welcome to swindon town

Although our own hopes of reaching the end of season play-offs may have disappeared, we can still play a major part in who does finish in a top six position.

That is certainly the case today as we entertain an Ipswich Town team who just outside the play-off zone.

Three points will keep the Portman Road side very much in the hunt for a move up to the Premiership but we are keen to finish with a flourish after a recent barren spell which has seen just one win in seven. The Blues sneaked a 3-2 win last November, taking advantage of a sluggish start by Swindon so today we attempt to prevent Ipswich from grabbing a double and at the same time dent George Burley's promotion hopes.

A point made

After two heavy defeats over Easter, Swindon stopped the rot with a goal-less draw at home to Ronnie Whelan's Southend United last week.

In front of a disappointing crowd of 6,730, Steve McMahon's injury-hit side showed the battling spirit he had called for against a United team who were literally fighting for their First Division lives.

A revamped defence kept Southend at bay for most of the match with Fraser Digby only called upon to make one serious save in the whole 90 minutes. At the other end, Swindon went close several times with the woodwork denying them on three Before the interval Darren Bullock saw a shot pushed onto the bar by Southend's man of the match goalkeeper Simon Royce. And Royce couldn't believe his good fortune when Steve Cowe's shot came back off the far post and bounced straight back into his arms.

After the break newcomer Graham Anthony went closest to breaking the dead-lock when he stormed through and fired a shot against the woodwork.

Three games to go

After today's fixture we have just three games to go until the end of the 1996/97 season.

Next Saturday we pay a visit to the nearby Manor Ground to take on arch rivals Oxford United in an all ticket encounter. Then on Saturday April 26th we bring the curtain down on our home campaign when Crystal Palace are the visitors.

The Eagles look set to swoop on a play-off spot but wouldn't it be nice to complete a league double over the Londoners and leave the County Ground on a high.

Our final game of the season takes place on Sunday May 4th at Huddersfield's impressive Alfred McAlpine Stadium.

The mere mention of Huddersfield brings back happy memories - remember the 6-0 hiding we handed out to them last October?

Call ClubCall

Don't forget that the only way to find out exactly what is going on here at the County Ground is by ringing ClubCall on 0891 121 640 - the official voice of Swindon Town.

What if a house went up for sale that was only 50 yards from the ground?

Nationwide Mortgages

You know the last house in the street you pass every Saturday just before the entrance to the ground? Well it could go on the market at any time. Imagine living in that house. You could leave for the match at five to three and still have time to get a burger before kick off, wake up every morning to see the glorious sight of deserted turnstiles, the same birds that eat worms from the pitch would also eat from your bird table. It's nice to know that should it become available you could get a mortgage quote and a decision, in principle, within an hour. To find out more about Nationwide mortgages or any other financial matter just give us a call. All the best for the season!

the manager Steve McMahon says

After our two previous results I was relatively pleased with what happened here at the County Ground last Saturday against Southend United.

We got some pride back and there is no doubt that we should have won but overall I was a lot happier with the commitment shown by what was a patched up team due to injuries and suspension.

Lots of chances were created, we hit the woodwork three times and on another day we could have won quite comfortably.

But in the end we had to settle for a point and keeping a clean sheet was important as we had been leaking far too many goals.

Today we will need to show more battling qualities against an Ipswich Town side who are right up there in the race for promotion.

All credit to George Burley who despite having to sell a couple of players, has still managed to keep Ipswich up in the play-off picture.

Talking of selling players, that could be an option for us during the summer in a bid to raise funds to help me strengthen the squad.

We are going to try and raise as much money as possible by whatever means, whether it be by a share option or selling a player or two.

After a year of consolidation the time has come for us to be a bit more adventurous and really start to push for the play-offs.

The foundations are now set, we've done what we wanted to do and now we need to kick on. But to achieve that I need some money to spend.

In the meantime the current squad are now playing for their places for next season so our season is not dead by any means.

They also have a responsibility to play for you the fans and that's

what I will be looking for during our last few matches.

We still have some big games to play with lpswich here today and Crystal Palace coming in a couple of weeks so there is no doubt we can have a say in who goes up.

And of course we go to Oxford next Saturday when there is a lot of local pride at stake.

On paper we are two mid-table teams who aren't going too many places but I can assure you that game will be a cracker - see you there!

today's visitors

This afternoon we welcome the players, supporters and staff of Ipswich Town Football Club to the County Ground. We hope that everybody enjoys the match and has a safe journey home after the game.

Following their near miss of last season - when Ipswich finished in seventh spot after failing to beat Millwall in the season's final game - the Blues are once more in the promotion Play-Off hunt this time around.

The Portman Road Club suffered an up and down start to the current campaign, with League goals proving hard to come by following the £1 million sale of last season's top scorer, lan Marshall, to ende Leicester and a subsequent shoulder injury to the equally prolific Alex with Mathie which has kept him out action since October 1996.

But youngsters James Scowcroft and Richard Naylor have come in and done a good job up front for Ipswich, while the signing of defender

Jason Cundy for £200,000 in November proved a masterstroke by manager George Burley.

Cundy's power and experience at the back revitalised a struggling Ipswich side and led to a run of just two defeats in 16 League games from December until mid-March, helping the Blues climb the table into the Play-Off positions.

Unfortunately for Ipswich fans, that run was immediately followed by three

losses in four games and a slip away from their newly-found top six status.

It would not be surprising to find supporters' minds elsewhere this afternoon, as Ipswich are scheduled to play host to close rivals Norwich in an eagerly anticipated East Anglian derby 'live' before the cameras of Sky TV on Friday night.

We have already faced Ipswich once this season, at Portman Road, when we ended a thrilling match on the wrong end of a 3-2 scoreline. Steve Sedgley with a penalty - James Scowcroft and on-loan Gerry Creaney scored for the Blues that day.

We can rest assured that Steve McMahon and his troops will be doing their utmost to make

amends for that result this afternoon.

a closer lookat Paul Mason

A prolific left-sided midfielder who is the Club's leading scorer for 1996/97, with 14 goals at the time of writing, Paul Mason certainly seems to have settled his differences with the Club he asked for a transfer last year.

Formerly with Everton and FC Groningen (Holland), it was at Aberdeen that he really made a name for himself. During five seasons with the Scottish Premier Division Club Mason established himself as a major force in the Dons' midfield and enjoyed the highlight of his career to date when scoring

both goals as Aberdeen defeated Rangers in the 1990 Skol Cup Final.

As far as dramatic winners go, the 33-year-old Liverpudlian has something of a happy knack. In 1994/95 he scored twice as Ipswich beat mighty Man Utd 3-2 at Portman Road and then last season he scored a cracking 20-yarder to dump reigning Champions Blackburn out of the FA Cup at Ewood Park.

With an eye for goal and a powerful shot off either foot, Mason can create goalscoring chances from anywhere on the field.

George Burley the manager

From the day he made his senior debut for Ipswich - as a raw 17-year-old marking Man Utd's legendary George Best - George Burley has had a place in his heart for Ipswich Town.

A product of the excellent
Portman Road Youth system of the
1970s, he blossomed under the
managership of Bobby Robson and,
having joined the Club as a schoolboy,
went on to play more than 500
senior games for Ipswich, as
well as winning Youth,
Under-21, Under-23

and Full international caps for Scotland.

player profile

IPSWICH TOWN

First choice goalkeeper at Portman Road over the last couple of seasons - and one of the brightest young prospects in the country is 19-year-old RICHARD WRIGHT. A product of the highly-rated Ipswich Youth system, Wright has come up through the ranks at Portman Road to claim the number one shirt ahead of Craig Forrest, the Canadian number one who is currently on loan at Chelsea. An England Youth international, Richard was called up for training with the Full England squad under Terry Venables and has been tipped as a future international star.

His understudies at present are the on-loan LEE BRACEY, from Bury, and 18-year-old JAMES HOLLMAN, another teenager to have progressed from YTS at Portman Road.

Like many Clubs these days, Ipswich are often to be found employing two wing-backs, and US UHLENBEEK and MAURICIO
ARICCO can claim to be among the best in the Nationwide League in that position. Uhlenbeek is a pacey right-sided player who came to Portman Road from SV Tops in his native Holland in the summer of 1995. Originally a wide midfielder, George Burley has switched him to defence with great effect. Taricco is one of the most improved players at Ipswich this season. and his contribution down the left flank where he links well with top scorer Paul Mason - has been invaluable. An Argentine U23 international, Taricco signed from Argentinos Juniers as part of the same deal which took Uruguayan striker Adrian Paz to Portman Road early in the 1994/95 season. He struggled for a first-team place that term, but has become a valuable member of George Burley's squad over the

The experienced **TONY MOWBRAY**, formerly Middlesbrough and Celtic, has recently returned to first-team action after a lengthy spell sidelined with hernia and groin problems. An England 'B' international, he is the Club Captain and a determined competitor.

TONY VAUGHAN is one of several home grown youngsters to be making a name for themselves in the Ipswich first-team. On the books of Manchester City as a boy, this 21-year-old former

England Youth and Schools international is a strong and aggressive left-back or central defender who has already played more than 50 senior games.

The £200,000 signing of JASON CUNDY in November has proved to be the move which transformed Ipswich from also-rans to Play-Off contenders. Originally brought to Portman Road on loan, the former Chelsea and Tottenham defender has given his new Club added strength and stability at the back. It is no coincidence that the Blues' recent poor run has come while Cundy has been sidelined with a shin injury.

first signing for Ipswich when he moved from Doncaster for £225,000 in March 1995. A Ipswich trainee as a youngster he failed to make the grade at Portman Road first time round and was released to Peterborough before drifting into non-League

football. Doncaster signed him from Guisborough in October 1993 and he quickly won

many admirers with his powerful displays at the back. It is only this season that Chris has established himself in the squad, making the most of injuries to the likes of Mowbray and Cundy to gain a first-team foothold.

The hugely experienced JOHN WARK - ex-Liverpool and Scotland - is now in his 40th year and still pulling on his boots for the Club. His last first-team appearance came in a 1-0 win at QPR in October, but he has recently recovered from a back injury and can still be found lining up for the Reserves.

In midfield Ipswich can call upon the services of the long-serving INICK STOCKWELL, who recently became Ipswich's fifth highest appearance maker of all-time - one place behind his current boss George Burley. An enthusiastic and skilful right-sided player who is happy in defence or further forward - and has even played at centre-forward for the Club - Mick has enjoyed a fruitful partnership with Gus Uhlenbeek this season and has grabbed six goals at the time of writing

last two years.

PLAYER PROFILE

Last season's Player of the Year at Portman Road was **SIMON MILTON**, a local non-League discovery who signed for £5,000 back in July 1987 and who helped the Club to the old Division Two title in 1992. A shrewd passer of the ball with an eye for goal, injuries have restricted his appearances this term when he has been stuck on 49 League goals for the Club.

DANNY SONNER is a Northern Ireland 'B' international who was snapped up on a free transfer from German Club Preussen Koln last summer and has scored some spectacular goals for Ipswich this season. Signed mainly as a midfield playmaker, Sonner has lost his place in recent weeks to record signing **STEVE SEDGLEY**.

Formerly with Coventry and Tottenham, Sedgley is a classy performer who is equally happy in the centre of defence, as a sweeper or in midfield. Ipswich's penalty-taker he recently played his 100th League game since signing for £1 million from Tottenham in June 1994.

Recently returned to the first-team fold after serving a three month ban after testing positive for cocaine in January, ADAM TANNER is a highly-regarded youngster who will be looking to put the past behind him and re-establish himself in the senior side.

Former Welsh international **GERAINT WILLIAWS** began his career with Bristol Rovers before moving to Derby, from where he joined Ipswich for £650,000 in July 1992. A highly competitive midfielder who relishes a battle, Williams has scored just two goals for Ipswich in nearly 190 League games.

The latest player to have stepped from the youth ranks at Portman Road is 18-year-old England Youth international **KIERON DYER**. A gritty competitor despite his wiry frame, Dyer is a good passer of the ball and not afraid to have a go at goal.

Another youngster to have made his first-team debut this season is Scotland Youth midfielder **STUART NIVEN**.

BOBBY PETTA is the second of Ipswich's two Dutch stars, having moved to Portman Road from

Feyenoord on a free transfer in July 1996. Lightning quick, with good skills, Petta has struggled with illness and injury this term, but this former Holland Under-21 international is still sure to pose a potent threat when called upon.

Last season's top scorers in England, Town have struggled for goals a little this term thanks to the loss of both of 1995/96's top scorers - Alex Mathie (shoulder injury) and Ian Marshall (sold to Leicester).

But in 21-year-old **JAMES SCOWCROFT** they can call on a player who has won many admirers this term with his strength, power in the air and good touch. An England Under-21 cap, Scowcroft has scored seven times so far this season at the time of writing, with a double up at Bolton handing the Trotters their only home defeat this season.

Combative 20-year-old **RICHARD NAYLOR** - nicknamed Bam-Bam at the Club after the Flintstones character - won representative honours at rugby as a schoolboy but chose to follow a career in football. Transformed from central defence to a powerful striker at Ipswich, Naylor is not afraid to put his head in where it hurts in pursuit of goal, courage which earns him more than his fair share of both bookings and injuries.

Zambian-born **NEIL GREGORY** is yet another player to have progressed from the Youth team to the senior side at Portman Road, although he has struggled for first-team chances. Loan spells at Chesterfield and Scunthorpe - where he netted seven times in 10 appearances - have given him the majority of his League experience, and he was comfortably top scorer in the Avon Insurance Combination League for last season. Injuries to Scowcroft and Naylor gave Gregory his first-team chance at home to QPR in February - and he responded by scoring five goals in eight games, including a neatly taken hat-trick against Sheffield United.

Finally, George Burley took Swedish international NIKLAS GUDWUNDSSON on loan from Blackburn Rovers shortly before Transfer Deadline Day and the powerful striker provides important cover up front for Ipswich.

In recent years there has been some debate about the exact founding date of Swindon Town F.C. This arises over whether it should be from the merging of the Spartans of Old Town with the St Marks Church team from New Town, or, whether the origin of one of the founder clubs should be the date. The club itself seemed to have taken the former course when at the start of the 1981-2 season they staged a Centenary match.

The visitors were Ipswich Town, at the time holders of the UEFA Cup which they won by defeating AZ 67 of Alkmaar in the Final. Before the match started the Ipswich team paraded the trophy around the ground and Swindon defender Russell Lewis was presented with his player of the Year award won the previous season.

David Peach, Kenny Stroud and Andy Rowland were missing from the Swindon team due to injury while Chris Kamara was omitted by manager John Trollope as he was in dispute over signing a new contract.

Ipswich took the lead in the 29th minute when Russell Osman moved out of defence to head home a free kick by Dutchman Arnold Muhren but apart from this, Swindon's inexperienced defence which had an average age of just 20, hung on well and a much improved display on the 1-0 defeat at Witney in the previous friendly was given.

Swindon commemorated their visit with a centenary Magazine costing 40p. In it Bob Jeffries, the Swindon Administrtive Manager/Secretary wrote "It is unfortunate that we reach our Centenary at a time when economic pressures are presenting great difficulty to most clubs within the Football League." Ah well some things never change.

talkin' tactics

We said last week that it was important to show a determination and effort if the football wasn't brilliant against Southend.

And we didn't let ourselves down in that department as that was exactly the way the game went.

We didn't have our strongest side out and it was a good test of character not just for the players out there but for the Club in general.

To restrict them to just one shot on target in 90 minutes says a lot for the determination of the players to keep our opponents out.

And of course it was pleasing to keep a clean sheet, particularly having conceded so many goals in the two games before that.

We defended well as a team and on another day we could have emerged with a comfortable victory after hitting the woodwork three times and their keeper putting in a man of the match performance. It was an important point to collect and now we need to continue with improved performances until the end of the season.

Today's game is a massive one for Ipswich who are still in with a chance of making the play-offs but we won't be doing anyone any favours and we're just as keen to finish off the season in style.

We're starting to build now towards next season with several players fighting for contracts so there is still a lot to play for even though we can no longer finish in the top six.

Finally a quick word about the Chief Wayne Allison.

It was great to see him score a couple of goals for the Reserves during the week against West Ham after completing his three match suspension and no doubt he'll be itching to get a start today.

We've missed his presence in both boxes and it will be a big boost to have him back.

Enjoy the game and I'll speak to again at the Crystal Palace match.

We are almost at the end of yet another season with just one more home game to play - Crystal Palace - after today.

This time last year of course the County Ground was a hive of excitement as we carried off the Second Division Championship in style. Today the buzz might be missing as we plod to a mid table finish but the ambition is still as bright as ever.

When all is said and done Steve McMahon has delivered the goods yet again. Okay the Gaffer, like many of our supporters, has been disappointed and frustrated with some of our performances because he felt that more could have been achieved at the time. Yet if we reflect back a year to those glorious scenes of triumph and the immediate plans for the future you will recall the target this season was simply to establish ourselves in Division One.

There can be no argument that this has been achieved and next season no doubt the manager will be steering us on the next step as we move towards the Premiership. Better he should build firm foundations from which to launch our challenge than go careering through the divisions to end up again as one season visitors to the Premiership.

Patience is a word Steve McMahon often uses and it applies to us all. It might be hard to sit back and see others fighting for the honours this spring but our time will come again. Perhaps bottom of the table **Southend** had more to play for last Saturday but three times the **Southend United** goal frame denied us victory.

Congratulations to *Bolton* who return to the Premiership, promotion assured with five games still to play. They needed one point at *Manchester City* on Wednesday to clinch the Championship and manager Colin Todd can now plan how best he is going to invest the £20 million transfer fund that is being made available to him.... eat your heart out Steve!

There will be celebration at Burnden Park this afternoon though Oxford United will do their best to spoil the party. Our neighbours were tripped up at home by Port Vale last week but if Bolton were successful at Maine Road they might capitalise on the reaction.

The big issue now is who will finish second. Barnsley looked favourites until they lost at home to Birmingham while Welsh international Iwan Roberts was revitalising Wolves' challenge. He netted a late winner in a bruising 3-2 victory over Norwich at Molineux.

Barnsley still have the edge. They are a point ahead of Wolves and have a game in hand but the pressure is on for maximum points from the home game with Charlton today. It looked like a bad attack of promotion jitters as Birmingham snatched victory it was the Tykes first defeat in 11 games. Wolves have no qualms about their trip to

Reading their away record is second to none and Elm Park will be smothered in black and gold favours. I expect Bully and

Wolves to shade it.

The battle for the play-offs gets even hotter. Sheffield United beaten at home by West Brom, are still well placed but looking decidedly vulnerable. Indeed Port Vale are the inform team in this group with Portsmouth, Ipswich, Crystal Palace, Norwich and Tranmere spluttering hot and cold.

John Rudge must be expecting another three points from Oldham. The Latics, destroyed 4-0 at Ipswich last week, really do look Second Division bound. True Neil Warnock has them more organised and has ignited some passion from his men, and I hear from an insider that he will be offered the job at the end of the season come what may, but it looks as if he is going to have to follow in Steve McMahon's footsteps and drop down before coming up. The man they will have to watch today is Lee Mills - 7 goals in six games for the Vale Striker.

The Portsmouth v Tranmere clash is the First Division match of the day. Pompey are three points and four places better off but made hard work of beating Grimsby 1-0 at Fratton Park on Saturday. Jimmy Carter, once on Arsenal's books, was the hero in his first appearance since November.

Crystal Palace seem to have lost some direction since the departure of Dave Bassett. The Eagles have won only one of their last five at Selhurst Park so will welcome the trip to Bramall Lane. It's a real six-pointer.

Today we would like to extend a warm Saturday Team Club welcome to our guests from Swindon 6th Cubs group, FC Chippenham Youth and Hardwick.

We hope you enjoyed your coaching this morning and let's hope we are in for a great match this afternoon.

I would personally like to take this opportunity to thank everybody at Liden Pumas for making us so welcome at their Fun Day on March 23rd.

It was a brilliant afternoon and everyone appeared to have a thoroughly enjoyable time.

The semi final stages of the Community Office Eight-a-Side tournament are to be played on Friday 18th at Greendown.

The draw sees Windmill Hill take on Wroughton and Southfield playing against Lethbridge in what promise to be two cracking encounters.

The games start at 4pm and will consist of 10 minutes each way. I'll give you full reports on both encounters in our final column in two weeks time when we take on Crystal Palace here at the County Ground.

Until then take care and we will see you soon.

Have Your Say

Swindon Town are proud of their junior supporters and offer one of the best packages in the league for the Junior Robins. We do however, want to expand on the benefits and find out what you like, dislike and how you think we could improve the membership and that is why you have all received a questionnaire. Thanks to everyone who has returned theirs already and it is still not too late to have your say. Plus, if you get them back to me before the 14th April your name will go into a draw to win a day out at the County Ground. All questionnaires returned by the end of the season will be gratefully received.

Junior Eagles Visit

Saturday 26th April sees our last home game of

the season against Crystal Palace. It's only two weeks since the Eagles and Robins last played a football friendly, prior to the international game, where everyone had a fantastic day. The Junior Eagles will be visiting the County Ground for pre-match activities and if you would like to join in the fun for the last time this season, meet at the changing block at 11:00am.

Last week at the County Ground we played Southend United and the Town's mascots were from left, Alex Cannon, Kieran Gennoy and Jonathan Wheeldon.

YOUTH team focus with Tommy Wheeldon

South East Counties League Division Two

Southampton Youth 0 Swindon Town Youth 2

We recently travelled to Marchwood to play a rescheduled league fixture with Southampton who were lying in third place with aspirations of winning the championship should Luton Town or Crystal Palace slip up.

But we certainly threw a spanner in the works as the boys produced their best performance of the season to clinch a 2-0 win.

This result was even more pleasing as it was shortly after

some arduous travelling back from Belgium and it was achieved with two schoolboys in the team.

All of the players played their part in a marvellous team effort with some fine individual displays notably by Alex Finlayson up front who probably had his best game for the Youth

team.

Thomas Wheeldon and Stuart Hodson defended solidly to give ample protection for our trialist goalkeeper Vinney Stringer and I also admired the performance of Chris O'Connell who has been on the outside looking in mainly due to his stength, but he showed some lovely skills and took his opportunity well.

Chris scored the first goal after 15 minutes when he cut in and placed his shot wide of the keeper following a lovely move down the left flank.

Paul McAreavey, our other schoolboy, then had two wonderful chances to wrap the game up in the first half but managed to slide his efforts inches wide of the target after some great inter-passing in the midfield.

In the second half Southampton caused us problems from their dangerous in-swinging corners but the defence and goalkeeper Stringer

stood firm.

The lads then began to dictate the play and it was no surprise when we scored a second after 65 minutes through Sol Davis who powered home a header following good work by Chris O'Connell.

During the closing stages the boys kept possession and played some

attractive, neat football in the right areas to produce a very professional display against one of the best teams in the South East Counties League

South West Counties League Cup quarter final Swindon Town Youth 4 Cheltenham Youth 2

A gutsy all round performance by Swindon put them into

the semi finals of the League cup competition after seeing off the strong challenge of Cheltenham.

Playing with a strong wind in their favour during the first half, Swindon impressed with some neat inter-passing and they got a deserved break through when Chris O'Connell scored with a fine finish.

After the interval Swindon were subjected to an onslaught but with Gareth Cope and Stuart Hodson holding the defence together Cheltenham were unable to find a way through

and it was Swindon who broke away to score a second through Alex Meechan.

Swindon then began to control proceedings and a well taken header by Mark Simpkins made it 3-0 before the visitors pegged one back.

A goal by Simon Futcher put the issue beyond doubt and although Cheltenham scored a late consolation there was no denying Swindon who stormed into the semis where they faced arch rivals Cirencester today (Saturday).

Team: Stringer, Taylor, Futcher, Cope, Hodson, Simpkins, MacDiarmid, O'Connell, Tuck. Meechan. Subs: Mills, Penning, McSherry.

SHOWING OFF THEIR SILVERWARE

The Swindon Town Youth Team squad and coaches who finished runners-up in the Kastel Cup in Belgium

centre with Phil Cannon Of excellence

It's all gone a bit quiet on the footballing front with no games for the youngsters last weekend.

However there are plenty of matches coming up over the next few days and I will fill you in on how we have done in my last set of programme notes in a couple of weeks time.

I thought this would be a good opportunity to say that we are still looking for sponsors to help finance the two tours which we will be going on during the close season.

The Under 11's, Under 12's and Under 13's are all travelling to

Torbay for a tournament known as the Totnes Cup.

Meanwhile the Under 14's are going over to Ireland to take part in the prestigious Irish Milk Cup.

Obviously going on these trips costs us a lot of money and although the boys themselves have done some fund raising to help boost the coffers, we could still do with some more support.

Saying that we have been fortunate enough to be given a financial boost by several major companies and one of those we would like to welcome today.

Telstra will be presenting the Centre of Excellence with a cheque for £500 before today's game and on behalf of the Club I would like to say a massive

thank you to them.

Nationwide and Castrol have also chipped in to give us a cash boost so once again - a big thank you to them for their support.

Enjoy the game and I look forward to speaking to you soon.

reserves roundup

Avon Insurance Combination League West Ham Utd Reserves 1 Swindon Town Reserves 3

The Chief Wayne Allison celebrated his return from

suspension with two goals as the Reserves continued their imressive run which has seen them win four games on the trot.

This was a game we were expected to win against a West Ham side full of youngsters but we started poorly on a difficult surface at Dagenham and Redbridge and fell a goal behind after just 10 minutes when we were caught out by a long ball over the top.

We struggled to come to terms with the conditions and it wasn't until just before the half time break that we finally managed to get back on terms when Michael Pattimore made an important block and the ball fell to Wayne Allison who turned and fired into the corner in typical style.

The second half saw us take control and in the 51st minute a corner was taken short and Alex Smith's whipped cross was glanced into the top corner by the Chief to make it 2-1.

I was 3-1 mid-way through the second half when Kevin Watson fed Steve Finney down the left and he cut in before hammering a shot inside the near post.

We looked comfortable throughout the remainder of the game as we kept the ball well and gave West Ham very little hope of a recovery.

There were one or two half chances before the end but I was pleased with the result which kept our improved run going.

It was good to see Gary

Elkins come through the 90 minutes after his recent back complaint and of course it was great to have the Chief back following his three match ban.

Winning Ways By Dave Hollister

The Nest-Egg half time draw is Sponsored by

MECSERPLEX

Although we struck the woodwork three times against Southend last Saturday and still only secured one point, Liz Andre of Chippenham hit the nest egg jackpot to win £505!

This means that the winning amount found its way to Chippenham! Our previous winner from chippenham goes back to the Oxford Utd. Game on 30th August 1995 although nearby lacock was successful against Manchester City on 2nd November 1996.

There will be a programme fair in the supporters Social Club on Saturday 17th May 1997. There will be thousands of programmes both old and new available including the 1997 FA Cup Final Edition. Full details of this event will be listed in our matchday magazine vs Crystal Palace on 2th April.

Whilst on the subject of programmes, I was browsing through some old ones involving today's opponents before writing these notes.

It was interesting to recall that 19-years old Roy Onslow made his league debut at Portman Road on 8th November 1947.

Morris Jones made his home debut for the Town in the first round of the F.A. Cup three weeks later. This was against Ipswich and he scored twice in a 4-2 victory. Another 4-2 victory against the visitors from Suffolk occurred in 1987. Phil King probably still remembers his goal on that day!

Now for your last chance to win an autographed football this season. Who made his 127th league appearance against Ipswich on 14th October 1989? The first correct entry opened on Friday 18th April will be the winner. Name you favourite player when entering and we will arrange for him to present the ball to you prior to kick-off against Crystal Palace!

lan Culverhouse has seen our club specialist this week regarding his right ankle injury.

His problem does not seem to be soft tissue (ie muscle/tendon or ligamentous) but could well be an injury involving the three bones that make up the ankle joint - the tibia, fibula and talus.

He was due to have a scan on Thursday afternoon to verify the diagnosis but we believe he may have a condition known as "impingement exotoses" or footballers ankle in laymans terms.

lan has had surgery twice previously on this troublesome ankle and until we know the results of the scan, we won't know the extent of the damage or the immediate future treatment necessary.

One thing is certain however - that is lan will not be involved in the remainder of the season.

Meanwhile skipper Mark
Seagraves is taking things a
day at a time as he tries to
recover from strained
muscles in his
groin/abdominal region.
On a much brighter note
Gary Elkins played 90 minutes

for the Reserves against West
Ham United during the week
and apart from being a little
tight and stiff in his lower
back region, he came
through unscathed.

Mark Walters and Lee Collins continue to improve with Mark now mobilising and working his knee.

Mark is still on his crutches and will be for the next six weeks or so.

He still has a little bit of swelling in his knee but the specialist is very pleased with

his progress so far.

the shadow board

These notes are being written ahead of the Open Forum, which is a 'sell out' and which was hopefully a lively evening - highlights next time in the Palace notes!

Earlier this season we saw Glenn Hoddle taking the Sheffield Wednesday band to Wembley to inspire England. Perhaps he should come back to the County Ground to hear our own drummer pounding out the beat! Even when things are not going brilliantly on the pitch it is great to hear the Intel end doing their best to lift us all - keep up the

good work lads. How about a Swindon band next season?

We are very pleased with the response from fans interested to join the Shadow Board. A short list of applicants will be invited to meet the Shadow Board later this month as part of the selection process. There are still a few days left to apply if you too would like to experience life in the Shadows!!

Finally, good luck at Oxford ladslets end the season on a high note with a result at the Manor Ground and then the double over Palace!

benno gives his view

By Colin Benson

The Coca-Cola Final fell flat last Sunday. Even the garnish of Brazilian and Italian masters could not spice things up.

It was obviously desperately disappointing for Middlesbrough who with three minutes to go had their hands on their first major trophy. Ah well they do get a second chance.

The most impressive performance of the day was delivered by Bryan Robson in the after match press conference. He dealt with all questions in his usually honest and forthright way and put things nicely in perspective when asked if it was a bitter blow to his team's confidence.... He answered. "It could have been worse. It could have been nil-nil when they scored."

A reply to add to the fight against relegation and tomorrow's FA Cup semi-final with Chesterfield and Alex Ferguson thinks Manchester United are hard done by... If Boro and Chesterfield need a replay Robbo's team will face five crucial games in eight days. Now that is pressure. But Robbo is not going to ask for more. quoted him as saying so but the truth is he dismissed the suggestion without reservation taking the stance that there was no point "as Alex Ferguson has already had a knock-back."

The public slanging match betwen Mr Ferguson and Arsene Wenger over this matter does not enhance the game's reputation I'm sure. The Manchester United boss said in a television interview that the Arsenal manager had criticised United and he felt duty dound to protect his club. Fergie lashed

out at the Frenchman claiming "He should keep his mouth shut." He went on to say that Wenger had thrown in his tuppence worth to influence the committee. "It's typical of someone being driven by self-interest," he added.

Of course nobody could ever accuse Fergie of such an indiscretion..... could they?

He then added a cynical attack on Liverpool manager Roy Evans because the Anfield chief expressed an opinion that did not back his own call for an extension to the season.... Really Mr Ferguson you are doing your image no good at all with this childish tit for tat. Perhaps you should heed you own advice and "Keep your mouth shut."

FIFA AT IT AGAIN

Yes the world governing body FIFA are moving the goalposts yet again. It almost seems an abssession now to make annual changes and introduce new regulations and restrictions to the way the game is played.

It is Fraser Digby and his goalkeeper colleagues who are once again the target for the international legislators. As from July 1st 1997 goalkeeper's will no longer be able to handle the ball direct from a throw in.

There is to be a six-second handling restriction also and keepers will be allowed to take only four steps with the ball in their hands.

Under the new laws, which were ratified at a meeting of FIFA's International Football Board in Belfast last month, an indirect free-kick will be awarded against a goalkeeper who handles the ball after receiving it directly from

a throw-in.

I asked Fraser Digby for his considered opinion - his reaction was predictable. Says Fraser: "I can't see that these changes will speed play up. At the moment there are enough restrictions on us and to say now that we can't pick it up from a throw-in is in my opinion counter productive. Forwards invaribly close you down so there are not that many opportunities to pick up anyway. So I can't see this making a lot of difference to the open play.

"As regards the six seconds. Is the referee going to stand there with his stop-watch counting off six seconds every time the goalkeeper gets the ball? I find it all a little ludicrous to be honest. Why don't they just leave the game alone. We have had enough restrictions over the last few years."

I couldn't agree more. To my mind this daft imposition is only going to lead to poorer football because if the goalkeeper has to rush his clearance the quality of the ball will not be so good.

"That's exactly right," says
Fraser. "All the keeper is going
to do is look to get it and if he
can't throw it immediately he is
then going to have to hoof it
up the field so, as you say, the
quality is not going to be there.
If we have to get rid of the ball
much quicker and the outfield
players aren't looking for the
ball and you have not got an
option on, all you can do is a
quick kick up field and it will
totally kill the game... but still
never mind. We have to put up
with these things and I retire in
a few years, hopefully before
they ban us from handling the
ball altogether."

with Mark Seagraves

Last Saturday's result was just what the doctor ordered as we ended a dismal series of results with a battling performance against Southend United.

It was important to keep a clean sheet which we did and the only real disappointment was that we didn't score even though we created lots of chances and hit the woodwork no fewer than three times.

The lads have regained some of their confidence again now after some bad publicity and on Saturday they showed without a shadow of a doubt that there is still a lot of grit in the team.

This afternoon we face

another difficult test for very different

reasons. While

Southend were fighting for their lives, Ipswich are pushing for the play-offs and are desperate for the points today. But if we can show the same sort of attitude as we did last week then we stand every chance of coming out on top.

Ipswich will be having a real go which in turn will make us have a go so it promises to be a great game.

We're all keen to do well and get something from our last four games of the season.

It's important that we put in some good performances because the Gaffer is already

looking towards next season and its up to us to impress him every time we go out onto the pitch so as to keep our places when the new season starts.

Before I go a quick word about next week's local derby at Oxford. We all know how important it is to you that we do well against them and having beaten them 1-0 here at the County Ground it would be great to complete the double.

Although both teams are in mid-table with seemingly little to play for - neither side will take much firing up for that one.

On a personal note I've been struggling through injury but I hope to make a return soon.

spotlight on new signing

Having signed for Swindon until the end of the season, Geordie lad Graham Anthony is keen to impress and earn himself a longer stay here at the County Ground.

After six years with Sheffield United, the 21 year old was quick to make his move down south in the hope of gaining regular first team football and he is desperate to catch the Gaffer's eye.

"I wasn't getting a look-in at Sheffield so when Swindon came in for me I jumped at the chance of coming down.

"It gets you down playing for the Reserves week in and week out so I'm hoping I can do enough to get a place in the first team at Swindon and earn myself a new contract." he said.

Graham was first spotted by the Blades at the age of 15 and after signing on as a schoolboy he served his apprenticeship, and was part of the Youth team who reached the semi finals of the FA Youth Cup.

His skills had done enough to earn him a professional contract and although he made a few first team appearances he was unable to get on the team sheet as often as he would have liked and at one stage had a spell on loan at Scarborough.

"I had very few chances under Dave Bassett but when Howard Kendall came in and gave me a new deal I hoped this would be the start of better things.

"But Howard then started to

sign his own midfield men including the likes of John Ebbrell from Everton so I was pushed further down the queue and realised I had to get away.

"I'm glad Steve has given me an opportunity to show what I can do and I'll be giving it everything I've got to make a career for myself here." he commented.

Graham made his Swindon debut in difficult circumstances at Oldham Athletic where the team were well beaten in one of their worst displays of the season.

"It was a hard debut but I know we can do a whole lot better than that.

"Despite a difficult time over the Easter period the mood has still been alright and the lads are not totally down and out.

- Graham Anthony

"There has still been a good atmosphere and the lads have been brilliant in helping me settle in."

All Graham now wants to do is get settled in Swindon and concentrate on re-launching his career which was certainly going stale until Steve McMahon handed him a lifeline.

Just a short note to thank you and all your staff for your assistance in connection with the Under 21 International match staged at the County Ground.

We were delighted with all the efforts made by your Club. All arrangements were excellent and we were particularly pleased with the attendance. I would also like to congratulate you on the professionalism and friendliness of all your staff. They were a credit to Swindon Town Football Club.

Pictured is ardent Town supporter Daniel Brierley receiving a signed, framed team photograph from Scott Leitch who skippered the team in last week's match against Southend United.

Daniel, who was recently a Matchday Mascot at the County Ground is a big fan of Scott Leitch, so much so that he has even got Leitch written on the back of his Town shirt.

So he was all smiles when Scott strolled over to hand Daniel a gift and pose for a picture.

Mickey and Minnie Mouse were recently guests of the Club as they popped in to say hello to some of our younger fans, meet the Rockin Robin and at the same time pick up a signed shirt to help raise money for charity.

The Disney stars have been dropping in on all of the club's in the country to help raise cash for the Brittle Bone Society and they didn't leave the County Ground empty handed with the signed shirt being taken with them to boost the coffers.

Within the next few years Women's football is being reorganised so it was essential that the Town retained their First Division status in the Southern Region League.

At Present there is a National Premier league (Arsenal and Doncaster Belles play in that League) and a Division One North and a Division One South.

The rest of the country is split into ten Regional Leagues. The Town play in the Southern Region league that stretches from Bedfordshire and Buckinghamshire, the edge of London and down to the South Coast.

The winners of the Southern Regional League go into a playoff competition with the other Regional winners in the Southern half of the country and the winners then go into the National League Division One South.

The same thing happens in the North of England. It is proposed that next season the Regional League Division One is increased to twelve teams and the other three Division are merged and new area Divisions formed.

The following season, four new Combination Leagues will be formed. One in the North, one in the Midlands and one each in the South East and South West. The Southern Region Division One teams will be mergered with the South West Region League teams to form the new Combination League -South West.

Next season it will be important that the Town do well so that they can be part of this new set up but there is still a lot of talking and planning to do before these proposals can be formalised.

Eight of the Town's youngsters, Adelle Taylor, Sarah Richardson, Clare White, Zoe Gleeves, Hayley Johns, Susan Shaw, Hannah Povey and Leanne Taylor were part of the County Under Sixteen party that took part in a Four Counties Tournament in Dorset.

Wiltshire finished third and each of the Town's girls gave a good account of themselves.

Town Players have also been part of the Wiltshire Womens Senior team that has won

through to the final of the South Western Counties

Championship.
The Final,
against
Sussex, will
be played on
Melksham
Town's
ground on
Sunday 20th
April and kick
off at 2-00pm.

HOME QUALIFICATION

England qualified for the 1950 World Cup by virtue of being champions of the Home International Championships. Scotland, who finished second were also eligible for entry but refused to go on the grounds that if they were not British Champions they would not be World Champions. England regretted their venture also going out 1-0 to the United States of America. This defeat is still one of the biggest shocks ever in World Cup history.

FRIENDLY FINAL

In 1889 Celtic reached their first ever Scottish FA Cup final which was also at their first attempt. Third Lanark were their opponents but on the day of the final the ground was covered with a blanket of snow

and whilst it was not considered appropriate to play a final upon both sides agreed to play a friendly instead. One week later the sides met for real with Third Lanark winning 2-1.

WHITE HART INN

Tottenham first played their fixtures on Tottenham Marshes before moving in 1888 to Northumberland Park. Their next home was an old disused nursery with old sheds and greenhouses on the site owned by local brewers Charrington. The nearest public house was also owned by the brewery and was called the White Hart Inn. After one successful season playing there the club purchased the freehold from the brewery and thus began what is now known as White Hart Lane to this day.

RANGERS ENGLISH SEMI

Glasgow Rangers after withdrawing their first entry for the English FA Cup in 1885/86 entered the following year whereupon they faced Everton in Round One. Winning 1-0 they eased their way to the semi-finals where they lost 2-1 to Aston Villa in a fixture played at Crewe Alexandra.

EXTRA TIME AT A LATER DATE

On November 26, 1898 at Owlerton, The Wednesday's match with Aston Villa was abandoned after 79 minutes due to bad light with the Wednesday leading 3-1. The League insisted upon the clubs meeting once more, but only to fulfil the remaining 11 minutes, which they did on March 13, 1899.
