# TEAM TALK

We need to start picking up points to improve our League position after a couple of disappointing results away from home last week.

We started well at Darlington last Tuesday and were well in control when we led two nil. Unfortunately the injury jinx that has hit us so often just recently struck again and Gary Ford took a knock after scoring our second goal and that disrupted our pattern and we allowed Darlington to get back into the game.

Against Bournemouth, we were again the better side in the opening

stages and I don't think they created anything in the first half hour. In fact during this spell we played possibly as well as we have done recently.

But once they had taken the lead we lost our way and they were comfortable winners in the end. Confidence or rather the lack of it is a big factor at the moment and on Saturday our heads dropped once they were in front and it was an uphill battle for us from then on.

Tonight we have the opportunity to end our lean spell against another of the Division's top teams. Swindon are a very positive side, strong and competent in all departments who have done well since walking away with the Fourth Division title last season.

In a similar way to ourselves when we won the championship three years ago, they've kept the momentum going this season and they had a good win against Middlesbrough on Saturday to

maintain their challenge among the top sides in the Division.

We've done well this season against the better teams at home and obviously a good result tonight is important for us if we are to start putting a run of results together.

After tonight we face Rotherham away on Saturday before home games with Brentford and Bristol City later in the month.

•We have a group of youngsters from Burton Leonard Juniors near Boroughbridge at this evening's game and we all hope they enjoy the match tonight and their visit to Bootham Crescent.

Wigan came back twice from behind to share the points after a 2 - 2 draw here. We took the lead with a goal from Mark Rawstron and although they equalised, Dale Banton put us back in front with Wigan's second goal coming three minutes from the end.

Young David Downing, having his first full game for the side, did well and there were some good performances too in last week's 3 - 2 win at Grimsby when I thought we played particularly well in the second half.

This time we came from behind after trailing 2 - 1 at the interval. Dale Banton gave us the lead and although behind at half time, we played really well in the second half with Banton completing his hat trick, his third goal coming from the penalty spot.

Apart from Banton's goals, there was a fine performance from Alan Whitehead who had his best game since joining us.

We are due in action tomorrow night against Doncaster at home, kick off 7 p.m.

● Home Games Kick-off at 11.00 a.m.

Against an older Rotherham side, one or two of our youngsters found it hard going and presented the opposition with scoring chances which they should never have had.

We were 3 - 0 down at half time and after a roasting from Jim Lamb, performed much better in the second half.

Tilley scored our only goal from a volley after Ricardo Gabbiadini had put Nendick down the wing. Ricardo was having his first game for a long time because of injury and did well at full back when he came on after the interval.

Mark Brown and Stephen Tutill also did well in defence and Archie Common showed something like the standard expected from him in midfield. Final score 4 - 1 to Rotherham.

Striker Chris Rooney is progressing on his long road to recovery from a broken leg and the sooner the better. The lad must be very frustrated at not having played this season.

Our next home matches are against Scunthorpe and Huddersfield on March 7th and 28th.

### SUPPORTERS CLUB

The winner of our autographed football at the Gillingham game was R. Amos. Tonight's complimentary ticket winner is John Snowden of Acomb, membership number 347.

Who competes in the North Riding Cup? That's a question put to me by several curious supporters. The other seven teams are Middlesbrough, Scarborough,

Whitby Town, Guisborough Town, Marske Town, South Bank and ICI Wilton.

It isn't often that I get the opportunity to watch a reserve game but the other evening I saw our reserves draw 2 - 2 with Wigan. I was pleasantly surprised by the depth of talent coming through the reserves.

## Profile

### Number 23 CRAIG TILLEY

It's doubtful if anyone was more disappointed than Craig Tilley was when the match referee called off our home game against Port Vale here at the end of January.

Eighteen-year-old Craig was set to make his League debut for City as a replacement for the injured Tony Canham against Port Vale when the referee decided the pitch was unfit only an hour and a half before the scheduled time of kick off.

"It was a let down," says Craig, coming to the end of his second season with City. "Obviously I was looking forward to the match. I had been on the sub's bench for the Freight Rover tie with Mansfield and with Tony injured the boss told me I was in the side against Port Vale.

"But these things happen and I'm keeping my fingers crossed that I will get my chance in the side before too long."

Craig did get a first team outing in the North Riding Senior Cup match with Scarborough last month after a good run in recent games for City's Reserves and Intermediates.

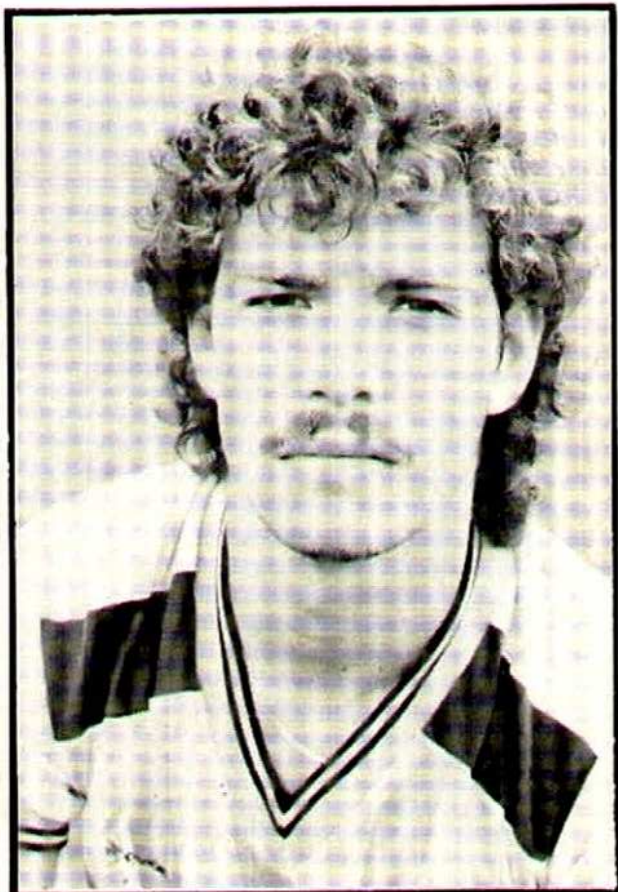

Craig, who had trials with a number of clubs before impressing City in trial matches a couple of years ago, comes from the North East and is always sure of plenty of family support when he heads back home to turn out for City's juniors at Newcastle and Sunderland.

"My parents always watch me when I play up there and try to get to York to watch me when they can. I took a little while to settle in here last season and to be honest I found it hard going at first.

"But things have gone better for me this season and although it was disappointing not making my League debut a few weeks ago I hope I can continue giving it all I've got in the reserves and juniors and that my chance in the first team will come."

Craig has always played in midfield and is a good crosser of the ball. "One of the parts of my game that I am working on and trying to improve is my running," he says.

•Right : Marco Gabbiadini, pictured in action in City's last home game against Doncaster.

### CAREER FILE

In his second season at Bootham Crescent, Craig comes from Newcastle and played for South Tyneside Schools at Under 13, 14 and 15 levels. He played in England schoolboys trials and had trials for a number of League clubs before joining City for the start of last season. A regular member of the club's Intermediate and Central league sides, Craig has been on the fringe of first team selection in recent weeks.

## MACARI'S MEN HAVE THAT WINNING HABIT

Swindon return to Yorkshire this evening no doubt hoping to repeat their success from their last visit north eleven days ago when they put an end to Rotherham's recent revival with a 2-1 win at Millmoor.

That was Town's sixth away win of the season to add to their successes gained at Port Vale, Bolton, Fulham, Bury and Gillingham and Lou Macari's men currently boast one of the best away records in the Division.

Apart from those six victories on their travels in the League, Town have drawn five and been beaten only three times away from home, a record only Middlesbrough could match before Saturday's games.

It has been an impressive return to the Third Division by the Wiltshire club who ran away with the Fourth Division title last season when they topped our 101 Championship points tally from three seasons ago.

Manager Macari, the former Celtic, Manchester United and Scotland star took over at the County Ground in July 1984 and has done a good job in helping revive Swindon's fortunes.

He has been busy in the transfer market and his team on duty tonight will have an experienced look about it but with some prom-

ising youngsters who have made their mark in recent months.

Goalkeeper FRASER DIGBY for instance was born in Sheffield and had a spell on loan with Manchester United last season. A former England youth cap, Digby has been in the England Under 21 squad this season and was on the sub's bench in Spain a fortnight ago.

TIM PARKIN was a £27,000 signing from Bristol Rovers last summer and is a tall, commanding defender playing alongside former Mansfield man COLIN CALDERWOOD, a Scot from Stranraer who was an ever present in Town's title success last season.

DAVE HOCKADAY joined Town from Blackpool in 1983 and CHRIS

RAMSEY is a former Brighton and Bristol City defender who missed only three games last season.

Midfielder LEIGH BARNARD played for Portsmouth before a move to Swindon and CHRIS KAMARA is in his second spell with the club and previously played for Brentford and Portsmouth.

PETER COYNE was one of Macari's first signings. He made his name at Manchester United and also played for Crewe and is equally at home in midfield or as a front runner.

Up front Swindon have a trio of proven goal scorers. DAVE BAMBER was a £15,000 buy from Portsmouth last March and was with Blackpool, Walsall and Coventry. Irish International JIMMY QUINN is back at the County Ground after a spell with Blackburn and STEVE WHITE was signed on a free transfer from Bristol Rovers last summer.

White scored 16 goals for Rovers last season and has played for Luton and Charlton Athletic.

Former Watford striker JIMMY GILLIGAN moved to Town from Grimsby for a £31,000 fee last summer and BRYAN WADE is another front runner signed from non League football who did well in his first season with Swindon last season when he scored 10 League goals.

BACK ROW : Mark Gardiner, Steve White, Jimmy Gilligan, Chris Kamara, Tim Parkin, Kenny Allen, David Bamber, Charlie Henry, David Cole, Colin Calderwood, Chris Ramsey. FRONT ROW : Alan McLoughlin, Mark Hughes, Jamie Reynolds, Dave Hockaday, Andy Rowland (Player/Coach), Kevin Morris (Physiotherapist), Lou Macari (Team Manager), John Trollope (Assistant Manager), Peter Coyne, Martin Ling, Leigh Barnard, Bryan Wade.
