices for non-members are £5.00 for the Bob Lord stand, £4.00 for the Burnley Building Society stand, £2.50 for the ground covered terrace and £2.00 for the ground uncovered terrace.

But the prices for season ticket holders remain at £3.50 (Bob Lord Stand), £2.90 (Burnley Building Society Stand) and £1.70 for the covered and uncovered terraces.

Our financial director, Mr Derek Gill, says: "We hoped to give special consideration to two categories of supporters — season ticket holders and regular fans."

"We are keeping complete faith with our season ticket holders and they will pay normal prices for league matches, including reductions for children and old age pensioners.

"But we have been unable to find any satisfactory way of differentiating between regular supporters and the casual visitors,

Cup - tie ticket plans

so all other prices have to be the same.

"We think the increases made for non-members are very reasonable, particularly in relation to what happens at other clubs."

RESERVE Notes

TWO more victories, over Sunderland and Preston North End, took Burnley Reserves to their seventh win in succession in a ten-match unbeaten run which has brought them 17 points out of a possible 18 and carried them right into the promotion race in the second division of the Central League.

They beat Sunderland 2-1 on a blustery night. Burnley took the lead when Paul McGee floated a free-kick over the defensive wall into the top corner of the net, but Sunderland equalised less than two minutes later following a sloppy pass in the Burnley defence.

Burnley made the most of the running in the second half, with McGee hitting the post and the Sunderland goalkeeper denying Mark Allen with an excellent save. But Stevenson came to Burnley's rescue, too, with a couple of fine saves.

Burnley's winner came when McGee made a strong run down the left and crossed for Phil Cavener to coolly place the ball past the goalkeeper.

The same combination provided the goal when the Reserves went to Preston and won 1-0. This time the sprightly Cavener made the run on the flank and laid on the matchwinner for McGee.

JUNIOR Notes

BURNLEY A pulled off a fine 2-1 victory at Old Trafford against Manchester United A. Facing the wind in the first half, Burnley missed several opportunities and when the ball was on its way into the net from the boot of centre-forward Mark Allen it stuck in the mud!

Burnley had the strong wind at their backs in the second half, but it was United who went ahead after some hesitancy in the Burnley defence. But Burnley drove forward and equalised 12 minutes from the end when Allen headed Chris Grimshaw's corner into the net. Burnley kept up the pressure and scored the winner when Lee Dixon lashed home a powerful shot from the edge of the area.

Billy Hamilton

THE last twelve months have dramatically changed the life of Billy Hamilton.

He started it as a comparatively unknown Third Division centre-forward, who had gained occasional recognition through his appearances for Northern Ireland.

Even though he had scored a couple of widely-televised goals against Scotland the tall, upright striker was hardly a household name.

But the events of the last year made him not only Burnley's best-known player but also a familiar figure on the world stages.

When a Barcelona newspaper picked out three superstars from the 1982 World Cup and named "Zico, Maradona and Hamilton" it caused a certain amount of surprise around these parts. But the statement gives an indication of the esteem he is now held in abroad.

At £38,000 25-year-old Billy's signing from Queens Park Rangers in November, 1979, must rank as one of the best transfers in the club's history. In the past 10 years it compares with the deals which brought Keith Newton to Turf Moor on a free transfer from Everton and Peter Noble from Swindon for £35,000.

Billy's performances last season, in addition to helping Burnley win the Third Division championship, also led to him being named the club's "Player of the Year".

But those honours were merely a prelude to his summer success when he played a key role in the Irish triumph in Spain. He helped them beat the host country Spain in one of the shocks of the tournament on the way to the second stage and

then scored in the 2-2 draw with Austria.

Billy and his Irish team-mates continued their remarkable giant-killing sequence when they beat West Germany 1-0 in Belfast in the European Championship at the end of last year.

And the Burnley No. 9 was back in the headlines last week as he netted twice in the 4-1 Milk Cup quarter-final victory at Spurs.

Inevitably Billy's form has brought the tributes flowing in. Clarets chief scout Gordon Clayton calls him "the most honest player I have ever worked with."

Carlisle boss Bob Stokoe recently described Billy as "the best centre-forward in the Second Division" and added: "If he had a better scoring record he would be one of the top forwards in British football. He has all the other assets."

Such compliments might encourage some individuals to gain inflated ideas about their own importance. But as anyone around Turf Moor will tell you Billy remains the same quiet, unassuming character he has always been.

If he now assumes an air of assured confidence when he takes on another TV interview it's simply because he's had plenty of practice. That's one of the advantages of fame.

But — famous or not — Billy's attitude on the pitch won't change as he continues to spearhead Burnley's fight for cup success and Second Division survival.

He summed up his approach after the historic win at Spurs when he said: "The whole side worked tremendously hard and that was a key factor in our victory".
