Cyril Knowles

Welcome to this afternoons game against Swindon Town, our first Sunday encounter during the present season. To those of you who are visiting Feethams for the first time may I say that I sincerely hope it will not be your last visit during 1984/5!

Last Saturday we made the trip south to Peterborough United for what appeared to be on paper perhaps our most difficult journey of the season to date, having regard for Peterborough's 100% home record. It goes without saying that I am delighted they no longer have their record intact whilst our unbeaten away record still stands, and those of you who made the journey can only agree that we did enough in the second half to have come away with maximum points. However it was not to be, but more importantly we still remain well in contention, nicely poised to regain the top spot.

As we approach Christmas, we enter a crucial stage of the season with four of our next six Canon League games to be played away from Home after today. With this in mind, may I again appeal to you, our supporters, to give us your support from the terraces as you did so magnificently at Halifax, and, more recently at the London Road Ground last Saturday. It does indeed lift our players, who are working flat out to repay you.

When I say four of our next six games shall be played away from Home, this may not strictly be true provided that we can overcome Frickley next Saturday, and lady luck plays her part in the Third Round Draw. No, I am not underestimating our non-league opposition, and our visitors today will agree that it would be foolish to do so. Hopefully, I will have had the opportunity to watch Frickley play yesterday, and we shall be well prepared for our second round tie. I have already emphasised the importance of a good cup run.

However, firstly we must concentrate on the business at hand, and I shall be looking for maximum points this afternoon to consolidate our position. The lads have worked hard this past week, and I am again bound to say that they are maturing a little more as each match passes — there is still room for improvement and we shall continue to work hard.

Finally I would take this opportunity to record my thanks to Steve Senior for his contribution whilst with us on a months loan from York City. Steve has now returned to York, and I, on behalf of the lads, wish him every future success.

FURTHER FEETHAMS FANTASIES

You may recall in our programme v Wrexham that L. Wood of Spennymoor submitted an article entitled "2001 - A Feethams Fantasy". Here is a follow-up article

Quaker fans will recall that by season 2001/2 Darlington are competing in the European super league. A miscellany, taken from Quakers in-match album for a fixture against Reykjavik in January 2002, is reproduced below.

WHERE ARE THEY NOW?

Quakers fans often ask me what became of the players from our Fourth Division days back in the eighties. Well, of course, Fred Barber and Mitch Cook are still with us, but I've managed to trace a few for you.

Peter Skipper former Quaker and Hull City Captain. Skipper now owns his own Seafood business called "Skipper's Kippers".

John Craggs Now a golf pro on the American circuit.

Dave Speedie former Quaker star and Scottish International. Well Dave's still playing - in non-league soccer. He has just signed for the 'Sunday Post Oor Wullie All Stars'.

Kevan Smith runs his own school of dancing in Stockton High Street, why not go along?

Kevin Todd manages a holiday camp in the Algarve. You may have seen him on T.V. adverts: he's the one with a golden tan.

SOCCER CHATTER

"Much travelled veteran, George Best, is on the move again. He announces, at the Metropolitan Police reunion dinner, that he is leaving his present club, Distillery, to join Aussie outfit Woomera Rockets. The fee - two crates of Fosters".

"Dame Margaret Thatcher and husband Dennis were guests at our last home match against Dynamo Kiev. Son Mark was also expected but unfortunately he took a wrong turning in Leeds and ended up at Workington. Also at the match Tony Benn, Darlington's M.P., who was most impressed with the Russian left winger".

"Hartlepool's new centre forward, "Chip" Monk, has got it all says Manager Horner - his only weakness is his liability to get up if he falls on his back".

"Former West German supremo, "Fritz" Kreisler, has returned from Saudi Arabia to face charges of fiddling".

"A match between "Grasshoppers of Zurich" and "Gay Young Boys of Berne" ended in farce when a Grasshopper jumped over the bar after a tackle from behind".

"F.A. Secretary, David Thorne, has been awarded a bar to his M.B.E. in the New Year honours".

"ITV sport supremo and Aldershot chairman, Jimmy Greaves, has appointed Mike Yarwood to front the 'World of Sport' soccer spot with Ian St. John. Jimmy will continue to write the gags".

"Quakers pre match meal of caviare and champagne is to be changed, at the player's request, to cod, chips and pop".

EUROPEAN SUPER LEAGUE SCENE

"Today's visitors Reykjavik, are finding life tough at the top. Currently bottom, they can't be fancying their chances today against unbeaten Quakers. It looks like we'll figure in the championship play offs for the third consecutive season to be joined, probably, by any three from Benfica, Juventus, Liverpool, Dynamo Kiev or Bayern Munich. Incidentally if Reykjavik finish last and are eliminated, a Northern European club will be balloted in, there being no other suitable Icelandic team. The champion clubs of Britain, Russia, West Germany, Poland and Benelux will qualify for the ballot. We might even have a North-East derby because Sunderland are pressing for the British Championship along with Sheffield City, Glasgow United, Birmingham Villa and Aldershot. Lets hope Sunderland win both the Championship and the ballot otherwise it might be a trip to somewhere like Dynamo Toilisi. Our home derby with Liverpool next month will be all-ticket. T.V. rights have been bought by 35 countries so far".

CLASSIFIED ADS

"Football Coaching, Penalty Kicking a Speciality - Dave, Feethams Centre".

"Nose Flute Lessons - B. Manilow, Hollywood".

"Ballet and Tap Lessons - K. Smith, Stockton 222, 222".

"Second Hand Gold and Jewellery bought and sold. Try me first for best prices - Rons, Trafford Park, Manchester".

"Spurs Memorabilia - Cyril, Box 1".

"Miners' Lamps, any number - Box 25, Sheffield".

"WANTED - Football Stand - Victoria Ground, Hartlepool".

"Unused Season Ticket £1/50 o.n.o. - Box 18, Boro".

CONGRATULATIONS KEV

Well done Kev Smith on achieving your 250th League game for Darlington this afternoon. Kev made his debut for the club v Torquay, away, 29th September 1979. Here's to the next 250!

FEETHAMS SUNDAYS

This is the fifth season that Football League games have been able to be played on Sundays under normal conditions, although there were a number of Sunday games during 1974 owing to the power crisis. The Quakers of course set the ball rolling almost five years ago when we were the very first club to take advantage of the new legislation and stage a Sunday game. Mansfield Town were the visitors that day on 15th February 1981 when amid national press and television coverage (highlights were on the news) we attracted a crowd of 5,932 - treble our previous home gate! At the end of an exciting game the scores were level at 2-2, with Ian Hamilton (penalty) and Alan Walsh doing their Sunday best. We staged two more Sunday games that season beating Hereford United in March and Torquay United in April.

The following season we again staged a trio of games in the spring of 1982 beating York City and Crewe Alexandra, but losing to Hereford by a single goal. Since then two seasons have gone by without us having a league game at home on a Sunday. However we have staged three most attractive Sunday games during this time with the visitors being Southampton, Nottingham Forest and Newcastle United (if only they had been league games!).

Southampton came to us on Sunday 18th April, Kevin Keegan and all, for a match to raise money for our Centenary Appeal. A crowd of 9,415 saw a tremendous game with Dave Speedie hitting a superb hat trick. The following season Brian Clough's Nottingham Forest side paid us a visit on 24th April 1983 for a challenge match to mark the club's centenary. Then last May, Newcastle United (Kevin Keegan again) came to play in a Testimonial game for David Barton, only the day after the Magpies clinched promotion to Division One. So recently we have enjoyed some pretty good Sunday action.

Looking back ten years to the power crisis of 1974, we find that the Quakers played four matches at home between the end of

January and mid-March, when floodlights were unable to be used. A goal-less draw with Torquay was followed by wins over Scunthorpe and Bradford City, before our worst Sunday defeat by Lincoln City, 0-3. So our Sunday league record at Feethams is:

P10 W6 D2 L2 F14 A9

Frank Tweddle

F.A. CUP DRAW

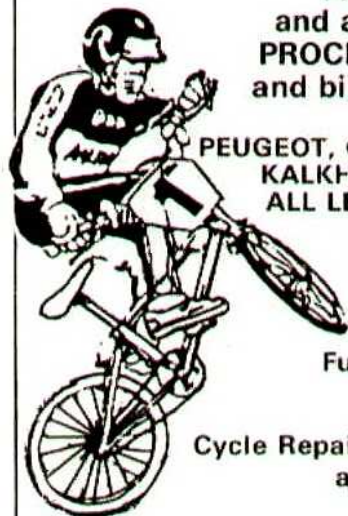

After three non-league opponents last season in the F.A. Cup in Mossley, Altrincham and Maidstone we have again drawn a team from outside the Football League. This time it is Frickley Athletic of the Gola League, who disposed of Stalybridge Celtic in round one to reach the second round for the first time ever. Formerly known as Frickley Colliery they changed their name to Athletic in 1974 and later joined the Northern Premier League, before entering the Alliance Premier (now Gola) League in 1982. Their ground, Westfield Lane, is situated in South Elmsall, near Pontefract.

ENCOUNTERS

The two great railway towns of Swindon and Darlington meet for only the fourth time in league competition here at Feethams this afternoon. Yet it was over seventy years ago in the times of the Great Western and North Eastern Railways that the sides first met in the F.A. Cup, before either were members of the Football League. This was in 1910/11 when Darlington made history by playing eleven games in eight rounds from the first qualifying round to the last sixteen. Both minnows had had their moments in earlier rounds as the Quakers had knocked out First Division Sheffield United, while Swindon had accounted for Woolwich Arsenal, as the First Division side were then known. So North Eastern League Darlington met Southern League Swindon on 26th February 1911 for a place in the quarter finals. Nine thousand packed Feethams that day and the majority went away disappointed as Darlington slumped to a 0-3 defeat.

Another fifty two years passed before we met again; this time in the Football League Cup second round in September 1962 at the County Ground, Swindon. Again Darlington were on the receiving end going down heavily 0-4. Only three years later we were paired again at the same stage of the competition, but this time at Feethams. Goals from Bryan Conlon and Jim Lawton (transferred to Swindon after the game in part exchange with Alan Sproates) saw the Quaker's through, and gave us our first win over Swindon at the third attempt.

The first league game between the clubs came in the 1966/7 season when we were promoted to the Third Division. Our first away game was down in Wiltshire in August 1966 when again we suffered a 0-4 defeat. The return game at Feethams on New Year's Eve of that year gave us some revenge when we triumphed by two goals to one. Swindon Town remained in Division Three at the end of that season and we did not meet again until they finally fell into the Fourth for the first time in 1982. We recorded the double over them in 1982/3 winning at Feethams by a single Alan Walsh goal, and then recording our first ever win at the County

Ground in March 1983, when an own goal by keeper Jim Allan and a tremendous 25 yarder from Dave McLean gave us a fine 2-1 win. Last season we repeated our 1-0 home win in September 1983 with Alan Walsh again being on target, this time from the penalty spot. However our trip to Swindon in April saw us go down to a single Leigh Barnard goal.

Now the overall record stands at five wins to Darlington and four to Swindon in league and cup, without a draw ever being played.

SWINDON TOWN AWAY THIS SEASON

Swindon started their away campaign here in the North East with a 2-2 draw at Hartlepool on 1st September. Although they then won at Bristol Rovers in the Milk Cup 1-0, it was to no avail as they had lost their home leg 1-5. They next won at Tranmere, but since those first three games have had mixed fortunes away from the County Ground. Only one more win has been forthcoming at Rochdale, while defeats have been suffered at Bury, Crewe and Northampton. Draws have been forced at Mansfield, Exeter and Dagenham in the F.A. Cup, but again to no avail as the non-league side won the replay at Swindon last Monday in extra time.

Quakers' 'keeper Fred Barber is seen organising his defence during last Saturdays away game at the London Road Ground v Peterborough United.
