Norman Hunter Writes

Good afternoon, ladies and gentlemen,
It's nice to be back at Millmoor after two successive away trips to Bristol Rovers and Fulham. Two games in which we played tremendously well. Three very good points at Bristol after a first class performance. At Fulham again we played extremely well and with just a

little bit of luck we would have had another victory. Previous to this we had games at Gillingham and here against Chesterfield and we do feel we should have shown some reward from both fixtures.

So at the moment things are going quite well, which proves that once you get a settled side, and you have a chance to sit down and work with the same lads the results will come.

The response from the lads, in training, and on the park has been magnificent. The reserves and juniors are also performing well and the young lads were very unlucky not to get a result at Blackpool on Monday night. So overall things are moving in the right direction for the club and there is a tremendous atmosphere down here amongst all the players.

Enjoy the game, lets hope with your support this afternoon we can achieve the three points.

MAYDAY NEWS

Good afternoon everyone.

Today is week 4 of our second year. Just as last year we are very grateful to the people who have kept their membership going. Our aim is to regain the maximum membership of 1500 during the next couple of weeks, the level that we enjoyed for most of our first year. We still have a number of memberships available, so if you are not yet a member why not pick up a form from the shop this afternoon and enrol as soon as possible. Not only would you be helping the Millers but think of the benefits you could gain. £1000 to be won by a member each week + consolation prizes of a Turkey Voucher for Christmas from Barron's Butchers Imperial Buildings Rotherham, and a bottle of Whisky. Holidays for two every two months with the holiday special after six months, of a two week holiday in America (courtesy of Dunstan Brearley Travel) and our major annual prize of a car.

Just a reminder of our first three £1000 winners:-

Week 1 950 Mr. Drewell, Hill Top; Week 2 1468 Mr. Wareham, Rawmarsh; Week 3 712 Mrs Foster, East Dene. Remember you've got to be in to win.

Days Gone By...

DANNY WILLIAMS

A Town's Most Successful Son

This extract from 'Millmoor Personalities 1946-86' by David Watson is part of one of 110 biographies of Rotherham United's leading personnel over the past 40 years and is reproduced by kind permission of the publishers - Rotherham Metropolitan Borough Council. The book is priced at £8.95 in softback and £9.95 in hardback, and is available at local bookshops and Millmoor's Red & White Shop.

Danny Williams started work at Silerwood Colliery when 14 years old and played football for the colliery team and, in 1943 he had trials with Rotherham United. Thus started a one-club playing career which was to last nearly 20 years and culminate in his becoming manager in 1962. He was a wing-half of immense strength and stamina and started each day's training by running 3 times round the pitch while increasing the speed of each lap and on completing the last had sufficient breath left to immediately start cracking jokes! If with a more fashionable club he would almost certainly have played for England, and but for his manager's honesty would indeed have been an international player. In 1952 he was chosen to represent Wales, but manager Freeman felt obliged to tell the selectors that although qualified in ability he was disqualified by birth and parentage - despite the Celtic connotations to his name. Yet if he had been born 20 years later he might well have represented England, for Joe Mercer who later managed the national team saw the Millers' 2-0 victory at Swansea in February 1954 and said if he could select the England side the first to be chosen would be Danny Williams. He was appointed Manager of the club in July 1962. He fielded essentially attacking teams with wingers and his management seasons saw a style of play by a team of young talented men the like of which Millmoor had seen neither before or since, and he remained in post until May 1965. The Williams

family then moved to Bournemouth and in the summer he accepted an invitation to manage Swindon Town, just relegated from the second division. Four years later his efforts brought triple success with the winning of the Anglo-Italian Cup, promotion into Division 2 with the same points as the champions, and the great achievement of winning the Football League Cup by beating Arsenal 3-1 at Wembley. He was then appointed manager of Sheffield Wednesday and remained there until December 1975. Soon afterwards he rejoined Swindon Town where he remained for 11 years - first as team manager and then general manager. Three years ago he re-established his home in the Rotherham area and commuted weekly until taking early retirement in August 1985. Danny Williams still has the happy outlook on life which in his Millmoor years made him such an enjoyable companion, and the same competitive spirit which helped make him an invaluable team-mate. As a player he epitomised everything which was good about Rotherham United; his club record of 459 League games will never be beaten and in all he played for the first team on 620 occasions. As manager he produced one of the most exciting teams Millmoor has ever seen, and with Swindon Town became one of only two men to manage a Third Division side which won a major Cup Final at Wembley stadium. With such accomplishments he is undoubtedly Rotherham's most successful footballing personality.

VICE PRESIDENTS' COLUMN From Derek Dalton

Good afternoon everyone. What a superb day we had at Bath last Saturday. As usual John Goodchild of the Bristol Rovers Presidents' Club was the perfect host and didn't our lads play well? Lou Macari was there and must have been impressed. Andy Williams continues to dominate the Cannon Assurance Miller of the season contest. This coveted award will be presented at the Rotherham United Vice Presidents' Association Dinner & Dance at the Rotherham Moat House on Sunday 17th of May. More details shortly! Don't forget Derek Dalton has organised a 'Racenet/Disco' in support of his sponsorship fund for the Millers. Tickets are available from the Promotions office at Millmoor price £2.50 including 'Pie & Pea supper'. This function is also at the Moat House and the date is Friday, March 20th. Enjoy the game and keep cheering. UP THE MILLERS!

ROUND ABOUT THREE *with Dave Nicholls*

Chester's 2-1 victory at Gillingham was probably the result of the day last Saturday. Rimmer and Woodthorpe put Chester two in front inside the first 16 mins to really stun the high flying home side. Quow pulled a goal back just before the break but Chester held on for three very valuable points. Perhaps Gillingham are going to fall away again as they have in the past couple of seasons. Middlesbro must have thought they were in for an easy victory at Saltergate when Bernie Slaven put them in front after only 4 minutes. Then a very controversial penalty decision put Chesterfield back in the game. Carl Airey scored from the spot just before half time. Caldwell, who got the winner at Millmoor last week, turned well in the box and fired home what proved to be the winner. Dave Caldwell had been injured all week, turned up a couple of hours before kick off, had a brief fitness test and manager John Duncan decided to risk him, a brave gamble, that paid off. Notts County came a cropper at Craven Cottage losing 3-1. Bennet and a Goodwin own goal put Fulham two up at half time, Hicks added a third on the hours with McParland scoring a consolation goal with virtually the last kick of the game. Neil Whatmore gave Mansfield a five minute lead at Bournemouth, Aylott levelled after 16 mins in what was an even first period but things changed dramatically after the break. Richards scored after 69 and 88 mins with a Aylott getting another after 73 mins to give Bournemouth a comfortable 4-1 win. Doncaster lost their home record to lowly Newport, a Gibbins goal after 33 mins was too good for a very dismal Rovers performance, only 1837 people at Belle Vue. Bury got the only goal of the game in the last minute at Gigg Lane against York City. A poor game this, Mick Pickering who has just returned to the city side had to go off injured. Carlisle remain firmly at the bottom of the league after their 2-1 home defeat to Bristol City. Joe Jordan again showing his worth with another goal plus one from Nick Morgan. Scott McGarvey scored from the spot for Carlisle's goal. There were 1-1 draws at Port Vale where Bowden grabbed an equaliser 4 min's from time. Elliott had scored on the hour for Bolton. On Sunday Brentford took the lead through a Mickey Droy volley but David Currie soon equalised for Darlington at Feethams. Just a line to wish Ronnie Moore the best of luck as manager at Tranmere and also to Jimmy Mullen who has gone as right hand man to Ian Porterfield at Aberdeen.

The best result in the division two weeks ago was the 5-0 win by Bristol City over neighbours Doncaster. On loan Joe Jordan obviously had a big part to play in the win. Although not getting on the score sheet himself he had a hand in most of the goals Walsh grabbed a hat trick with Owen and Newman getting the others. That's now six away defeats on the trot for Rovers. Table toppers Middlesbro drew over eleven thousand fans to Ayresome Park, and they saw Ripley get the winning goal on the hour against the other Bristol side Rovers. Probably the surprise scoreline was at Field Mill. Bury who really looked a poor side at Millmoor a few weeks ago beat Mansfield 3-1. Robinson put Bury two up Neil Whatmore pulled one back but with Mansfield pushing for the equaliser Hill scored a third to seal the points. Wigan continued their impressive run with a 3-2 win at Walsall. Four goals, two for each side came within a six minute period in the first half. The Latics winner came halfway through the second half from Lowe. Hilditch and Holden got the others. Walsall's goals came from Cross and Hawker. Seven thousand fans turned up at Fellows Park. Notts County maintained their promotion push with a convincing 4-1 home win over Port Vale. McParland scored a well deserved hat trick and big Mick Waitt scored the other. Vales goal came from Bowden. Two other sides pushing for the top had to settle for away draws. Swindon were at Blackpool and came away with a 1-1 draw. Bamber scored for Swindon after a Stewart penalty had put Blackpool in front. Bournemouth shared four goals at Chester, O'Driscoll put them in front on the half hour, but two goals from Kelly and Bennett two min's either side of half time put Chester in the driving seat. Cooke grabbed the equaliser on the hour. Gillingham came a cropper at York. City have been playing better this past few weeks and were two in front inside fifteen minutes, with goals from Walwyn and Gabbiadini. Smith pulled one back for the Gills on the half hour but were unable to get the equaliser with Pritchard being denied twice by super saves from York keeper Learning. Bolton moved out of the bottom four with a 3-2 home win over Fulham. Joyce and Thompson saw Bolton go two in front, then in a ding dong affair Hoddy scored for Fulham, Caldwell put Bolton 3-1 up only for Achampong to go straight down field and pull another back, but Bolton hung on for the points. Brentwood seem to have improved since the departure of Frank McLintock. They easily saw off Carlisle 3-1 Maddy, Josephs and a White penalty were the Bees scorers with Scott McGarvey again scoring for lowly Carlisle. And finally when are we going to give Chesterfield a pasting. All those second half chances and still we couldn't finish them off. Still, wait till next season

With The Reserves Dave Nicholls Reports

ROTHERHAM RESERVES 3 WIGAN RESERVES 0

A young Millers side were in complete command throughout the game. Rotherham had trialist Ian Bowling from Frechville in goal and Steven Fleetwood up front alongside big Andy Morris. Steve was once on Rotherham's books as a schoolboy. The Millers went close on a couple of occasions in the early part of the game, with Steve Fleetwood hitting a post with a header from a corner. On 40 minutes a good cross from the right was headed home. In the second half Rotherham stormed into the attack and went close on several occasions, and on 58 minutes were rewarded with a penalty. Some good work by Andy Morris ended with him being upended in the box, and Nigel Pepper hammered the penalty into the bottom corner. The Millers were now well on top, solid at the back with Ray Warburton and Trevor Slack letting nothing past, and Shaun Goodwin having an impressive game in midfield. It was no surprise to see the Millers add a third with three mins' remaining, a free kick on the left was headed on and finished off with a good diving header from Ray Warburton. A good convincing all-round team performance throughout the 90 minutes.

MIDDLESBOROUGH JUNIORS 2 ROTHERHAM JUNIORS 3

This was the first game in six weeks for the Juniors, but they were soon into their stride. In the first half things were fairly even with the young Millers probably playing the wrong system, to the two small front runners. Middlesbrough took the lead on the half hour with a dipping volley from the edge of the area. Rotherham hit back straight away and Stephen Trodden was unlucky to see his shot come back off the post. In the second half Rotherham started to play the ball to players' feet and immediately started to cause all sorts of problems to the Boro defence. On 52 min's Kevin Eley robbed a defender and went for goal, only to be brought down in the box. Ian Dennis made no mistake from the spot to level. Five min's later a good ball from Ray Warburton found Kevin Eley who was again chopped down in the box when about to score. Up stepped Ian Dennis to score again from the spot. It was all Rotherham now and trialist Mitchell Welland hit over a good cross Ian Clarke flicked on and Simon Thompson volleyed in for the third. The Millers then had another penalty appeal turned down, the linesman gave it but was overruled by the distant referee. In the final minute a break by Middlesbrough down the centre, the centre forward unseen by the referee knocked on with his hand and scored. But the young Millers held on for another good victory, especially after such a long lay off. Well done lads.

ROTHERHAM JUNIORS 0 NEWCASTLE JUNIORS 1

Last Saturday a very young Millers side entertained the Black & white stripes of Newcastle. Rotherham were without three key players Andy Morris, Nigel Pepper and Ray Warburton. The game was only five minutes old when the Millers lost trialist Colin Cruise with young Gary Middleton replacing him. Newcastle were a very big, physical side but the Millers were clearly the better side in the first half without scoring. Newcastle came out in the second half actually trying to attack and within five minutes had taken the lead, a neat one two just inside the area was finished off by a six foot three centre forward. Rotherham then lost Carl Calvert with an injury to be replaced by Mark Roberts. Newcastle became very physical now, trying to hold on to their lead. A very lenient and mediocre referee never clamped down on the flying tackles that were stopping the Millers. A clever hand ball in front of the linesman inside the area was missed and try as they did the Millers couldn't find a way through. Greg Burrows had a good game at the back and Shaun Goodwin was a tireless worker in midfield. Rotherham will play worse than this and win, only third rate refereeing and some unpunished tackles prevented them at least sharing the points which their efforts deserved.

BLACKPOOL RESERVES 2 ROTHERHAM RESERVES 1

On Monday night the reserve team consisting of eleven juniors & Trevor Slack and trialist keeper Ian Bowling travelled over to wintry Blackpool. The first half was very tight with Andy Morris going close for the Millers, shortly after Trevor Slack slipped on the icy pitch which allowed the Blackpool centre forward to curl a shot past Ian Bowling. Rotherham took control in the second half and were well worth an equaliser when they suffered a double blow. Kevin Eley had three stitches in a hand wound, and Shaun Goodwin three stitches in an ankle injury. Blackpool on the break added a second while both players were injured. Tremendous Millers pressure ended with Ian Clark pulling a goal back. Martin Scott and Clark both went close, and Millers had three corners in the final minutes. However the equaliser they deserved did not materialise. A good performance all round however, with Ray Warburton and Trevor Slack playing well at the back and Martin Scott showing up well in midfield.
