The Tony Barton Column...

AFTER saying last week how important this week was for us, the way the results have turned out has been very disappointing. First we lost to Bury here at home and then we went down at Crewe on Wednesday - each time by the odd goal.

It was even more disappointing that the winning goal in the Bury match came in the very last minute. I feel we have to accept responsibility because everyone hared forward when we were awarded a free-kick close to their goal, instead of paying more attention to holding on to what we have achieved.

Certainly we were not disgraced because we had held them well and really did deserve at least a point.

Then more frustration at Crewe where we went one behind to an early goal that put us with our backs to the wall for a while. We weathered all that only to concede two quick goals early in the second half. Even then we were playing some great football and came back with two goals to open up the match.

Crewe's goalkeeper did a lot to save them and we were pleased to be told by a number of people that we are the best footballing side seen at Crewe for some time. But, just at the moment, everything does seem to be going against us.

Phil Cavener was forced to go off at Crewe early in the second half. He received a painful blow from a knee at the base of the spine and in falling damaged several fingers. He had to go to hospital for treatment and had his ring cut off because his fingers were so swollen. At the time of writing I am waiting for reports on how he is.

So to today's match and welcome to Lou Macari and his Swindon team. The match has become even more important to us. We are left with this match to pick up three points where we were hoping to take all nine from Bury, Crewe and then Swindon.

Next week we look forward to the start of our FA Cup campaign and we will be meeting V.S. Rugby from the Southern League here next Saturday in the first round. We know that they have a good record in various Cup competitions and we expect a big crowd because the Rugby people are excited about their first-ever match against a League club.

They plan to bring up to 2,000 supporters. We will hope for about the same number of our own so it should be a great atmosphere. We will be going all out for a result at the first attempt and to avoid any replays on non-league grounds.

There is an added incentive in that V.S. are at the moment under the spotlight from BBC Radio 2 as part of their "Wembley to Wembley" feature. The BBC started out following Wembley Town and once they were beaten switched their attention to the team that knocked them out.

So they are following the pattern through. Rugby took over when they beat Stourbridge, and if we can beat them, then it will be our turn to be followed by Radio 2.

TOWN LAGER

"I'll have a pint of Carlsberg — the Town lager!"

Northampton has a brewing history as proud as any other, and Northampton people can feel proud their local brewery has an international reputation.

Lager brewed in Northampton is sold in every part of the British Isles, and there are not many towns which can say that about their "local brew".

Its success is due to its taste, quality, and as far as Special Brew is concerned, its strength. The fact that the "Town" lager has a Danish heritage, is also one of the attractions of Carlsberg.

Carlsberg is different, not only because of its Danish pedigree. Carlsberg Pilsner, Export and Special Brew are our products... and notice, we specialise and brew only lager... and probably the best lager in the world, at that!

Carlsberg are proud to be able to support the Town Football Club, The Cobblers, and are equally pleased to be associated with other sports in the county.

The Carlsberg Football Supporters Club lead by 3 of our employees; Peter Blake, John Clarke and Roger Wright is a fine example of the way in which a link between Carlsberg and local football has developed. These employees go to great lengths to further the interest of the Club amongst their colleagues at our Brewery.

In Retrospect

SWINDON TOWN

SWINDON have met Northampton more times than any other club, 114 times, in the Southern League, Divisions 2, 3, 4 and Three South, the Three South Cup, the F.A. Cup and the League Cup (Milk Cup).

Swindon come out on top in all these meetings but that was not always the case. Cobblers won the first four encounters including an 8-0 win.

In 1908 the Cobblers won the Southern League and Swindon were runners-up, two seasons later the roles were reversed.

Again, when Northampton won the Third Division in 1962, Swindon were in second place. The very first game that was abandoned involving the Cobblers was against Swindon, in 1903.

After the war, Swindon were the first visitors to Northampton, the Wiltshire club were managed by Lois Page, the ex-Cobbler. By winning 4-1 Northampton headed the Third Division table, for that one game, they ended the season lower than Swindon. Two players known to both clubs were Herbert Chapman, better known for his managerial expertise, and Edward Lloyd Davies, the Welsh International who Northampton bought from Swindon, the first time the club paid a fee for a player.

All Our Yesterdays

FIFTEEN YEARS AGO:

A WEEK after picking up a useful point at mid-table York we disappointed our fans by losing 1-0 here to Chester on November 8, 1969 with ALAN TARBUCK getting a second half winner. Teams:

NORTHAMPTON: Book; Fairfax, Brookes; Clarke, Rankmore, Kiernan (Weaver), Felton, Ross, Large, Fairbrother, Fagan.

CHESTER: Carling; Cheetham, Birks, Sutton, Turner, Bradbury; Dearden, Tarbuck, Webber, Draper, Provan.

Attendance: 5,659.

Amongst the front runners ARFON GRIFFITHS netted a penalty in Wrexham's 2-0 win over Notts County and DAVID GWYTHYR opened the scoring in Swansea's 3-0 win over Crewe while in Division Two Swindon went down 2-0 at Birmingham, their team at that time including PETER DOWNSBOROUGH in goal, JOHN TROLLOPE and STAN HARLAND in defence and JOHN SMITH, ARTHUR HORSFIELD and PETER NOBLE up front.

In Division One Liverpool were held to a goalless draw by Wolves at Anfield. DENIS LAW got Manchester United's matchwinner at Coventry and two present-day managers, EDDIE GRAY and JOHNNY GILES were on the mark in Leeds' 4-0 win over Ipswich.

TEN YEARS AGO:

JUST five years later on November 9, 1974 we beat Chester 2-0 here in a battle between two clubs on the edge of the Fourth Division promotion race. BARRY TUCKER netted a penalty in the first half and ROBIN WAINWRIGHT got a second after the break. Teams:

NORTHAMPTON: Starling; Tucker, Oman, Gregory, Robertson, John, Farrington, Best, Mabee, Wainwright, Stratford.

CHESTER: Milington; Edwards, Loska, Storton, Matthewson, Mason, Whitehead, Owen, Draper (Moore), James, Lennard. **Attendance:** 5,240.

Swindon picked up a point in a 1-1 draw at relegation haunted Brighton to stay in third place in Division Three, FRANK BURROWS getting their goal while Manchester City took over the leadership of Division One with a RODNEY MARSH matchwinner against Stoke. This was made possible by Arsenal's spectacular 3-1 win at Anfield where all the goals came from midfielders, namely ALAN BALL (2) and LIAM BRADY for Arsenal and RAY KENNEDY for Liverpool against his former colleagues.

FIVE YEARS AGO:

WE picked up a point from a goalless draw at Darlington on November 10, 1979 in a gem between two clubs on the edge of the Fourth Division re-election zone, the teams being:

DARLINGTON: Owers; Clark, Cochrane, Ball, Craig, Smith, McLean, Charlton, Craig, Taylor, Ellis.

NORTHAMPTON: Poole; Walker, Sandercock, Byatt, Waldock, Farrington, Saunders, Denyer, Sargent, O'Donoghue, Farmer. **Attendance:** 1,559.

BRIAN WILLIAMS got the Swindon goal in a 1-1 draw at Mansfield that kept them in fifth place in Division Three while in Division One MICHAEL ROBINSON got one of the Manchester City goals that enabled them to win the derby game against neighbours United and so enabled Liverpool to take over the leadership with KENNY DALGLISH getting two of the goals in a 4-1 win at Brighton. There was one remarkable Second Division scoreline namely Orient 3 Chelsea 7 with LEE FROST getting a hattrick.

COLIN BAILIE (full-back): Born Belfast. A former apprentice he made his league debut at Oxford United in April, 1982 but began to claim a regular place in the side the following season. He became an established member of the team last season at the end of which he had made 71 appearances and can fill either full back position or play in midfield.

LEIGH BARNARD (midfield): Born Worsley. Served his apprenticeship with Portsmouth making his league debut at Exeter City in September, 1977. He made 89 appearances for Pompey plus 4 on loan to Peterborough United before signing for Swindon in July 1982. An enthusiastic player always in the thick of the action he can play in any midfield position but is, perhaps, best wide on the left. Made 92 appearances for Swindon to the end of last season.

PAUL BATTY (midfield): Born Doncaster. A former Swindon apprentice who made his league debut against Crewe Alexandra in September 1982. He quickly became a regular in the centre of midfield and had made 91 appearances to the end of last season. Although short for a professional footballer he makes up in determination for his lack of inches.

SCOTT ENDERSBY (goalkeeper): Born Lewisham. He appeared in an F.A. Cup tie for Kettering Town at the age of 15 but served his apprenticeship with Ipswich Town where he won an England Youth Cap. He moved to Tranmere Rovers in the summer of 1981 and made his league debut against Hereford United in September 1981. He made 91 appearances for the Birkenhead club and joined Swindon in July 1983. He made 40 appearances last season and won the Supporters Player of the Season award with some spectacular saves.

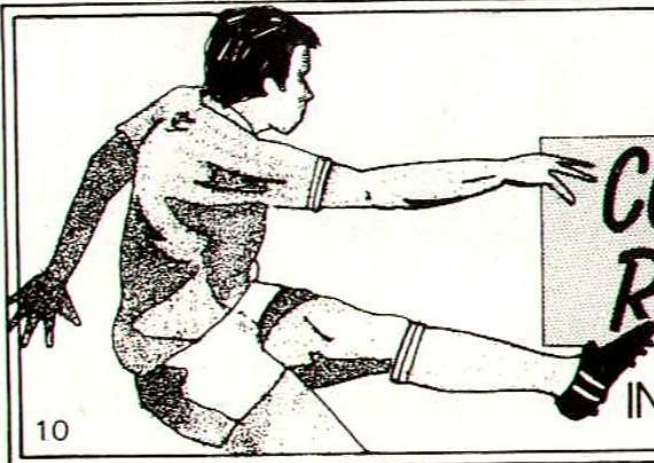

SIMON GIBSON (defender): Born London. Although born in London Simon is a former Scottish Youth International. He served his apprenticeship with Chelsea but limited opportunities there led him to join Swindon, initially on loan, in October 1983. He immediately made his league debut against Colchester United and had 367 appearances to his credit at the end of last season. Strong centre-half, good in the air.

LOU MACARI (midfield): Born Edinburgh. Swindon's player-manager appointed in July, 1984 after a distinguished career with Celtic, Manchester United and Scotland. He joined the Old Trafford club in 1973 after over 50 appearances for Celtic and went on to make around 390 appearances for United. He also gained 24 Scottish caps. Originally a forward he has played more in midfield in recent years but continued to score goals regularly.

ALAN MAYES (forward): Born London. Alan is in his second spell with the club having resigned in July 1983 after 76 appearances for Chelsea. He began with QPR but only made his league debut (against Port Vale) after a move to Watford. He made 155 appearances there (plus 10 on loan to Northampton) before coming to Swindon in February 1979. He made 112 appearances before moving to Chelsea in December 1980. A mobile striker whose skills enable him to make as well as take chances he made 43 appearances last season.

GARRY NELSON (forward): Born Braintree. Garry's only previous club was Southend United for whom he made his league debut against Colchester United in October 1979. He went on to make 140 appearances for Southend and joined Swindon in July 1983. Basically an old fashioned left winger who likes to get past his full-back, he made 43 appearances last season.

ANDY ROWLAND (forward): Born Derby. Although Andy began with Derby County it was not until he moved to Bury that he played first team football. Made his league debut at Swindon in August 1974 and a total of 203 appearances for Bury before moving to Swindon in September 1978. A consistent goalscorer for much of his career the last couple of seasons have seen him make a number of appearances at centre-back. He has also been the team's emergency goalkeeper and has performed well in that role on several occasions. With 264 appearances for Swindon to the end of last season he is the club's senior professional and before this season began, his career goals scored totalled 161.

He joined Swindon in July, 1981 and had made 125 appearances at the end of last season when he was given a free transfer under the Freedom of Contract rules but re-signed in August, 1984. Most of his appearances have been alongside the centre-half but he has also played at full-back and in midfield.

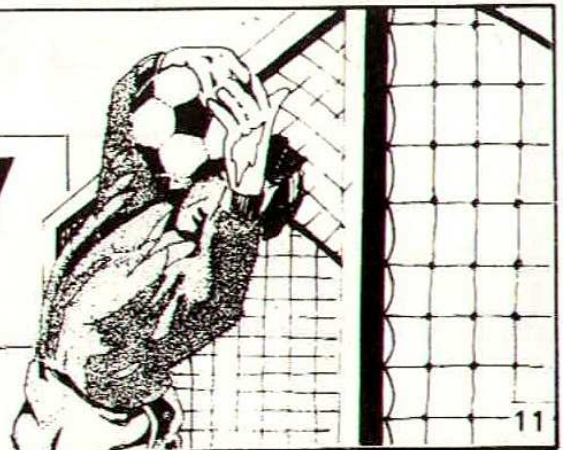

NIGEL GRAY (defender): Born Fulham. An experienced defender with 262 appearances for Orient, his only other club, plus 3 on loan to Charlton Athletic before joining Swindon in July 1983. Basically a centre-half he has also played full-back and, for Orient, in midfield but last season was a disappointment for him with only 16 appearances and a period on loan to Brentford.

Away the Lads...

ON Friday, November 23 we are due to travel to Merseyside to take on TRANMERE ROVERS, and for those of you planning a trip to support us, here is a route to the ground kindly supplied by the Automobile Association.

Leaving Northampton on the A45 follow signs for Weedon, Daventry and in five miles join the M1, signs Birmingham, The North. Then branch left at Junction 19 to join the M6.

At Junction 20 branch left, signposted Birkenhead, to join the M56. Then, at Junction 15 (M53, Northbound) branch left following the signs for Birkenhead to join the M53.

At Junction 5 (A41) go forward, signposted Liverpool and at Junction 4 leave the motorway and at roundabout take fourth exit B5151. In 2.5 miles turn right into Prenton Road West for the Tranmere ground.

Division Four Scene

MOST prolific scorer in recent weeks has been **PORT VALE'S** former Everton wing man **EAMON O'KEEFE**, whose hat-trick against **SOUTHEND** on Monday took his tally to seven in his last six games and lifted his side into sixth place in the table while **BOBBY MOORE'S** men are dangerously near to the re-election zone and have now lost four away games in a row conceding 14 goals in the process.

They have also lost on each of their last three visits to Vale Park, scoring one goal against eight.

Currently providing plenty of goals on their travels are **BLACKPOOL**, just 10 days after going down 3-0 at **TRANMERE** they won 4-1 at **SOUTHEND** in what was their biggest away win since their 4-0 success at **YORK** in October 1981.

If 'Pool are going to make an impact in the promotion race this season one club that they are likely to come up against is **PETERBOROUGH**, whose 2-1 win over **CREWE** on Saturday maintained the only 100% record in the whole of the Football League.

Peterborough have now beaten **Crewe** on all 13 Football League visits since coming into Division Four in 1960 though **Alexandra** made a close fight of this match, finally going down to a late goal from **TREVOR SLACK**.

Crewe had won all their previous four games and another team currently going well as a contrast to so many re-election battles are **DARLINGTON**, whose 2-1 win over **CHESTER** was their third home success in a row and their sixth game in succession without defeat.

Their last defeat was at the hands of **HARTLEPOOLS** at the beginning of October and since then 'Pools have extended their unbeaten run to eight games, a run of success that won manager **BILLY HORNER** the Fourth Division Bells' Whisky award for October.

Meanwhile at the top of the table **HEREFORD** lost their place to **BURY** for whom **KEVIN YOUNG** got an injury time matchwinner here at **NORTHAMPTON**, this being the **Shakers'** fourth win in seven away games.

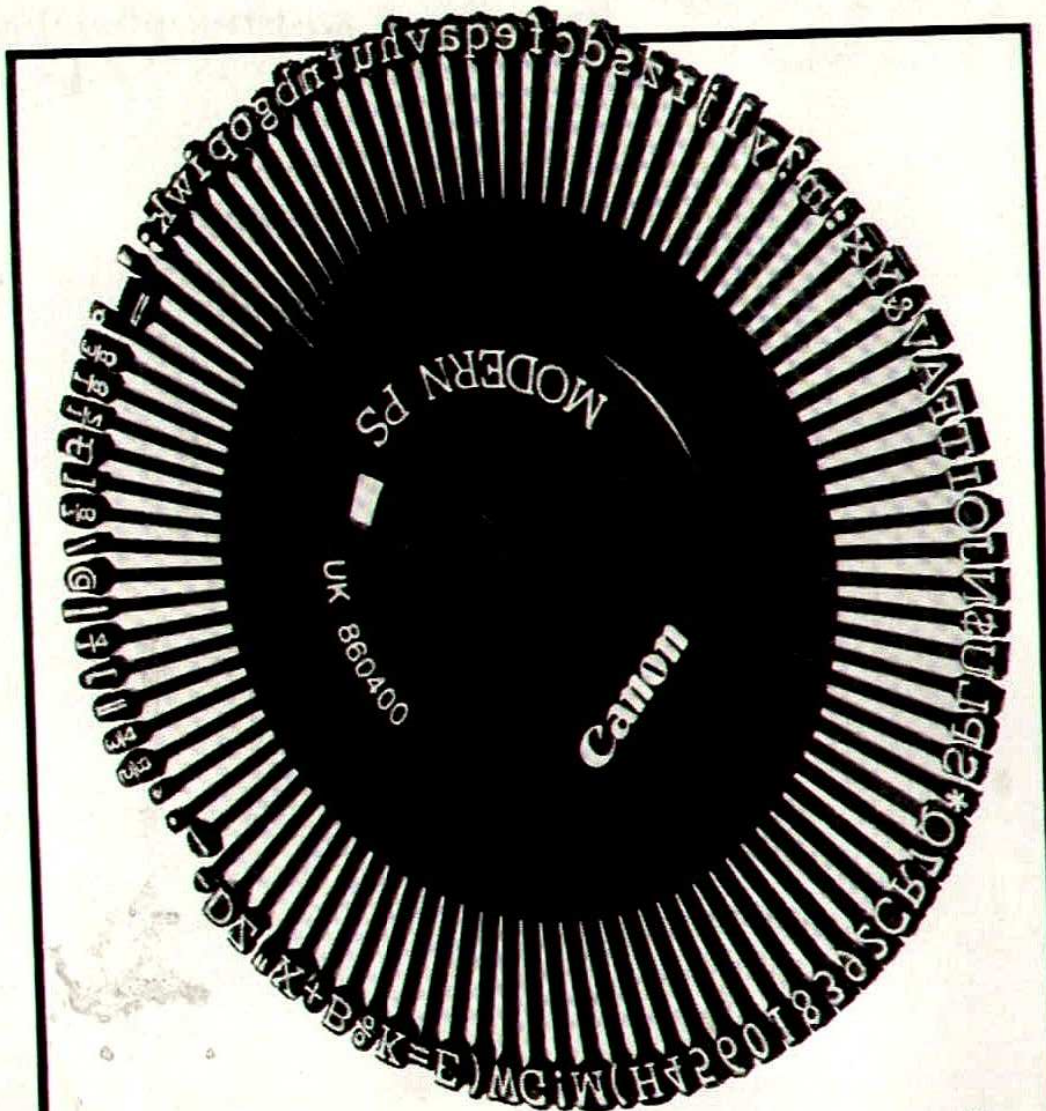

Hereford have now lost three of their last four away games while **TORQUAY'S** win over them ended a run of three successive defeats and owed much to **TONY CURRIE**, who got the only goal of the game, his first for **Torquay** over 17 years after his first ever Football League goal in his early **Watford** days.

Another player in his 17th season in the Football League, **ERNIE MOSS**, got **CHESTERFIELD'S** goal in the 1-1 draw with **COLCHESTER** for whom **TONY ADCOCK** got his 14th goal of the season to keep him in the sights of a number of First Division clubs.

Meanwhile **YORK CITY**, who won promotion from Division Four last season, hammered **GILLINGHAM** 7-1 to lift them into the Third Division promotion race this being their biggest win for 20 years.

HERE is a club group for your scrapbooks - and the players are wearing the brand new shirts carrying the slogan - "Expanding Northampton". This is part of a sponsorship deal with Northampton Borough Council that is very much welcomed by the club. The line-up is - back (left to right) - Tony Barton (manager), Phil Cavener, Paul Bancroft, Peter Gleasure, Russell Lewis, Frankie Belfon, Richie Norman (coach). Middle - Ian Benjamin, Michael Barnes, Wakeley Gage, Geoff Scott, Trevor Lee. Front - Ray Train, Adrian Mann, Austin Hayes.
