WELCOME TO THE SHAY

MANAGERS NOTES

IT seems a bit ironic that our last three games of the season, all at home, are against sides already promoted to Division Three and tonight's visitors Swindon are the best by a mile. Largely because they have great potential, great crowds and are capable of competing financially with nine tenths of the Third and Fourth Division.

The particular aspects I've mentioned must give their manager Lou Macari great strength. Managers reign in football from two positions, strength and weakness and Lou is probably in the strongest position of the lot of us, mainly because of the credentials of his club plus his own achievements so far. He will certainly go down in history as the only manager to be sacked, re-instated and go on to win the Championship.

I've been in Lou's position. Previously in my career and I've enjoyed every minute and Lou will do the same. I've had my good times and now I've got to endure something I'm not used to but you won't hear me moaning, not publically anyway.

I would like to congratulate the Swindon lads but captain Colin Calderwood in particular. I signed Colin from Schoolboy football in Scotland and its great to see such a smashing lad getting his rewards.

Commercial Comment

with TONY THWAITES

WITH just one more game to go before the 1985-86 season officially closes, I would like to take this opportunity of thanking all the people who have contributed towards our off the field activities. It is pleasing to thank those who have supported the club by taking fixture list, programme, diary and stadium advertising, for those companies have not only made welcome financial contributions, but have also shown faith in Halifax Town Football Club by allowing us to promote their services and goods. The Matchball sponsors are equally important of course as are the individuals who have sponsored items of kit, goals scored etc and, there are many more 'sponsors' who have donated all manner of goods for the benefit of the club. Though space does not allow all to be mentioned - WE ARE MOST GRATEFUL.

The MADELEY COMPANY of course have become our clubs main sponsor and have now completed a second season as such - the good news here is that this excellent sponsorship is to continue throughout the 1986-87 season - TREMENDOUS.

SHAYMAKER

Thanks are also due to the many agents who help with our numerous fund raising activities especially, the all important SHAYMAKER LOTTERY. Many people give their time and efforts for the benefit of the club (and

by so doing, earn themselves a little extra cash) but it is an unfortunate fact that much of the time, our requests for NEW AGENTS fails to produce the needed response. PLEASE DON'T SIT BACK AND LEAVE IT TO OTHERS for one thing is certain THERE IS NO MORE IMPORTANT CONTRIBUTION YOU CAN MAKE TO THIS CLUB THAN BECOMING A LOTTERY AGENT.

The many fans who have contributed throughout the season to the SHAY STADIUM SOCIETY'S efforts (1000 club, bucket collections etc) will no doubt be pleased to know that over £5,000 is now available from this source and, with the various grants available, this can quite easily be made into £20,000. This of course is for GROUND IMPROVEMENTS and work in this direction is to be started during the close season - The fund meanwhile continues and further donations can be sent to Trevor Simpson, c/o ABBEY NATIONAL BUILDING SOCIETY, Rawson Street, Halifax.

SEASON TICKETS

Though prices for next season have yet to be determined, why not think about your season ticket now and take advantage of our easy payment scheme. Payments can be made throughout the close season at the Promotions Office where savings cards are available.

MATCHBALL SPONSORS

We are pleased this evening to welcome the Matchball sponsors for this game against Swindon Town — EDWARD and DANIEL NEWISS (pictured). Edward (11) and Daniel (7) hail from Keighley and are regular supporters of the Shaymen along with Mum and Dad who we suspect, may just have had something to do with this particular sponsorship. As a goalkeeper of some promise, it is not suprising that Edward's favourite player is Paddy Roche though he also, like brother Daniel who has not yet decided whether to be an attacker or a defender rates David Longhurst very highly.

KENNY ALLAN... served Bournemouth for a long period before moving onto Torquay from where he joined our visitors in September, 1985.

DAVID HOCKADAY... began his career with Blackpool and played 178 games for the 'Seasiders' in eight seasons, before teaming up with Swindon in the summer of 1985.

CHRIS RAMSEY... an amateur with Bristol City, he made his league debut after signing for Brighton. Made 30 league appearances for 'The Gulls' and played in the 1983 FA Cup Final where a broken leg resulted in him missing the replay. Joined our visitors in December 1984, following a period on loan.

LEIGH BARNARD... made 89 appearances for Portsmouth after beginning his career there as an apprentice. Had a spell on loan to Peterboro before joining Swindon in the summer of 1982.

DAVID COLE... Born in the Isle of Man, David signed for Swindon in February, 1985, after making 8 league appearances for Swansea, his only other league club.

COLIN CALDERWOOD... a Scot who was previously with Mansfield Town for whom he made over 100 league appearances before joining our visitors in June 1985.

DAVE BAMBER... signed from Portsmouth this term for a fee of £15,000 following a period on loan.

CHARLIE HENRY... an apprentice who has graduated through the club's junior ranks to gain a first team placing. Signed full time professional in February 1980.

PETER COYNE... a former Manchester United apprentice who made 2 league appearances whilst at Old Trafford. Joined Crewe in August 1977 and was leadin goalscorer at Gresty Road for 3 seasons before leaving the league scene for a period. Swindon eventually brought him back into league football from Hyde United in August 1984.

BRIAN WADE... Signed from non-league football in May 1985, he was formerly with Bath City, Paulton Rovers and Trowbridge Town.

CHRIS KAMARA... a small fee secured his signature in September 1985, from Brentford.

COLIN GORDON... on non-contract forms with Wolves at one time, he played non-league football with Worcester City, Bromsgrove Rovers and Oldbury United before joining Swindon in November 1982.

COBWEB CORNER

5 Years Ago

The Shaymen's final game of the season brought Aldershot to the Shay but, though Town ran out winners by the only goal of the game the victory did not help them to avoid having to seek re-election. Looking the most vulnerable of the four teams and with Altrincham making loud claims to League status, the situation created a worrying time through until June but happily, all turned out well despite the following record.

P	W	D	L	F	A	Pts
46	11	12	23	44	72	34

10 Years Ago

In Division Three at this time, Town had completed their fixtures with a 1-1 draw against Colchester at the Shay in midweek. They were however, already certain to be relegated and were to be accompanied into Division Four by Colchester, Southend United and Aldershot.

15 Years Ago

The Shaymen were in with a great chance of promotion to Division Two and had 3 games to play. They received a setback at Torquay however going down by 2 goals to nil, but bounced straight back with a 4-1 victory over Barnsley at the Shay. At this time however, 'other results' had gone against them and promotion was to be missed by just 3 points following defeat in the season's final game at Swansea (3-1).

Statistics courtesy of Tony Gough

FOR THE ATTENTION OF YOUNGSTERS AND PARENTS

In recent months I have, along with Dia Jones or the Calderdale Leisure Services attempted to build a good relationship with the local youngsters Dia has approached me about coaching courses he is arranging and he has asked for the aid of Halifax Town to which I readily agreed.

The courses will be as follows:

4th-8th August at Brooksbank School, Elland - Time 10am-12noon

11th-15th August at Wellesley Park Barracks, Halifax - 2pm-4pm.

18th-22nd August at Todmorden High School - Time 2pm-4pm.

Brochures and information can be obtained by sending a stamped addressed envelope, size A4 to, D.A. Jones, Leisure Services, Wellesley Park, Halifax, HX2 0AY.

Some of our players will be in attendance to supervise the coaching and the youngsters will be invited to the Shay to meet the players when we have our preseason photo call, plus through Dia Jones I will be making an arrangement for kids and parents to be supplied with tickets for our football league games.

I'm certain the courses will be beneficial to the kids of Calderdale and I hope you will give Dia Jones every support and encouragement for his course and future plans.
