JOHN NEWMAN'S NOTEBOOK

Our results have lacked consistency in the past three weeks but I suppose that it is understandable as we have played teams from the First, Second, Third and Fourth Divisions in the space of 15 days.

After our defeat at Highbury we bounced back in great style when we visited Cardiff City but then gave a disappointing display at Port Vale.

I think we let ourselves down badly at Vale Park but on Wednesday we regained some of our pride when we drew 1-1 with Third Division Bristol City in the first leg of the Freight Rover Trophy.

We created the better scoring chances and though our finishing did not match our approach work it was a good result against a team that had won on every previous visit to Edgar Street.

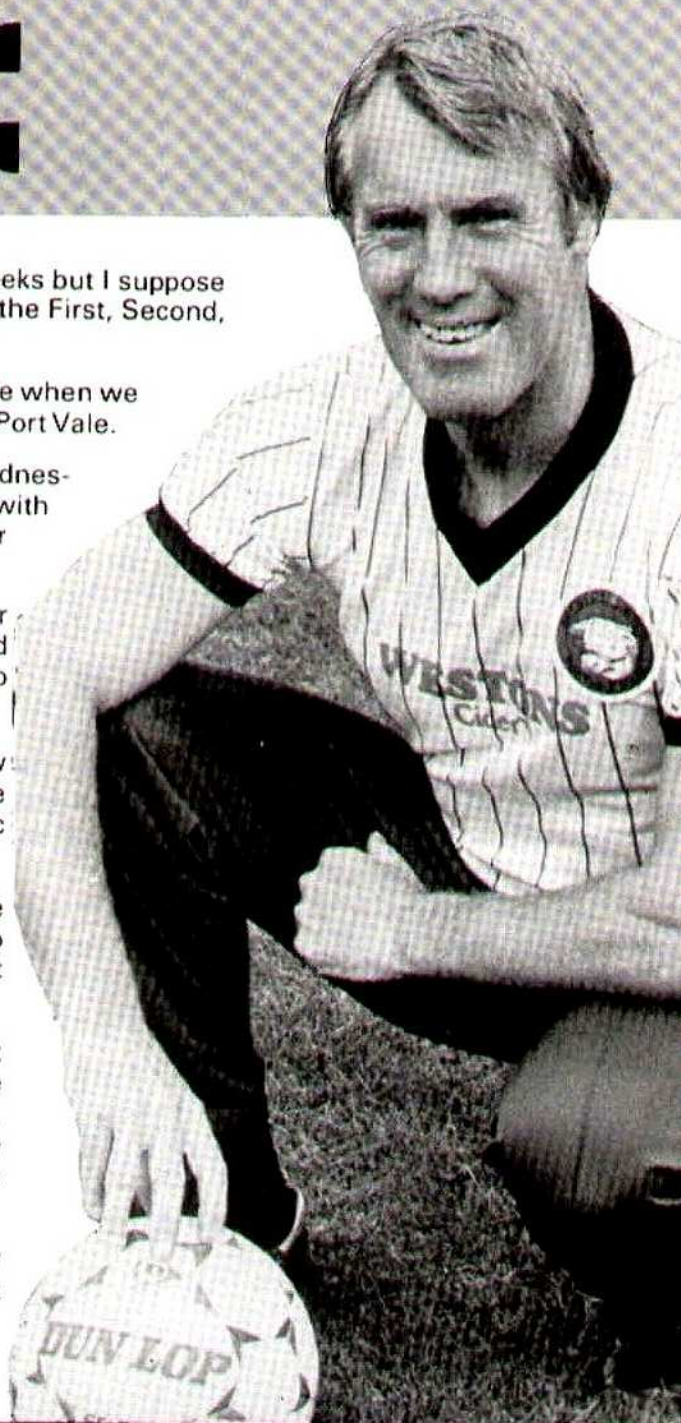

I thought, however, that the attendance of 2,690 fell below expectations in view of the calibre of the game but so far the Freight Rover competition has not yet caught the public imagination like the Milk Cup and the F.A. cup.

Mind you it took some time before soccer fans accepted the Milk Cup so lets hope that the Freight Rover Trophy will also eventually get the support it deserves for a competition that takes the finalists to the hallowed corridors of Wembley.

We are grateful to Freight Rover for their sponsorship but there are times when we must consider what is best for the game and money isn't always everything. It helps, however, to keep us on an even keel and we certainly appreciate the extra cash that was produced by our successful run in the F.A. cup.

Nevertheless the league is our bread and butter and after our reverse at Port Vale last week it is important that we get a good result this afternoon.

All the best, JOHN

WELCOME TO EDGAR STREET

SWINDON TOWN have failed to make their mark since slipping into the Fourth Division for the first time the season before last.

They finished eighth at their first attempt to regain a place in the Third Division and last season they slipped to 14th place.

They are currently in the top half of the table but have failed to play with any degree of consistency as demonstrated when they beat promotion contenders Chesterfield 4-0 on New Year's day and then lost by the same margin when they visited bottom-of-the-table Wrexham four days later.

They also beat Blackpool 4-1 and then went down by four goals to Northampton, one of the current re-election candidates.

The Robins were formed over 100 years ago in 1881 and have had two spells in the Second Division but have spent most of their life in the Third - a total of 56 seasons out of 64.

The club's glory year was in 1969 when they reached the final of the Football League Cup as a Third Division club and toppled mighty Arsenal at Wembley, winning 3-1 in extra time. At the end of the season they also gained promotion to the Second Division.

The Robins have enjoyed more cup glory than most clubs in the lower bracket of the league and during their early years when in the Southern League they twice reached the semi-finals of the F.A. Cup.

Only four years ago they also reached the semi-finals of the league cup after beating Arsenal again in a replay. But they were then eliminated themselves by Wolves, the eventual winners, in a replay.

This season, however, they were eliminated by Bristol Rovers in the two leg first round and also made an early exit in the F.A. Cup when non-league Dagenham beat them 2-1 after a goalless draw.

Made his league debut for Tranmere Rovers against Hereford United in September 1981 and played 91 league and cup games for the Birkenhead club before joining Swindon in July 1983. He was voted the supporters' player of the season last term when he missed only a handful of first team games.

UNITED will be aiming to register their first double of the season this afternoon having beaten SWINDON by three clear goals when the teams met at the County Ground in September.

After a goalless first half STEWART PHILLIPS (2) and PAUL MADDY snapped up the goals that gave United an impressive victory.

The last time they achieved a league double over the Robins was during the 1975-76 season when they went on to win the Third Division championship.

But honours are so far even in the previous 11 league games between the clubs, both teams having gained five wins apiece and scored 13 goals each.

OLLIE KEARNS and Phillips scored the goals when United beat Swindon 2-1 at Edgar Street last season.

★ ★ ★

United have re-arranged their three outstanding league matches which were postponed due to the bad weather last month and also the club's successful F.A. cup run.

They have arranged to visit Stockport County on Monday, 11th March and will entertain Rochdale on Wednesday, 3rd April and Crewe Alexandra on Wednesday, 24th April.

They will be playing twice a week for the remainder of the season and April looks like being a particularly busy month with a total of five home games.

★ ★ ★

United have been drawn to visit SWANSEA CITY in the quarter-finals of the Welsh Cup

following their runaway 4-0 win over CARDIFF CITY at Ninian Park last week.

Swans have never been beaten by United in six matches between the clubs and have chalked up four successive wins at Vetch Field and drawn twice at Edgar Street.

In the other quarter-final matches NEWPORT COUNTY have a home tie with WREXHAM, the holders SHREWSBURY visit RHYL and BANGOR CITY entertain TOWYN.

★ ★ ★

All-round sportsman STEVE EMERY has been elected captain of Ledbury Cricket Club for the coming season.

Steve, who celebrated his 29th birthday on Thursday, has played for the town club since he left school and his aim is to take them back into the top division of the Hereford and District League.

★ ★ ★

Former United goalkeeper KEVIN CHARLTON has played a prominent role in helping Telford United to become only the fourth non-league club since the war to reach the fifth round of the F.A. cup.

During four years with Telford he has only been on the losing side twice in 15 cup matches against Canon League opposition - a record unrivalled in non-league soccer.

Next Saturday when he plays against EVERTON at Goodison Park the First Division club will include one of Kevin's former United colleagues KEVIN SHEEDY in their line-up.

BRIAN HILL, of KETTERING

commenced refereeing in 1965 and progressed by way of the United Counties and Southern Leagues to the Football League. He refereed the 1983 F.A. Challenge Trophy final at Wembley and also an F.A. County Youth Cup final in addition to schoolboy internationals. Married with two children he is a wages-cost accountant in the building trade and he enjoys watching all sports and listening to music.

IMPRESSIVE START NOT MAINTAINED

SWINDON TOWN lost only two of their first seven away Fourth Division matches collecting nine points from wins at TRANMERE and ROCHDALE in addition to draws at HARTLEPOOL, MANSFIELD and EXETER.

But since they won 1-0 at Rochdale on November 3rd they have suffered five consecutive defeats, scoring only two goals against 14.

Last week they went down 2-0 at CHESTER and in their previous away league match they crashed 4-0 when they visited bottom-of-the-table WREXHAM.

Next Wednesday HEREFORD UNITED visit Chester, who have started to climb the table by winning three of their last five league matches after winning only three of their first 20 encounters.

Last Saturday they shared the honours when they held high-riding BLACKPOOL to a goalless draw, and a fortnight ago registered their best win of the season when they crushed SOUTHEND 5-1.

SUPPORTERS' CLUB

Chairman: John Rogers Vice-Chairman: Les Humphries Secretary: Clive Terry Treasurer: Les Savory

Today is the final day to enter the Sportsmans Club's annual indoor games competitions.

The entry fee is 50p and Mick Reece is in charge of the pool tournaments, Ted Strange and Bernard Jones are organising the skittles, Frank Lloyd is the cribbage chief and P. Gwynne is in charge of the darts.

It is back to normal after United's lucrative F.A. cup run but complaints are still being received about the way supporters were treated when they visited Highbury.

On behalf of the HUSC committee and club members secretary CLIVE TERRY last week wrote to Arsenal's managing director KEN FRIAR.

He wrote, "As fellow members of the National Federation of Football Supporters Clubs we at Hereford were disgusted by your club and its stewards at the recent F.A. cup replay."

He pointed out that supporters were not able to sit in reserved seats and claimed, "It would seem from the general attitude of your club that we were not going to be made welcome."

He asserted that Arsenal had not come out of the replay with any credit and added, "A First Division club you may be but your organisation and hospitality is not even non-league."

★ ★ ★

It was also unfortunate that the train trip to London did not go according to schedule but

contrary to certain assertions there was no damage done to the vehicles.

There were instances when some youngsters stepped out of line but committee-men who were in charge of the carriages quickly restored order.

Taking everything into consideration the two trips arranged by HUSC to Plymouth and Highbury were well organised from the club's point of view.

★ ★ ★

When United previously entertained Arsenal one of the London club's supporters lost his London underground pass which was in a red wallet.

If anyone found it could they please return it to Lawrence Emanuel, of 27, Carlton Avenue, Oakwood, London N14 4TU.

Hereford United's next away match is at Chester and there is extensive parking at the ground and also catering facilities inside. The route recommended by the Automobile Association which involves a 91-mile trip is:
