v Swindon Town Tuesday 1st November 1994

KICK OFF: 7.30PM

from the bench

with Bruce Rioch

Most weeks in a football manager's life are full, but some are busier and more satisfying than others. Last week's was a particularly good one for me and for the club as a whole.

After the draw at Port Vale on the Saturday, we had the Youth Cup game on the Monday when I enjoyed seeing the youngsters win, taking the opportunity to see how they are developing and coping with life in the professional game. It's a difficult time for the teenagers, especially the first year trainees, who are having to come to terms with a difficult life which has high demands and fierce competition. But these youngsters seem to be doing very well.

On Tuesday, of course, we had the Coca-Cola Cup tie. I suppose when the draw

was made a lot of people would have said: "Oh no. Not Sheffield United!" It looked a difficult task. But, let's face it, there are no easy ones and once you start underestimating the teams you play, you're in trouble. Actually, it was a magnificent effort the team put in at Bramall Lane and they deserve their place in the next round when we know we will face a difficult task.

On Wednesday the reserves completed a hat-trick of wins when they came from behind to win 2-1 at

Rotherham, maintaining their excellent run of results in the Pontins League. Another goal for Owen Coyle took his total to 10 for the season.

I didn't get to see the game because that night I was in Scotland, where I saw the Coca-Cola Cup semi-final between Celtic and Aberdeen. What an experience to be among that huge crowd with somewhere in the region of 37,000 Celtic supporters. I had the opportunity up at Hampden to have a brief chat with Andy Walker before the game and had a lengthy talk to Tony Mowbray, who I had in my team at Middlesbrough and is currently nursing his wife through a serious illness. It was also nice to see old pals such as John Greig, the former Rangers and Scotland captain.

I got home about 2.45 am and had to be up bright and early to prepare for the club's annual meeting on Thursday morning. That

went very well indeed-it was quite amusing, in fact, to see the chairman getting a vote of confidence"!

I had an early night on Thursday in preparation for a busy day with the team preparing for the Watford game - an excellent performance and a good result, which rounded off a most enjoyable week.

In between, of course, there was the routine of contacts with the media, an interview for Granada TV and the usual round of phone calls to other managers. All part and parcel of the job.

It can be busy, it can be frustrating and it can have its disappointments. But successful weeks like the last one make it all worthwhile from a personal point of view and from the club's standpoint.

I hope there are many more in the same vein.

STAR VISITOR

Neil Webb is now 31 and has accumulated vast experience of football at the highest level. Born in an exclusive area of the Thames Valley, Webb is a six foot striker who played 72 games for Reading then 123 for Portsmouth.

He moved to Nottingham Forest in 1985 for a fee of £250,000. He had a spell with Manchester United before moving back to Forest in November 1992 for £800,000. Whilst in the North he got only 8 goals in 75 games. This is surprisingly few by his standards because during his career he had scored well over 100 goals. He joined Swindon on loan this season from Forest. Webb has played 26 times for England, 4 times for England B, 3 times for England U21 and 10 times for England youth.

SWINDON

The Robins

The last decade has been the most eventful ever in the history of Swindon Town Football Club. Under Lou Macari the club rose from division four to the first division within the space of four seasons. But they had to wait another three seasons before they actually played in the top flight. They were relegated for administrative reasons over the summer of 1990. Three years later they were back at the top but again they had a bad summer when manager Glenn Hoddle left for

Chelsea and the club never really found its feet in the Premiership.

Over the summer the club received £1.5 million from Manchester City for Nicholas Summerbee. They spent a third of it on Mark Robinson who spent fifteen up and down months at Newcastle

had to wait until Christmas before Fjortoft scored last year. At least we have not had to wait again." Fjortoft got two more in the match against Tranmere but Swindon lost 3-2. Gorman said, "we lost because of individual errors. We made them and got punished for them. Two goals should be enough to win away from home. We threw it away."

Most results have gone Swindon's way and they occupy the highest position of the three relegated clubs. Since their promotion in 1963, they have seen more ups and downs than the local stationmaster. In that period they have established themselves as a major force in domestic football, but after joining the league in 1920 they spent over 40 consecutive years in division three.

following a £400,000 move from Barnsley. The club were also in the news when they signed Joey Beauchamp from West Ham. Beauchamp did not play a single match for West Ham after moving from Oxford.

This season Swindon are near the top of the first division thanks partly to their Norwegian international striker Janaage Fjortoft. He scored against Port Vale in the opening match. Manager John Gorman said, "we

Star defender Paul Bodin is a Welsh international who is his second spell with Swindon. In 1981 Crystal Palace signed him for £550,000 but he returned to Swindon after just nine appearances for the London club.

Other defenders include Luc Nijholt. He is a Dutchman who spent three years in Scotland. Swindon signed him from Motherwell in June 1993 for £175,000. Shaun Taylor was signed from Exeter

City for £200,000 in July 1991. He played in every Premiership game last season. Kevin Horlock came from West Ham on a free transfer

in 1992 and played regularly in the Premiership. Andrew Thomson made his debut against Leeds in the final match of last season. Wayne O'Sullivan is now 20 and hopes to make the breakthrough this season. Terence Fenwick has spent most of his career with London clubs. He played 70 games for Crystal Palace, 256 for Queens Park Rangers and 93 for Tottenham Hotspur. He is 35 next month and came to Swindon on a free transfer. Brian Kilcline played 158 games for Notts County and was the driving force behind their promotion to the First Division in 1984. After relegation he moved on to Coventry and was captain when they won the FA Cup in 1987. He played 8 matches for Oldham and 32 for Newcastle before joining Swindon last January. Six months later he was followed by Mark Robinson for a Swindon record fee of £600,000. Before playing for Newcastle Robinson was at Barnsley.

In midfield Martin Ling is now 28 and came from Exeter for £23,800 in July 1986 but he quickly moved to Southend and played 138 games for them. When he came back to Swindon in the summer of 1991 he cost £17,600. Joey Beauchamp hit the headlines when he moved from West Ham without playing a game. He had previously played 151 games for Oxford and scored 27 goals.

Up front Janaage Fjortoft, who joined Swindon from Austrian club Rapid Wien for £500,000 in July 1993, scored for Norway when they ended England's hopes of reaching

the World Cup finals. He also scored 13 goals in 27 Premiership games last season. Andrew Mutch joined Swindon from

Wolverhampton in August 1993. He scored 97 goals in 289 games at Wolverhampton. Keith Scott signed from Wycombe Wanderers in November 1993 for £300,000. He was previously with Lincoln but moved to Wycombe during their non league days.

Manager John Gorman is now 45. He moved to Carlisle from Celtic as a 21 year old. He played for Carlisle together with Test umpire Chris Balderstone in their first division season. In 1976 he moved to Spurs for £60,000 and then spent five years with Tampa Bay Rowdies. In 1985 he was appointed youth team coach at Gillingham. He was then youth and reserve team coach at Leyton Orient and became assistant manager to Glenn Hoddle at Swindon in 1991.

Joint Presidents David Lee and Mark Patterson

Our special guests at the last junior whites meeting were Dave 'What a Ding Dong Do' Higson and Jimmy 'Video' Goodison. They were given a very warm reception and disclosed some very interesting facts and happenings whilst putting together the Wanderers match videos. Many thanks to Jim and Dave for taking time out to entertain the kids.

Mum Eileen is a much valued helper, Ian is making good progress at the Wanderers School of Excellence and Kay is now playing for a Bolton girls team on Sundays so long as it does not interfere with the Wanderers fixtures, for they support the Super Whites home and away and manage most reserve games. Kay is a ball girl and number one fan of Jason McAteer.

Mike Graham

Lancaster born defender Mike Graham came through the ranks at Burnden Park, signing professional in February 1977.

His league debut came in March 1978 during a 1-0 win at Mansfield as Bolton were on their way to the second division championship. He appeared as substitute for the injured Tony Dunne.

It was his only appearance during 1977/78 but the following term he made his full debut at right back in a 2-1 second round league cup tie won over Chelsea at Burnden. On the same evening David Burke, another Bolton youth product, made his debut at left back.

Strangely, his final league appearance for the club came in the same game as Burke's in his first Bolton spell. That was in a

2-0 home second division reverse by Shrewsbury Town in March 1981.

In July 1981 he joined Swindon Town making his debut in a 4-1 home win over Wimbledon, also scoring his first league goal in the process.

That was to be his only league goal for Swindon but he went on to make 141 appearances for them before moving to Mansfield Town in July 1985.

At Field Mill he made 133 league appearances and was a member of their Wembley side that won the Freight Rover Trophy against Bristol City in 1987.

He ended his league career with Carlisle United, joining them in September 1988 making 138 appearances before spending some time with non league Barrow.

NOTTS COUNTY Endsleigh League Division One. Kick Off at 3.00pm

Surprisingly Notts County are bottom of the league with just one win from 13 games before last Saturday. There were high expectations around Meadow Lane after finishing in 7th position last season just one away from a play off spot.

They started the season with Mick Walker in charge and he was forced to sell prized asset Mark Draper to Leicester City for £2.5 million but failed to replace him.

After just one win in the opening seven games he was given the sack. Within days the Magpies appointed his assistant and ex schoolteacher Russel Slade. That didn't improve matters in the League but in the Coca Cola cup the Magpies recorded a magnificent 3-0 win over Tottenham at Meadow Lane.

Three new signing were made. Nigel Jemson came from Sheffield Wednesday for £300,000 and for £250,000 West Ham midfield man Peter Butler made the move to Meadow Lane. He is an experienced player who should steady the middle of the park. Gary Mills, a defender, came from Leicester City for £50,000. A loan signing has been made - ex Swansea man John Williams came from Coventry to try his luck in Nottingham. It's a mystery why County aren't hitting the target more regularly with a forward line of Williams, Jemson and ex Glasgow Rangers striker Gary McSwegan who was leading goalscorer with 15 last term. In reserve they have also got the experienced Tony Agana.

A man the Magpies rely on is their player of the year Phil Turner who had an excellent season last term. He has been carrying on where he left off, playing superbly.

The Whites will be looking for a good home win, but County's position is a false one, and they will be looking to hit form soon, it has the makings of being a very entertaining game.

Next Central League games at Burnden.

*** The gap at the top of the First Division is now down to just one point**

.....Wolves are ahead of Middlesbrough, with Tranmere third, Reading fourth and Swindon Town fifth.

*** Last weekend saw Graham Taylor's side earn a point from a 1-1 draw with Stoke City at The Victoria Ground before a near 16,000 crowd** - Stoke's biggest of the season so far. Kevin Keen, making his home debut for the Potters, scored against his old club but Steve Bull - now on line to become the first Wolves player ever to score 250 goals - equalised before half-time with his sixth goal of the season.

Steve Bull

up on one...

*** There were over 17,000 fans at Ayresome Park to see Bryan Robson's Middlesbrough account for a hard-working Swindon side by 3-1.**

Neil Cox scrambled in his first goal for 'Boro after his £1 million transfer from Aston Villa, and although Jan-Aaga Fjortoft equalised, John Hendrie and Paul Wilkinson (with a disputed penalty) gave 'Boro all three points.

*** Tranmere were stunned by battling Port Vale at Prenton Park,** John Jeffers equalising for the Potteries' club after John Morrissey had fired Rovers into the lead 10 minutes into the second-half.

*** At the other end of the table,** West Brom, playing their first home game with Alan Buckley in charge, beat Reading 2-0 with second-half goals from Andy Hunt and Lee Ashcroft before another excellent Hawthorns crowd - almost 14,500. The 'Royals' had Michael Gilkes sent off after 39 minutes.....and manager

Mark McGhee was not amused!

*** Burnley edged home 2-1 against the bottom club,** Notts County who were nothing like the side which had conquered Spurs in the Coca-Cola Cup

David Eyres

three days earlier. The 'Clarets' scored through David Eyres (penalty) and Jamie Hoyland (on loan from Sheffield United) while Steve Davis pocketed an own-goal for County!

*** After a mid-week boardroom blitz at The Baseball Ground,** the Derby County players attempted to put all that disruption behind them when they met Charlton - but alas they could only manage a draw which still

keeps them just above the bottom four. Craig Short gave away a goal and then scored one for the 'Rams' while Kim Grant netted twice for Athletic.

*** Millwall put further pressure on Sheffield United's boss,** Dave Bassett with a 2-1 win at The Den, on-loan striker Richard Cadette (from Falkirk) scoring a dramatic winner for the 'Lions' in injury-time.

*** Elsewhere, Watford succumbed 3-0 at Burnden Park to an in-form Bolton side for whom Scottish international John McGinlay scored twice;** Portsmouth snatched a late equaliser to earn a point at Bristol City; Barnsley disrupted Luton Town's recent good run with a 1-0 win at Kenilworth Road, Andy Rammell scoring after 72 minutes; Sunderland were held 0-0 at home by defence-minded Oldham Athletic and Grimsby (with John Cockerill temporary in charge) also grabbed a point with a battling performance at Sunderland.

The "Endersleigh Line" operated by Ticketmaster, the UK's leading computerised ticket service, will offer seats for sale in The Burnden Stand subject to availability.

People wishing to book a ticket for any of our home games will now be able to ring 24 hours a day, seven days a week, and book tickets using a credit card (all calls charged at local rate). Customers will be charged an extra £1.50 per ticket with a transaction charge of £1.25 per booking. Although this adds to the cost of watching football we feel this additional service offers our supporters more choice and flexibility when booking tickets.

When an English non league club has attempted to transfer you without any success and you return home to Scotland at the age of 25 most players would be tempted to find a new job! John McGinlay worked hard to score goals that took him from Elgin City to Bolton Wanderers via Shrewsbury, Bury and Millwall. A fine footballing side built by Messrs Rioch and Todd needed firepower and John's mobility, tenacity and flare in front of goal lifted his side to great FA Cup exploits and personal headlines for the now thirty year old Scottish striker. New Scotland manager Craig Brown was certainly impressed and the McGinlay fairy story was complete when he scored on his Scotland debut in Austria.

This tribute to John can be found in The Endersleigh Football Club Directory 1995 with the striker winning one of their Good News Awards for 1993-94.

Here he is being presented with his award in the Executive Club by former Wanderers, Liverpool and England striker Roger Hunt.

Oldham Athletic AFC Ltd, Boundary Park

Dear Bill, I would like to take this opportunity to thank you and all who assisted you last Sunday for making our visit so enjoyable and worthwhile.

Being in the business of organising and supervising youngsters is very demanding and time consuming. It was nice to be on the receiving end of a well organised and purposeful exchange between the two Junior supporters clubs. Feedback from our Committee has been most favourable.

Hopefully we will be able to organise something of a like nature when Bolton come to Oldham next April.

Again, many thanks for all your efforts, it was a great day out.

Yours sincerely,

Tony Pascall, Chairman

Well done to Bill and his team! Another job well done.

Rotherham United have taken Andy Roscoe on a months loan - giving the Wanderers midfielder a chance to gain extra experience. An everpresent in this seasons reserve side, Andy made his league debut last term against Portsmouth at Burnden.

Football in the COMMUNITY

During last week the Community Programme were involved with a competition run by Bolton Evening News for children. The newspaper ran the competition to find the most unusual place to read your newspaper and the winner came from Horwich Parish School.

Part of their prize was a trip to the football ground to meet all the players, a session of fun and games, a trip to the police cells and a look at the changing rooms. We duly

obliged and the children who had spent the morning at the fire station went home from here tired but very very happy! I would like to thank all the players who took time out to have photographs taken and signed many many autographs! It was a great success.

If anyone is interested in birthday parties, school coaching or soccer schools please ring the Community Office for further details.

Sheffield United kept up their good form in Central League visits to Burnden by taking the points back over the Pennines.

The Wanderers however, after a slow start, had the opportunities to have taken something from the game but were denied by some good goalkeeping by Billy Mercer. United went ahead in the 20th minute, Carl Veart converting a close range chance from a left wing cross.

Four minutes later Mark Foran made it 2-0 with a free header at the far post. Seconds later Stuart Whittaker had to clear a similar move off his own goaline.

Bolton's only first half chance came when Gary Martindale latched onto a Fabian de Freitas through ball only to shoot wide.

The Wanderers put up a much better second half performance. In the 48th minute de Freitas saw a cross shot cleared off the line, then, four minutes later, Gary Martindale hit his third goal of the season with a shot at the far post.

Unfortunately United made it 3-1 in the next minute when Rob Scott got in a header at the far post.

In the 61st minute the Wanderers got a second goal. Mark Patterson put de Freitas away on the right and he delivered an inch perfect cross for Owen Coyle to register his eighth goal of the term.

Keeper Billy Mercer earned United the points with a spectacular save from a 25 yard shot by Scott Green, turning his powerful effort onto the crossbar.

Bolton Wanderers: Davison, Green, McAllister, Roscoe, Kernaghan, Thomas, Martindale, Patterson, Coyle, de Freitas, Whittaker, Subs: Powell, Cumberbatch, Westhead.

Sheffield United: Mercer, Fickling, Nielson, Foran, Beesley, Hartfield, Scott, Quinn, Veart, Hodgson, Hawthorn, Subs: Foreman for Nielson, Anthony, Bibbo.

15th October 1994**

**Bolton Wanderers v
Blackpool
Result Won 1-0 Scorer
Evans**

In our first home game for some time we played Blackpool at our Euxton training ground. The pitch was in excellent condition and with the weather being mild, it was a perfect day for a football match.

The first twenty minutes were very well contested with Blackpool passing well and we were tackling to win the ball. We had a let off as Blackpool's striker shot just past the post. The midfield were winning the ball well, but then slack passing gave it back to our opponents. This reduced our attacking threat to one or two efforts during the first half. The back four defended well despite all Blackpools possession and stopped any threats on our goal. Robin Hamilton had to

leave the field after receiving a bang on the head, giving him blurred vision in his left eye. Bowman replaced Hamilton who, after a precautionary check at hospital, returned to watch the second half of the game.

At half time I asked the team to take more care when passing the ball and to try and play with more quality when in possession. The response was excellent as we started to produce some fluent football and we moved with more purpose towards the Blackpool goal. Evans was rewarded for a hard working effort with a goal. A left foot drive which gave the Blackpool keeper no chance. The passing and movement of the side improved more after the goal, and Evans was unlucky to see his curling right foot shot hit the post after a good turn in the box. Despite a late rally by Blackpool in which Lloyd in goal made his only save of the game we finished strongly to win the game.

Team: Lloyd, Martin, Aljofree, Cumberbatch, Leather, Redmond, Quinn, Whittle, Evans, 1 goal, Hamilton, Marsh

Subs: Proctor, Bowman on for Hamilton.

Enjoy the game

ASSOCIATE MEMBERS CUP

This League competition has come under sponsorship guises as the **Freight Rover Trophy, Sherpa Van Trophy and Autoglass Trophy.**

The Wanderers played their first game in what was then known as The Associate Members Cup in February 1984, losing 2-1 at Burnley in a straight knockout competition.

The following term it became the Freight Rover Trophy and Bolton reached the Northern Area semi-final before going down 2-1 at home to Mansfield.

In 1986 a crowd of 12,120 were at Burnden to see the Wanderers reach Wembley after defeating Wigan Athletic 3-1 on aggregate in the Northern final. Bristol City took the trophy but it gave many supporters the first opportunity to watch the club perform under the twin towers.

Chester won at Burnden in 1987 in a Northern Quarter final and the following year Bury won a first round tie at Gigg Lane, the competition then being known as the Sherpa Van Trophy.

Extra time was needed in three games during 1988-89 as the club went on to win the trophy after defeating Torquay United 4-1 at Wembley. The Gulls took the lead before Bolton came storming back with goals by Darby, an own goal from Morrison, Crombie and Morgan.

The 1990 competition became the Leyland DAF Cup and once again Bolton put up a good showing before losing 2-1 at Tranmere in the Northern semi final.

In 1991 the club failed to qualify from the qualifying round whilst in 1992 Crewe ended interest in what had then become the Autoglass Trophy.

The clubs final game in the competition came in February 1993 when Huddersfield Town won a second round tie at Leeds Road.

Our overall record in the competition is as follows:-

**PLAYED 42 WON 24 DRAWN 6 LOST
12 For 58 Against 43**

ASTLEY BRIDGE:

In the early days of organised football the Wanderers met Astley Bridge on a number of occasions. Although the majority of these were nothing more than friendly games, the Wanderers remained unbeaten in all encounters, registering such scores as 8-1 in October 1881 and 7-0 in August 1886.

The clubs met in the Bolton Charity Cup final in 1882 and 1888 with the Wanderers taking the trophy on both occasions.

a 'WANDERING' we will go...

To Molineux the impressive home of our rival **Wanderers, Wolverhampton** on **Saturday 12th November 1994** kick off **3.00pm**.

Coaches depart Burnden Park at 12 noon. Price £6.50 members £8.50 non members.

At the time of going to press the match is in doubt due to international duties.

One of our matches of the season on Saturday 12th November against the Wolves. Graham Taylor has built a team which he hopes will lead to an automatic promotion place in the Premiership at the end of the season. Wolves home record is very impressive this season, but puts pressure on them, as every team that travels to Molineux always give of their best. The boys know what's needed and are confident of travelling back up the M6 with three points.

The success of Wolves unfortunately means Bolton have been allocated only a small amount of tickets for the game. These are seat tickets in The Jack Harris stand and are priced at **£10.00** with no concessions.

The match is all ticket with no tickets sold on the day of the match.

The matchday programme is **£1.50** and the nearest railway station is Wolverhampton.

There is car parking at West Park and adjacent North Bank but after that there is very limited parking close to the ground. Coaches and Buses will be directed by the Police.

Police Force is West Midlands **0902 27851**.

For wheelchairs and blind commentary please phone Wolverhampton Football Club on **0902 712181** for further details.

How to get there:

Use motorway **M6** until junction **10** leave motorway and follow signs **Wolverhampton A5** then **A449** and at roundabout take **2nd exit** into **Waterloo Road** then turn left in **Molineux Street** for **Wolverhampton Wanderers FC**.

Enjoy the game, have a safe journey and add plenty of time for roadworks.

COMMERCIALY SPEAKING

The Commercial Department has just seen the launch of our Christmas Festive Fun Lottery ticket, a ticket with over £20,000 in prizes to be won by you. This follows the sell out lottery ticket featuring John McGinlay, our club captain, dominating the front and which made the ticket pure Bolton Wanderers Football Club. At 50p per ticket it's great value with local people winning the prizes on offer.

Every time you buy one of our lotteries whether it be lottery tickets, goldline, lifeline or golden gamble your money goes directly to the club. This enables the manager Bruce Rioch to compete in a very competitive transfer market to bring players into this club which will enable us to succeed in our aim of gaining promotion to the FA Premiership.

Your support of these schemes has been fantastic and we are sure you will carry on keeping Bolton Wanderers Commercial Department top of the league.
