Alan Parry, Sky Sports Commentator and Director of Wycombe Wanderers Football Club

Welcome back to planet earth – and wasn't it a heavy landing? They say that after pride comes a fall and we're now discovering how true that saying is.

From the glamour of an F.A. Cup semi-final to the harsh reality of life at the wrong end of Division Two, the last couple of weeks has been a tough lesson for all of us.

The cup run - especially our performance against Liverpool - was a magnificent achievement, but that's now history. Like a grieving relative, it's time to let go and get on with the rest of our lives.

We're in a tricky situation and there's no point in feeling sorry for ourselves. Everyone – players and supporters alike – needs to dig in and haul us across the finishing line to a position of safety.

We won't be getting any favours from our opponents just because we flew the Nationwide flag so successfully in the F.A. Cup. We have to play three teams – Swindon, Bristol Rovers and Colchester – who need the points just as desperately as we need them.

Our games might not be pretty from here to the end of the season, but results matter far more than performances for a team in our position.

I thought our supporters were excellent in the last home game against Wrexham. It's not easy to go from the glamour of Villa Park to a dour struggle for survival, but you stayed behind the team right through to the final whistle.

Your patience and understanding was rewarded with an 86th minute equaliser and after conceding so many

late goals this season, it was satisfying that our opponents were on the receiving end for a change.

It was plain to see against Wrexham that the players had very little left "in the tank". The emotions of semi-final weekend followed by a disappointing midweek result against Swansea had clearly left them physically and mentally drained.

However, although they played well below par, the players never gave up and I'm certain that spirit will see us through.

Moving on, I'd like to take this opportunity to thank Wycombe District Council for giving the club a civic reception, but I'd also like to issue them with a friendly challenge. To be feted by the town's authorities was a great honour, but we need their help on a long-term basis.

Previous town hall regimes have treated this club as an unwanted intruder. In the days when we were trying to relocate from the old ground at Loakes Park, we constantly met with an obstructive attitude.

Since moving to Adams Park we've encountered problems with regard to access, parking and safety matters. Previous councils have done little or nothing to help us.

So, this is a wonderful opportunity for our present rulers to show how much they appreciate what Wycombe Wanderers brings to the area.

You can't put a price on the positive publicity generated by our cup adventure. The name Wycombe has been emblazoned across every

newspaper in the land and been seen and heard on every television and radio station.

We've put High Wycombe on the map and given the whole community something to be very proud of. Now, surely, we deserve something in return.

One of the biggest headaches this club faces is the simple problem of getting to and from the ground and finding suitable parking places. Surveys have shown this to be a major factor in deterring people from coming to games at Adams Park.

But there's not much more that the club can do. We've tried our best to secure more parking places and we've worked hard with the police and local authorities to improve access to the stadium only to be frustrated.

Throughout the Football League there are many clubs who receive positive support from their local councils even to the extent of financial help in the form of sponsorship. That has never been the case for Wycombe Wanderers.

I believe that the present council has displayed a genuine interest in the club and they've already shown their appreciation in a small way of what we've achieved. If they could help us solve the problems of access and parking, it would be a popular and lasting testimony to their commitment to the community.

As Lawrie Sanchez said after the semi-final, this isn't the end of the Wycombe Wanderers story, it's just the beginning. But to write the next chapter, we need all the help we can get.

Good afternoon and welcome to Andy King the players and supporters of Swindon Town. We have already met twice at the County Ground this season and have come away with the wrong result on both occasions. Our league meeting back in November ended 1-1 after we had dominated the game but could not finish the chances we created. Swindon took the opportunity to grab a late equaliser and a point from a match that should have been beyond them.

Our second visit occurred in the LDV Vans Trophy, once again we created a number of chances but failed in front of goal. They took their two chances and went into the Area Semi-final against Brentford who went on to reach the final, which will be played in Cardiff tomorrow.

After our glorious exit from the F.A. Cup we travelled to Swansea for our next league encounter. From starting the game in great fashion we managed to lose it in the last twelve minutes. The one goal lead at half time just did not reflect our commanding play in the first half. Once more it was the story of our season, we cannot finish teams off after carving through their defence. Swansea were grateful to still be in the game at the start of the second half and duly collected all three points as we ran out of steam in the last

fifteen minutes.

To those of you who turned out last Thursday evening for the Civic Reception – thank you. It was great to witness such a sea of Blue to greet the players as the bus turned into the High Street. As I said to the waiting crowd, it was a pity we were not able to reach Cardiff and win the F.A. Cup to bring with us.

The Welsh connection continued against Wrexham last Saturday. As expected a very tough game that we were fortunate to collect a point from via a late equaliser from Chris Vinnicombe, his first goal for the club.

It has been a frustrating time at the club for everyone, coping with what has been a possibility of being dragged into the relegation area after our terrific cup run. The point against Wrexham failed to ease the situation sufficiently to go into the match at Bristol on Easter Monday in a relaxed mood.

However, our performance throughout the ninety minutes at Ashton Gate was first class and the result justified the domination we showed in midfield. Our 4-4-2 formation paid dividends with both Dannie Bulman and Danny Senda causing problems for the City defence. We all know what a good squad of players we have and both Terry Gibson and myself have always been confident things would change for the better. To record our first win at Ashton Gate in such a convincing

manner was a great credit to all the players who took part in the game. The fact that Guy Whittingham grabbed the winning goal was just reward for his overall play, he gave a very tidy performance linking the midfield and wide areas with his flicks and touches. The crowd at Ashton Gate was a healthy 11,643 of which 500 faithful from Wycombe were there cheering us on as always.

After today we go on the road to play four games in nine days, starting at Bournemouth on Monday 23rd April before moving on to Notts County on Wednesday 25th, then Bury on Saturday 28th and Bristol Rovers on Tuesday May 1st. A very tough programme brought about because of our F.A. Cup success, if anything a punishment in terms of completing our league programme.

This afternoon we have the chance to take the pressure off completely and climb away from any thoughts of relegation by beating Swindon. Although we still have a tough line up of matches to contend with three points today will give us the opportunity to relax and play without any pressure and maybe the chance of collecting more points along the way. Swindon will be desperate to win as after today they have two games left, one at home to Peterborough, the final game away at Stoke. Not easy fixtures by any circumstance. This will be our last appearance at home until Saturday May 5th when we meet Colchester United in the last game of the season. So really make the effort today, get behind the lads and lets make sure we win this afternoon. I can promise you the players will be giving it everything, they know how important this game is and will be looking to take us ONWARD and UPWARD.

9 April 2001

Dear Chairman

**FA CUP SEMI-FINAL: VILLA PARK, BIRMINGHAM -
8 APRIL 2001**

It was a pleasure meeting you at Villa Park during the FA Cup Semi-Final and despite the result, you enjoyed your visit to Birmingham. You certainly gave Liverpool FC a run for their money and your fans a day to remember.

During the day, I spent a lot of time in the areas occupied by your fans and it would be remiss of me if I did not pay tribute to their exemplary behaviour before, during and after the game. They came to Villa Park intending to enjoy the occasion, whatever the result and the colour and atmosphere they brought with them only added to the occasion. Your fans already enjoy an excellent reputation and this was only enhanced on the day when they made many friends in Birmingham as a result of their excellent behaviour. It was a pleasure to spend the day in the company of football fans who were at a game to enjoy the football and support their team. They all did you proud with their excellent support and conduct.

I hope you and they all had a safe journey home from Birmingham with some fond memories of this memorable day in your Club's history. Best wishes

Yours sincerely

After relegation from Division One last season Swindon Town must have wondered how they would fair in Division Two facing a financial crisis at the County Ground. Plans were put in place to get the club back on a sound footing but it did affect results on the pitch. Colin Todd, who had been appointed as manager at the end of the previous season, left to join Derby County former Evertonian Andy King was appointed. Since his arrival results have been up and down, a good run blunted by a string of defeats has been the pattern to date. Like so many clubs in this Division Swindon have had to work on a limited budget and although they are just on the edge of the drop zone, must be wondering if they will get sucked into the relegation places for a second term. Their current form puts them in the bottom half and with an average attendance of 6,125 they occupy seventh

position in attendances for the Division.

The signing of Ian Woan on a free from Nottingham Forest has been a first class move by Andy King. The midfielder has brought stability and consistency to the side along with his vast experience. Australian striker Danny Invincible has weighed in with a good share of goals and will be hoping to help lift the team to safety.

The Robins had not won for seven matches until last Tuesday evening when they beat Brentford 1-0 at Griffin Park. With two draws five defeats and just that one win the pressure is on for them to claim enough points to secure Second Division football for next season. Back in 1993-94 Swindon were enjoying life in the Premiership as Wanderers were finding their feet as the newest Football League club in Division Three. A brief

sojourn into Division Two back in 1995-96 lasted one season before regaining First Division status, that will not be happening this time. Last Saturday they lost 1-0 to top of the table Millwall at the New Den in a very tight match, on Monday they were at

It is important we take something from this game as our league form has suffered during the magnificent journey to the F.A. Cup Semi-final. Over the last two months we have been dragged into the relegation battle going on just above the bottom four places, of which Swindon Town are very much involved.

COUNTY GROUND

Swindon Town moved into the County Ground after fifteen years at The Croft. Formed in 1881 Swindon turned professional in 1894 but did not join the Football League until 1920 when they were founder members of the Third Division.

The County Ground has been well established since the 1920's and various stages of development have taken place as the club have progressed through the Football League.

Not so long ago the Robins were members of the Premier League and brought the stadium into line with the all seater policy required for the Premiership. The current capacity is 15,728 with a playing surface measuring 114 x 74 yards.

THE MANAGER

ANDY KING

Andy King was appointed as Town's assistant manager by Colin Todd during the pre-season of 2000-01. He had previously worked as a scout for his good friend Peter Reid at Sunderland.

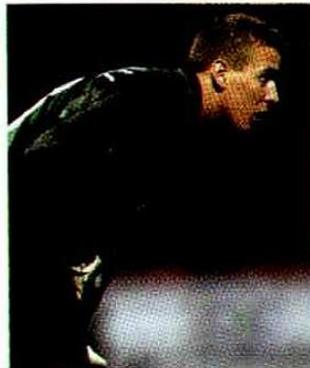

During his playing career he appeared for Luton Town, Everton, QPR and Wolves with a total of 92 goals to his name.

His first spell in management saw him take charge of Mansfield Town in 1993 where he spent the next three years, which included a shock cup win over Leeds United.

Andy took temporary charge of the Robins when controversy loomed over Colin Todd's future that finally saw him move to Derby County. After three games without defeat, he took full charge of team affairs having convinced Chairman Terry Brady that he was the man for the job. Some astute buys and some good results in the league have kept Swindon Town in with a chance of Second Division football next season.

On the Pitch

IN GOAL

STEVE MILDENHALL

STEVE MILDENHALL (22) One of Swindon's home grown talents, Steve is in his fourth year as a professional after successfully coming through the Club's YTS system. Made two first team appearances in 1995/96, came off the bench to play as an outfield player in 1996/97 and made his full league debut between the posts for Swindon in October 1997. Has recently come into the first team and has impressed, despite being pelted with missiles against Oxford! Has made the number 1 jersey his own for 15 of the last 16 games and is held in high regard by King.

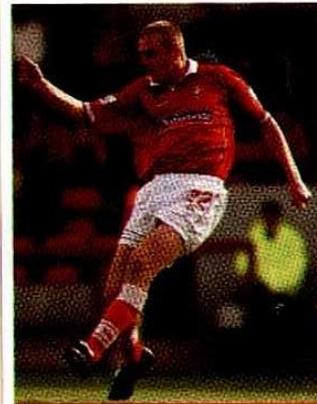

BART GRIEMINK (29) The 6 ft 4 Dutch goalkeeper played second fiddle to England Under 21 international Mark Tyler at Peterborough for the past couple of seasons. After only making 44 league appearances for The Posh he decided it was time for a new challenge when his contract expired during the summer. Held the number one spot until suspension allowed Steve Mildenhall the chance to impress.

IN DEFENCE

MARK ROBINSON (32) Started his career at West Bromwich Albion, joined Barnsley on a free in June 1986 and such was his form there that Newcastle snapped him up for £450,000 in March 1993. After losing his place in the first team through injury, Mark is now the Town's longest serving player since Swindon paid a Club record £600,000 for his services in July 1994. He has been a consistent and versatile performer ever since.

GARETH DAVIES (32) Was signed on a free transfer in March 1999, Gareth made the short trip down the M4 from Reading and despite being a firm favourite with the Royals' fans, did not figure in Tommy Burns' plans. However, Town fans only caught glimpses of him in action due to several injuries. Has made a full recovery but as yet, has not played in the first team this season.

ADAM WILLIS (24) Released by the Sky Blues after failing to make the grade in the Premiership. Adam was called into action from the reserves towards the end of last season to cover for injuries and suspensions. Adam worked very hard in the gym after training to improve his physical presence and it paid off. His confident displays earned him a place in the starting line-up on merit and he was rewarded with a new contract under Colin Todd. Is now battling for a first team place with the arrival of Matt Heywood.

ALAN REEVES

ALAN REEVES (33) Quit Wimbledon's "Crazy Gang" in search of first team football with Swindon. Tall central defender, who cost the Dons £300,000 from Rochdale. Excellent header of the ball, 32-year-old Reeves can be an asset in attack on set pieces, scoring 2 goals in 24 appearances last season. Despite being linked with several clubs in the summer, Reeves is working hard to command a first team place. Began this season as top scorer (with four) and has become a firm favourite of Andy King.

SOL DAVIS (21) Left-sided fullback back who was offered his first professional contract in the summer of 1998 after a series of impressive performances in the reserves. Made his league debut as a substitute at home to QPR, shortly after his 18th birthday. First start in a Swindon shirt came six months later

in the heat of a local derby clash away at Oxford United. Last season Sol made over 25 appearances for Town in both the fullback and wingback positions and his commitment was exemplified by some very tough tackling which has been continued this term.

JAMES WILLIAMS (18) burst onto the scene towards the end of the 1998/99 season. He was duly rewarded with the number 32 shirt at the start of last season and the young defender/midfielder became a very useful asset to the dwindling squad. James can be called upon to play in a variety of positions and although he made an impact on the first team his form dropped. Was given his chance in the LDV Trophy against Wycombe and impressed with his tough tackling and endless running.

JUAN COBIAN (25) joined Aberdeen from Sheffield Wednesday on a free transfer in November '99. Cobian, a rampaging right-sided defender, made a promising start to 1998-99 with the Owls having joined the club for a nominal fee during the 1998 close season. This summer he moved, again on a free transfer, to the County Ground despite offers from a number of clubs.

ANTOINE VAN DER LINDEN (21) Central defender whose composure on the ball has made him a vital asset to King's team. Looks to set up attacks from the back with his sweet left foot. Agile and solid. Has impressed in recent games and his attitude and desire to win is second to none. Has also had a spell up front, Andy King using his strength and pace in the final third.

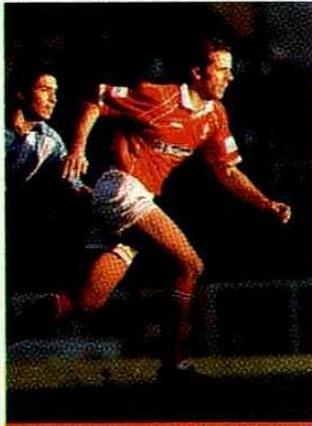

MATTHEW HEYWOOD failed to break through at Turf Moor and, after being alerted as to his availability by Shaun Reid, Andy King snapped him up on a free transfer. Has signed until the end of next season and has shown in the few games that he's played, just how good in the air he can be. Strong in the tackle and good with the ball.

IN MIDFIELD

ANDY WILLIAMS (23) moved from Southampton in October 1999 in a £65,000 deal after an impressive loan spell at the County Ground. Andy is an extremely versatile player and has taken on a variety of defensive and midfield duties. Formerly a regular Welsh Under-21 international he became a strong candidate for Player of the Season last term which showed how well he settled into the side.

BOBBY HOWE (27) Stephen, who

likes to be known as Bobby, is an attacking midfielder who signed for Swindon in January 1998 from Nottingham Forest, where his first team opportunities had dried up. Bobby's confidence suffered last season and fell out of favour in the first team. However, after being told he could leave the club he has worked hard to re-establish himself in the side.

IAN WOAN

IAN WOAN (33) Arguably Town's greatest signing this season. After falling out of favour at Barnsley Woan decided to join the Town until the end of the season. Has been the club's most consistent performer since joining, orchestrating the proceedings in midfield. Seems to have an eternity on the ball and can thread damaging balls through to the forwards. Contains a venomous shot, Town supporters will hope that he signs a more permanent deal.

MATTHEW HEWLETT (24) An attacking midfielder that signed for Town on a free transfer in July 2000. A hot prospect at local rivals Bristol City in 1998/99. At the time a succession of injuries meant that he missed most of the season and failed

to live up to his potential. A fresh start was just the challenge he needed and impressed immediately at the County Ground. Started the season extremely well but has suffered through injury since. Has returned to the side and impressed in the centre of the park, most notably a superb game against Swansea.

DAVID DUKE (22) Another young player with a great deal of potential. A left-sided midfielder, he was unable to command a first-team start at Premiership Sunderland after joining them in June '97 from Redby. Impressed in several pre-season friendlies and signed on a free transfer in July and has played well at times this season. Has recently fitted the left-wing back role in the absence of Sol Davis.

DANNY INVINCIBLE

DANNY INVINCIBLE (22) Andy King believes that midfielder Danny Invincible can become a real star after completing a deal to sign the Australian on a free transfer in July. Previous manager Colin Todd moved swiftly to tie up a deal for Invincible after spotting the 20-year-old playing for West Ham in a trial match. The former Marconi Stallions star scored on his Town debut in a 1-1 draw against West Brom at the Hawthorns.

Invincible, a former Australian under-20's star, plays predominantly on the right hand side of midfield, possess blistering pace and has already become a crowd favourite with his ability to run at defences. Town's top scorer with twelve goals.

KEITH O'HALLORAN (25) He made six starts for Middlesbrough where he came through the youth ranks before joining St Johnstone in March '97 for £50,000. Keith went on to make over 60 appearances for the Saints but relished the opportunity of proving himself in England after a very successful period at McDiarmid Park. Despite being offered a new contract north of the border, he chose to join Swindon's new era. The Town fans will be delighted to see a natural right-sided midfielder at the club after it became a huge problem position last campaign.

IN ATTACK

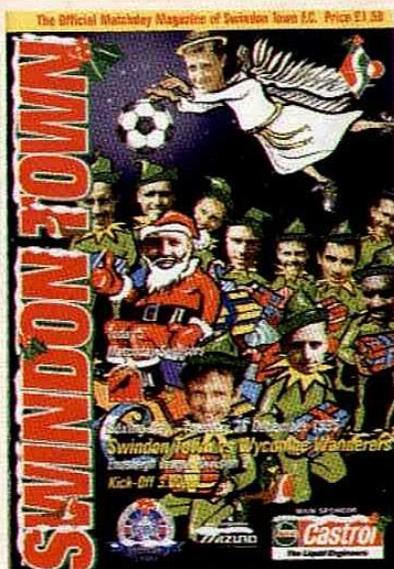

GIULIANO GRAZIOLI (26) Signed in June 1999 on a free transfer from his former club Peterborough Utd. Giuliano's previous visit to the County Ground was in 1997 with Stevenage Town in the FA Cup 3rd round. His winning goal dumped Swindon out and handed Stevenage a money-making 4th round tie against Newcastle Utd. Missed most of last season through injury, but when he did play he was the shining light in a very dull season for Swindon. Following the departures of fellow strikers Chris Hay and Iffy Onuora, 'Graz' established himself as the Town's main threat.

STEVE COWE (26) is a nippy, darting forward with good vision and very quick feet. Rarely called upon under former manager Jim Quinn,

Steve tried to find another club after he was told he had no future with the Robins. However, Steve was another player that came in from the football wilderness to finish the season strongly and do well enough to warrant a new contract with Andy King. Two goals in the FA Cup against Gateshead were enough to establish a good run in the side and has played extremely well.

GARY ALEXANDER (21) Highly-rated 21-year-old who joined the Robins in early August from West Ham United in a £300,000 deal. Gary spent most of last season on loan at Exeter City where he made a big impression - scoring 16 goals in 20 appearances and keeping The Grecians out of relegation trouble in the process. A powerful and hard-working forward, Alexander has struggled to find the net but two goals against Wycombe in the LDV Trophy could be enough to kick-start his campaign.

MICHAEL REDDY (21) He was first spotted by Town boss Andy King when King was chief scout at Sunderland and joined the club as a trainee for a £50,000 fee. He signed as a professional on the 1st of August 1999, making his debut on Oct 12 1999 coming on as a substitute at Wimbledon in the Worthington Cup. Sunderland lost that game 3-2. Michael has made 14 appearances in Sunderland's colours, but only two of those have seen him start a game, both times being in the Worthington Cup. He has scored two goals for the Black Cats: one this season in the 2-1 away win at Luton in the Worthington Cup, and one last season in a 1-1 draw away to Middlesbrough. Has been in sensational form, scoring four in his first four games.

First Ever Meeting

FIRST EVER MEETING between Wanderers and Swindon town took place on December 26th 1995 at the County Ground when both were members of Division Two. At the time Swindon were top of the table under manager Steve McMahon while the Blues were ninth with Alan Smith in charge. The match was played on a very icy pitch in bitterly cold conditions and ended 0-0. Wycombe had the best chance of the game when Steve Brown was put clear in the closing stages only for goalkeeper Fraser Digby to pull off a great save. The gate was 12,976. At the end of that season Swindon won promotion back to Division One, the Wanderers finished in twelfth position.

Wanderers team: Ben Roberts, Jason Rowbotham, Micky Bell, Terry Howard, Terry Evans, Steve Brown, Dave Carroll, Gary Patterson, Steve McGavin, Gary Blissett, Dave Farrell. **Subs:** Simon Garner, Miguel De Souza, Jason Soloman.

CONGRATULATIONS

Congratulations to Peter and Mary Glenister, who celebrated their Golden Wedding Anniversary last Thursday with a luncheon attended by over fifty guests, including family members who attended the original wedding at High Wycombe Parish Church, their four children and eleven grandchildren.

Peter Glenister has been a lifelong supporter of Wycombe Wanderers having attended his first match as a boy in 1943. Peter grew up in Wendover Street just a stone's throw from the old ground at Loakes Park and his father was a regular attendee at games. Peter and Mary first watched games together whilst they were courting and fifty years on they are still doing so. On matchdays they are to be found in an executive box in the Woodlands stand. From these comfortable surroundings they watch the matches in the company of their sons and many of the grandchildren, all of whom carry on the tradition of supporting The Wanderers.

Hot Wheels is one of the largest international vehicle brands in the toy business. Since 1968, when it was first established, it has manufactured more than 2 billion cars - more than Detroit's "Big Three" car companies have produced combined! Placed front to rear these cars would stretch around the earth more than 4 times!

Hot Wheels has always focused on the wacky and exciting side of motoring, bringing out the speed, power, performance and attitude that kids love. More recently, Hot Wheels has moved into the realms of Formula One, as well as developing an extensive and highly detailed range of adult collector product, it has also brought out a fantastic line of kids toys. Hot Wheels Electric Racing allows kids to build their own Formula One circuits and race their favourite drivers at breakneck speed. These Formula One sets are available in all good toyshops.

With two Hot Wheels cars being sold globally every second, three track sets every minute and two hundred and thirty play sets every hour, it's no wonder that Hot Wheels continues to "Lead the Way in Boys Toys!"

Officially Speaking

with Keith Blagborough

Today we welcome the supporters of Swindon, we hope that you enjoy your trip to Adams Park and have a safe return journey back home.

Now we have had time to reflect a little, it is really beginning to sink in what a magnificent effort the team made at Villa Park. It needed a performance like this to put the magic back into the F. A. Cup, especially after it was devalued last year by the antics of Manchester United, and once again every club in the country who enters the competition will believe that they

have a chance of fame. To the team, well done all of you, we were very proud to support you.

I really cannot let this opportunity go by without thanking everyone who worked so hard to get the convoy of 65 coaches away and up to Villa Park (and back again), including those who stewarded for us, and those who took bookings. We were happy to step in to help the family whose car had broken down on the way up and who were rescued by a Director of the Football Club and taken to the game, by bringing

them home. All part of the service.

Today is another big game for the club because in the league we really do need a few more points for comfort this year, so lots of support please.

Don't forget to book your coaches for Bournemouth (remember this one is all ticket), Notts County, Bury and Bristol.

Rena will of course be taking bookings in the usual way in the Vere Suite and also by telephone on 01296 429307.

Details of all our coaches can also be found on our web site www.thebluesclub.co.uk

Badges

In addition to our usual line of lapel

badges we are producing a special one to commemorate the semi final, which is circular in design and has a 3D motif. It is priced as usual at £2.50. The first delivery sold like hot cakes and we have had a repeat order which is likely to disappear just as fast.

Annual Dinner

Details of the Annual Dinner on the 4th May :- We have secured as our speaker this year Colin Baker, (of Dr Who fame) and it is to be held at Adams Park at 7.30. The meal will be served Buffet style because this was such a great success last year and is priced at £20.00. Book with any member of the committee or get your booking form from Rena.

PLAYGROUNDS

By John Goldsworthy

Part 7

Other outside work I found very enjoyable were visits to the clay pigeon range and the many angles to fire at the clay birds. We also visited the range on Kidwelly Flats to loose off a number of rounds on the Vickers and Browning machine guns. Then came the real thing, when we were introduced to the Blenheims for some air gunnery. Three of us trainees were virtually stuffed into the bowels of the Blenheim. Once the aircraft was airborne, one of us clambered through to the turret where a single Vickers K gun was fitted to which you fitted your pan of 100 rounds of .303 ammunition. The turret was worked hydraulically and controlled by a pair of handlebars which rotated the turret and twisting the grips elevated or depressed the gun and the seat rose and fell in unison.

After the first person had completed his 100 rounds he swapped places with the next trainee. I can tell you it was necessary to be very agile and mobile to keep transposing positions in a very small space. We had to fill our own pans of ammunition. One trainee used the plain ammunition; the other two had to dip the heads of their bullets in either red or blue paint. The reason being that we all fired at the same drogue target that was towed by a Lysander aircraft. It was therefore possible to define the accuracy of the various gunners by the colour on plain bullet holes in the drogue.

During a period of 9 days we completed 16 air shooting exercises – rather busy – several times flying twice a day and once, three times. We did not have much free time, although evenings were mostly free and usually all day Sunday. The nearest town was Llanelli (know to RAF personnel, for some reason unknown to me, as “Slash”). Some of you who have visited the Chairman’s office at Adams Park, which he allows me to use, now know the reason for the large coloured

print of a Blenheim which adorns one of the walls. Another place we visited one Sunday and found very interesting was Carmarthen. As you probably know, Wales is similar to Scotland and does not have any pubs open on a Sunday, but it is possible to get a drink if you are members of a Club. We were fortunate in Carmarthen to meet up with a very hospitable Welshman who was a Club member and invited us in as his personal guests. Two things about this – the beer was cheaper, and available – which was not always the case in the pubs in “Slash”.

At the conclusion of the course we were presented with our AG Half Wing Brevet, to let the World at large know we were fully trained and qualified Air Gunners. Also, we were all promoted to the rank of Sergeant. The next five weeks were spent at Prestwick where we were introduced to airborne radar, known as ASV (anti surface vessel) and

carried out exercises in a hairy twin-engined rejected operational aircraft called a Blackburn Botha. The big experience was flying back to base over the Irish Sea on one engine, which happened often and a few fell into the sea. The following month was spent at Hooton Park near Port Sunlight on the Wirral, flying radio, gunnery and other exercises in Airspeed Oxfords. All very pleasant.

At the end of the course we were allocated into groups of three, being one Wireless Operator Mechanic Air Gunner and two Wireless Operator Air Gunners, and all allocated to Flying Boats of Coastal Command. We had been asked beforehand what we liked to fly in Coastal Command and my pals and I had all asked for Bristol Beaufort Torpedo Bombers – mad fools that we were! True to form, having been asked we were then allocated to something entirely different. I had been allocated to Sunderland Flying Boats and my particular pal to Catalinas. We were allowed to swap and I had no difficulty rejoining my pal, as most preferred the four-engined Sunderlands. Then off to Invergordon, almost at John O’Groats, to join the Operational Training Unit which all went rather peacefully except when we were fired at by one of HM ships near the Orkney Islands because we were slow at flashing the letter of the day.

The next six weeks were at Lough Erne in Northern Ireland on the borders of the Free State, getting used to flying our new Catalina – uneventful except for the disappointment of finding an empty lifeboat in Mid-Atlantic following a U-boat attack on a convoy. On the Lough were a number of Lerwick twin-engined flying boats (rather like a smaller version of the Sunderland) which were considered unsuitable for operations and were being ferried back to Stranraer to be broken up. A certain Flight Lieutenant Ogle-Scan had the job of doing the ferrying. He used to take off at Lough Erne, his big moustache drooping at the edges, his large kalabash pipe puffing out clouds of smoke, circle Castle Archdale the operational Headquarters, and offer a dignified two-fingered salute before setting course for Stranraer.

Around the Community

Hello and welcome to today's match against Swindon. I hope by now we are safe in the league if not, please encourage the lads we would love a win today.

RAILTRACK

As part of the national arrangements with Railtrack, all Football in the Community Projects around the country are keen to support and promote the awareness of the dangers which surround the railways. Vince Lucas, Railtrack Commercial Manger, also sends this message to all children, parents and everyone who look after children, 'With the light nights now upon us the school holidays fast approaching, children look to play outside. This brings an increased danger to encourage children to play on or near the railway lines. At Railtrack, through our involvement with the national Football in the Community Scheme, we want to encourage children to play football and keep away from the dangers of the railway. Our theme for this year is 'Stay Safe', Play Safe!. Please help to keep children away from the tracks.'

MATCHDAY PACKAGE

Welcome to St Mary's School who are taking part in the Community Matchday Package today. We have coached them this morning at their school in Maidenhead. They have had transport to Adams Park, a tour of the ground and Vere Suit passes included in their package.

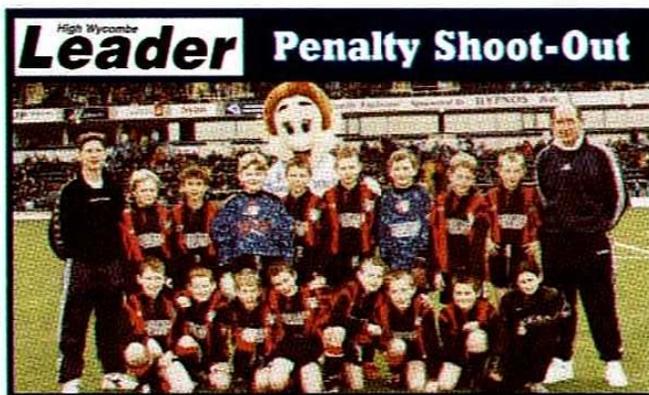

EASTER

We have had a really successful Easter. Our courses have been brilliant. We took over 200 children to Manchester United where they took part in a training session by Man U coaches. They also had a tour of Old Trafford and visited the museum and shop.

Last week we had over 200 children come and watch our player's train. The Cup run has certainly put us on the map and the response to children attending our courses has definitely been affected because of this.

FA CUP

On behalf of all at the Community Scheme we would like to say how proud we are of the team's performance against Liverpool. I am sure all 20,000 fans had a fantastic day.

Thame Under 10's provided our half time penalty shoot-out entertainment recently.

AWAY - The Lads

APRIL 8th • VILLA PARK, BIRMINGHAM • (Away Day number 24) • WITH ADRIAN WOOD

Pre match

As we had for the Leicester quarter final, we left unbelievably early. On this, the day of the biggest game in Wycombe Wanderers history, we were determined to leave nothing to chance. Inevitably there were no traffic problems, the car behaved especially well, and at approximately 11.30hrs (a mere 270 minutes before kick-off!) we had negotiated Spaghetti Junction and were nearing the ground on Aston Hall Road.

Amazingly, plenty of Wycombe fans had arrived before us and the light and dark blue shirts, painted faces, and flags made a colourful sight on a sunny spring morning. The organisation in the area was excellent with clear signs directing supporters to recommended parking areas. We paid £4 to park at the New Aston Social Club that was about a 10min walk from the ground. A £1 admission fee gave admission to the Social Club and by noon this was packed with Wycombe fans. It was a good place to pass some time pre match. Drinks were at reasonable prices and it was a chance to meet up with friends and watch Sky Sports on the huge TV screen.

The Stadium

On our way to the ground we stopped to watch the convoy of coaches arriving packed with our supporters. It was an amazing sight - coach after coach, from many a different company, all full of excited fans proud to be wearing the colours of the Wanderers. We gasped at the size of the Holte End, the largest end-stand in Europe with a capacity of 13,600. The rest of the stadium is also impressive. On one side is the

rebuilt and enlarged Trinity Road Stand, while the other two stands, the Doug Ellis on one side, and the North Stand behind the other goal, are both large two-tier cantilever constructions.

Matchday Programme

It was a typical "big match" production - 60 A4 size pages with a nice glossy cover. Programmes of this size of course are a nightmare to carry around with you on the day - and to store when you get home. The programme will of course be an essential souvenir of our historic day out. The contents however were rather disappointing - a shortage of action photos from previous rounds and few statistics - it was nice however to see the name of Wycombe Wanderers sitting proudly in the listing of clubs that have appeared at the semi-final stage. It was nice also to read the comments of some of our supporters on the club's achievement. We had a moan at the price - but what is a fiver when you've bought tickets at £35?

Match Overview - first half

When our players emerged for the warm-up they received an incredible reception from our supporters, and the sight of the light and dark blue cards held aloft by the packed ranks at the Holte End before kick-off was truly spectacular. We survived an instant Liverpool assault then competed tremendously well first half. Ryan's early audacious lob was just too high and later his header from a Simpson free kick unfortunately found Westerveld ideally placed. Taylor's superb save from Owen produced chants of

"Taylor for England" from the Holte End. We were then denied a penalty when Brown was seemingly pushed in the back, then Rammell just failed to reach a Bulman cross. Ziege's overhead kick was too close for comfort, but we were deservedly on level terms at the interval.

Match Overview - second half

With the pitch becoming increasingly heavy, and certain Liverpool legs looking tired, the minutes passed steadily without us having too many problems. The longer it stayed goal less, I thought the more chance we had of our miracle going one step further. Houllier however didn't want extra time and on the hour made the change that was to prove crucial - the introduction of Heskey for Ziege. Taylor saved his header in the 76th minute in style, but was helpless when the England forward met Gerrard's cross in style two minutes later. Five minutes later came that debatable free kick on the edge of the area and Fowler's unstoppable free kick. Ryan's lob however gave us all hope and, remembering our late, late goals at Wimbledon and Leicester, I prayed for a repeat. It was not to be however. We were losers on the day but our players could proudly look back on their performances at Villa Park - they had given their all.

Post Match

It was truly mixed emotions afterwards. The sunshine of the morning had long since given in to steady, heavy rain. No-one said much on the walk back to the car park - flags were now used as protection against the

rain and all efforts were concentrated on keeping those giant programmes dry. It took an eternity to travel the short distance to the M6 where the traffic congestion was made worse by convoys of north Londoners returning from Old Trafford. My 10-year-old daughter for once was quiet - her dream of seeing her beloved Wanderers in the final had been finally destroyed. Her face paints, lovingly applied hours earlier, were soon smudged beyond recognition by innocent tears. We were truly proud of the team but couldn't hide the disappointment of having come so close to a trip to the Millennium Stadium.

Monday Morning Writings

The Daily Telegraph - "Driven by a dream and a manager who had tasted Liverpool blood once before, the team who sit in 18th place in Div 2 were simply magnificent. They defended just as Liverpool had done at the Nou Camp three days earlier, defying the individual brilliance of their opponents as if far more than a place at a Cup Final was at stake. Wycombe fought with breathless enthusiasm for the opening 75 minutes, chasing every ball, making every tackle, and limiting their illustrious opponents to only a handful of chances."

The Independent - "For three quarters of this match, Wycombe's tireless harrying and covering, allied to a belief in themselves which echoed that which had been publicly expressed by their manager in the preceding week, kept alive the possibility that Liverpool might find themselves on the wrong end of an FA Cup semi-final."

The majority of the 5,482 crowd at Adams Park last Saturday breathed an enormous sigh of relief when Chris Vinnicombe's 86th minute free kick found the back of the Wrexham net. It was the defender's first goal in Wycombe colours in his 131st appearance, and salvaged a vital point as we endeavoured to keep away from the bottom four.

Oxford United had booked the first relegation slot the previous Saturday when Oldham Athletic became the 13th side to win at The Manor. Last Saturday David Kemp's side went down 3-2 at Wigan Athletic. This latest defeat increased their goals conceded column to 88. With five games remaining they will hope to avoid reaching the century mark. There are problems off the field as well with a fire at their new stadium causing damage estimated at up to £60,000. Detectives are suspecting arson - United however remain hopeful that the stadium will be ready for the start of their 3rd Division campaign in August. The result at the JJB stadium was a vital one for Wigan as they bounced back after their home defeat by Brentford seven days earlier. The three points enabled Steve Bruce's side to consolidate their play-off slot.

Swansea City boss John Hollins called it "two pints lost rather than one gained" after his side only drew

0-0 at The Vetch with third placed Rotherham United. The Swans had a great chance to secure the points when they were awarded a penalty when Jamaican striker Walter Boyd (two goal hero against Wycombe four days earlier) was brought down by Rotherham keeper Paul Pettinger. The keeper redeemed himself by saving Matthew Bound's penalty. Swansea remained 14 points away from safety with just 6 games remaining.

Luton Town increased their run of games without a victory to 7 following Saturday's 0-0 home draw with Oldham Athletic. With relegation now seemingly becoming inevitable, boss Joe Kinnear lamented - "We played ever so well and I can't complain about the general standard of our play except for the all-important matter of scoring goals - we must have had at least 9 clear cut chances but weren't ruthless enough to take them and that is the root of our troubles."

Bristol Rovers kept their hopes of avoiding the drop alive when two goals in the last five minutes secured the points against Colchester United. This was just their 4th home win of the season. The first goal came from Latvian international Vitalijs Astafjevs who will miss Rovers' next two games due to international commitments. The result leaves Col U far from safety, Steve Whetton's

LOOK

with Adrian Wood

side being just 6 points ahead of Rovers. Wycombe's last two games of the season are against these sides.

Today's opponents Swindon Town, who had moved above Wycombe by virtue of their midweek victory at Brentford, returned to London and went down 1-0 at leaders Millwall. The Lions winner came from Neil Harris who netted his 26th of the season just two minutes after coming on as substitute. This left Mark McGhee's side five points clear at the top and needing 7 points in their last 3 games to secure automatic promotion. At the end of the day it looks as if Wycombe did Millwall a favour by knocking them out of the FA Cup last December as the Londoners are one of the few sides without major fixture congestion in the final stages of the season.

Following their 4-1 demolition of Bury at the Madejski, Reading stayed in 2nd place, 5 points behind Millwall but with a game in hand. The game was watched by The Royals best gate of the season, 16,829. Jamie Cureton netted his 26th goal of the season, while Martin Butler's brace

took his personal tally to 24. Bury striker Colin Cramb had given the visitors an early lead but was later red carded for striking Reading skipper Phil Parkinson. Bury's Bhaichung Bhutia recently played for India as they recorded a historic 1-0 win over the United Arab Emirates.

Two of the clubs likely to be involved in the play-offs met at the Britannia Stadium and Walsall were probably the happiest as they returned with a point from a 0-0 draw. Stoke City had the best chance to seal the win but Graham Kavanagh failed to convert a 30th minute penalty.

Bristol City's hope of making up ground on the play off slots was dealt a blow when they went down 2-1 at Peterborough United. Lee Matthews had given The Robins the advantage but Leon McKenzie equalised from the penalty spot and substitute Francis Green won the points for Barry Fry's side.

Finally this week, Bournemouth's slim chances of making the play-offs were kept alive when two goals from Steve Fletcher earned them the points at Notts County. Sean O'Driscoll's side have now picked up 16 points from the last 21 available. News from Notts is that they may have to spend £200,000 on re-laying the Meadow Lane pitch because of flooding. The pitch was sunk under 2 feet of water in the winter.

FA CUP MILESTONES

with Dave Finch

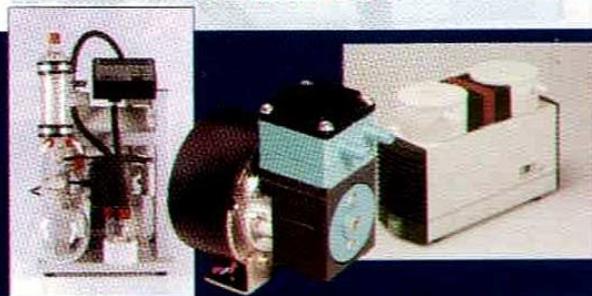

Now our glorious run is at an end I thought it would be an idea to round up our F.A. Cup record since our Football League entry. We have played 31 games in the tournament in that time, 17 at home and 14 away (including the Semi-final). We have won 13 drew 11 and lost 7, with a goals tally of 52 for and 39 against. (Please note that I only count penalty shoot-out matches as draws) Jason Cousins has made most appearances with 29, followed by Steve Brown on 25 and Dave Carroll 22. Paul McCarthy is leading scorer with 5, all this season, while Dave Carroll, Keith Ryan, Michael Simpson and John Williams all

have 4. Our all-time list is headed by Tony Horseman with 52 appearances, John Maskell 48 and Dave Carroll 43. "Bodger" also tops the scorers with 26, one ahead of Bill Brown, who played between the two World Wars.

Back to the Semi and Guy Whittingham featured in a F.A. Cup game for us for the first time. What an occasion to do so! Liverpool are the 70th Premiership/League side that we have played in all competitions in our Football League career, whilst Villa Park is the 70th different ground that we have played at.

BERKS & BUCKS SENIOR CUP

This season's final will be staged at Slough on Bank Holiday Monday, May 7th. The finalists are our two highest placed non-league clubs - Chesham United and Maidenhead United. The Generals denied Burnham a first ever final appearance with an emphatic 6-2 victory at The Meadow. Their goals came from Statham (pen), Brown, Bowes, Pinnock, Duru and Watson. Burnham replied through Durkin and Bartley. The other semi-final was a much closer affair. Windsor & Eton (two divisions below Maidenhead) gave the Magpies the fright of their lives, hitting crossbar and post, and going close several other times. Matt Glynn had put United ahead only for Dennis Greene to equalise from the penalty spot. Then, in the 90th minute, Lee Channell netted his 19th goal of the season to put United into the final. It will be Maidenhead's third B & B final in four years, whilst it was 8 years ago when Chesham last won the trophy.

WINDSOR & ETON

Like most of our neighbours, the Royalists are having major fixture congestion. At an emergency meeting of the Ryman League recently the clubs rejected a plan to extend the season because of the backlog of fixtures caused by one of the worst winters in memory. Windsor's home game with East Thurrock United last Saturday was their third game in five days. Remarkably they won all three - beating Metropolitan Police 1-0, Horsham

2-1, while a Chuck Agudosi goal was sufficient to win the points last Saturday. Former Wycombe striker Dennis Greene has been in form with 5 goals in as many matches. The run has moved the Royalists up to 6th in Ryman Division Two with an outside chance of promotion. They face a further nine games in the last three weeks of the season.

THAME UNITED

Andy Sinnott's side stopped the rot with two consecutive victories

as they bid for promotion to the Ryman Premier. Two weeks ago they beat Romford 3-1 at home with goals from Williams and Louis (2). This was the club's first league victory since Feb 10th. They followed this with a 2-0 win at Leatherhead last Saturday with Jones and Louis netting the goals. This moved Thame to 2nd - three points behind leaders Boreham Wood.

FLACKWELL HEATH

The Heathens recently dropped valuable points at home in the race at the top of Ryman Division 3. Goals from Anson and Bonaventura were not enough as they went down 3-2 to Ashford Town. They then found themselves trailing 2-0 to Croydon Ath but a double from top scorer Jamie Charles (one a penalty) earned a point. Last Saturday they travelled to lowly Clapton who they trounced 6-2. This result left them in 4th place, two points behind 3rd placed Lewes.

SLOUGH TOWN

Life remains grim for The Rebels as they face relegation from the Ryman Premier. Two goals from Dave Rainford were not enough as they lost 3-2 at home to Billericay. Last Saturday they travelled to runaway leaders Farnborough who were on a run of 16 consecutive victories. Trailing 1-0, Slough caused a surprise when former Boro man Paul Coombes equalised for his first goal in a Slough shirt. Slough keeper Steve Mautone had earlier saved a penalty. The point left Slough in 21st place with six games remaining to haul themselves to safety.

MAIDENHEAD UTD

Alan Devonshire's side are currently keeping just above the Ryman Premier relegation zone. Their 2-1 defeat at Chesham was followed by a vital 3-2 home win over Grays Athletic (goals from Tyson, Rake and Cook). Last Saturday's point from their 0-0 home draw with Hampton & Richmond left them in 17th place, four points above Harrow in 20th place. Also, the Magpies do have games in hand on most of the clubs in the bottom third.

The Back Up Teams

Our last home game against Bristol City turned out to be very entertaining mainly because both clubs fielded young sides. Bristol City run an academy and brought a side made up from that section. In the first half we were the better side and created four very good goal scoring opportunities. Leeyon Phelan saw two efforts cleared off the line while Peter Holsgrove came close to getting on the end of another two. Against the run of play City scored on 43 minutes when a long ball put Brown in who fired past Steve Williams at the second attempt. Jonny Dixon and Lewis cook caused all sorts of problems by running at their back four but sadly we did not convert the chances. In the second half we pressed forward, Holsgrove hit the bar with a good shot on the turn and had another effort go wide of the far post. We brought young Billy Harding on as replacement for Kai Sudheimer on 66 minutes and five minutes later Harding gave Phelan a great ball and he beat the keeper with a delicate lob for 1-1. Sadly it was Leeyon who lost possession some 20 yards from goal and Simpson pounced to fire an unstoppable shot past Williams on 76 minutes. Bristol then camped in our half of the field for the remainder of the game and it ended 2-1 to the visitors.

YOUTH UPDATE

with Gary Goodchild.

UNDER 19's SOUND PERFORMANCES REWARDED WITH FOUR POINTS....

Following their excellent performance for the reserves in the previous Wednesday's game against Bristol City, the youth team followed this up with another credible performance against Brentford. This game was played as a double header, with the result counting for both the Youth Alliance Merit Division One and Avon Insurance Combination fixtures. The match was also switched from Molins to Brentford's training ground at Tolworth, which provided for a better surface allowing a passing game to be played. I gave Matty Warner, another of our promising 15 year old schoolboys who will be coming in as a first year scholar next season, his first start. In fact, all our substitutes were 15 year olds who will be joining us. I could not have asked for a better start from the boys as they knocked the ball around well, but it was from a long clearance by keeper Steve Williams in the 4th minute that we took the lead. Leeyon Phelan chased the ball with two defenders and got there first to toe end past the Bees keeper, Julian. Marc Leach and Kai Sudheimer both went close with shots on target around the quarter hour mark, then Phelan again had a chance to increase the lead but was this time denied as Julian blocked his shot. It was not however, all one way as Brentford went close, first with a Hughes' header, then Holland blasted over from close range. From these let offs we created another good chance with some excellent one touch play, but Jonny Dixon's low cross was just

JONNY DIXON

too advanced of Phelan's outstretched leg. As we had done in the first half, Brentford scored within five minutes of the restart to equalise. A throw in on the right was flicked on and the otherwise impressive Jack Smillie miskicked a clearance with the ball dropping kindly for Holland to fire home from a yard out. Two substitutions soon followed with Harding and John-Paul Kelly replacing Sudheimer and Warner. Harding's willingness to chase and harass and Kelly's ability to play probing balls through Brentford's defence meant we soon regained the upper hand and were only denied gaining the lead once more by the woodwork, on the hour. Good approach play led to Pat Lynott thundering a shot from the edge of the box past the keeper, only for the ball to rebound off the foot of the post. Overall I was pleased with the way the team applied themselves and how well the schoolboys gelled into the side. After four straight defeats it was also pleasing to end that run and gain our first merit point as well as a rare point for the club in the Combination.

Last Saturday, after a nine week absence, we returned to Molins for the match with Cardiff City. Debuts at under 19 level were given to keeper Tom Gott and defender Stuart Hole, with the latter impressive at the heart of defence. Cardiff's late arrival meant a delay of twenty minutes

in kicking off and by the time the game started it was once again raining, as it has on most days we've played at home this season. Once again we had the better of the opening minutes, forcing a number of corners. On 5 minutes Phelan should have done better when Cardiff's keeper Evans' kick out gifted him a chance, but the striker's shot was too tame, allowing Evans to gather. Two minutes later, with their first real attack, Cardiff took the lead when a deflected shot by Ingram flew past Gott. Smillie and Ryan Parsons were getting forward well so we switched to a 4-3-3 formation with Dixon pushing up front, only to waste two good chances with poor headers. However, 5 minutes before the interval Smillie delivered an excellent deep ball in from the right which Leach flicked on and Dixon stole in at the far post to equalise. To go in level at the break was disappointing as we really should have been two or three goals to the good. We began the second half again pressing forward and an excellent run and cross on the left by Phelan should have led to a second goal, but Dixon turned the ball over from close in. That second goal did come on 53 minutes, as Leach did well to control and turn, playing the ball into Dixon's path who this time made no mistake. After holding off a challenge, his finish was clinical. Phelan then had a close range shot blocked following a knock down by Leach from Sudheimer's well delivered corner. On 59 minutes Leach made way for Luke Oliver, another 15 year old who at 6'5" is a commanding centre back, allowing me to see Stuart Hole play upfront. Five minutes later, a foul on Smillie led to us going further ahead. From deep out on the right, Lewis Cook clipped a superb free-kick to the back post where Phelan rose to powerfully head home. On 67 minutes Phelan should have scored again, but his first touch let him down as he received a pass from Hole and his effort was again blocked. Sloppy play in our defence on 70 minutes allowed Thomas to pull a goal back for Cardiff and they had us under

pressure for a while. Thankfully, we weathered it well and a two goal advantage was restored with 5 minutes remaining as yet another corner was won. Cook delivered the kick into the near post where, under pressure, Evans caught and then fumbled the ball over his own line. To gain our first win in six games was pleasing enough, but to play well as a team and create so many chances was a bonus. There were some very impressive individual performances as well, especially from Hole, Parsons and Smillie, while it was good also to see Dixon amongst the goals once more. Again all our schoolboys showed up well, which continues to raise hope for next season.

This morning the youth team travelled over to Luton Rugby Club for their final away fixture with Luton Town. Next Saturday (5th May) your support would be most appreciated again when Portsmouth visit Molins for the final match of the youth team's season. Kick-off 11.00am.

With the Ladies

Thame United	0
Wycombe Wanderers	5

Wycombe Wanderers	14

15th April 2001 and 16th April 2001

Postponed fixtures earlier in the year saw the Ladies play 2 consecutive games over the Bank Holiday weekend, travelling to Thame United on Sunday and neighbours Holmer Green on Monday.

Back in February manager Graham Malcolm set Blues the target of maximum points from the remaining 8 games, 1 draw against League leaders Carterton and 6 wins later the squad travel to Newport Pagnell next weekend looking for 3 more points and the runners-up spot.

Su Oakley took her goal tally for the season to 42, with 4 against Thame and ten against newcomers Holmer Green. Louise Sloane-Khan also scored twice over the weekend, as did Sarah Tague on her Easter break from 'A'-levels and football coaching at East Durham Community College. The scoring was wrapped up by Heather Scutchings, who celebrates her 18th birthday this week, and thoroughly deserved a goal after another excellent performance.

Thame's ground in the village of Towersey must be one of the most windswept spots in lowland Britain! The cross-field gale was accompanied by wintry showers and together with a pitch that hadn't seen a mower in months the game was a bit of a struggle. The first goal was a long time coming, but was followed quickly by a second that knocked Thame's resistance as Blues went in 2-0 up at half-time. Stand-in goalkeeper Paula Benson kept a clean sheet in spite of a couple of mix-ups in front of her, substitute Esther Morley getting back to clear of the line in the dying minutes, by which time Wycombe had extended their lead to five.

Holmer Green battled all afternoon to make things difficult for the visitors, but starting out in their first league season the team have found just what a big jump league matches are from training with your club. With ten players behind the ball they worked hard to frustrate and intercept Wanderers' attack and held out for 15 minutes, before Oakley broke the deadlock. Blues scored 7 by the break. Caroline Heady played wide on the right in her first game for several months. Jeunine Bray came on for the second half combining well with Heather Scutchings and New Zealander Kim Maoate made her League debut when she replaced Maria Hilling in midfield. Blues worked hard to find space as Player of the Match Oakley combined well with Scutchings, Sloane-Khan and Anna-Marie West in the second half to double Blues lead.

Wanderers win Axa Award

Wycombe Wanderers have won the Axa F. A. Cup Giant Killers award for reaching the F.A. Cup semi-final this season. The award was presented to the team after training on Friday 6th April and prior to the Press Conference in the Vere Suite.

Civic Reception for Blues

The Blues were given a Civic Reception by Wycombe District Council on Thursday 12th April to acknowledge their achievement in reaching the semi-final of the F.A. Cup. A bus tour of the town culminating in speeches from the Guildhall attracted thousands of supporters who turned out to say 'thank you' to their heroes. The fans greeted their heroes as they were introduced from the top of the bus by Wanderers Press Officer Alan Hutchinson.

UEFA Cup Place Confirmed

It has been announced by the Football League that there will be a UEFA place for the winners of the Worthington Cup next season. The competition has also been re-styled whereby the first two rounds will be played over one rather than two legs. It also means the Football League's new broadcasting deal will see next season's final shown on terrestrial television by ITV.

Great Viewing Figures

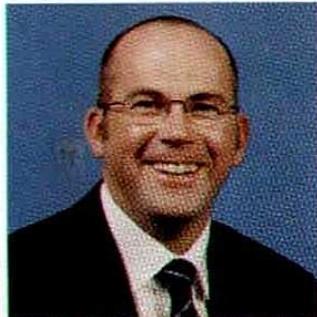

The audience for our semi-final at Villa Park recorded by ITV was 9.3million. This was a tremendous testimony to the match itself and the number of people across the country who were spellbound by our performance.

JUSTICE FOR JIMBO!

Wanderers hard working Groundsman Jim Gardner has won the Nationwide Second Division Groundsman of the Year Award for the third time in six seasons. This is justice for the work Jim and his team of Lee Stallwood and Dannel Welling put in all year round in providing the best possible surface for Wanderers to play on. The presentation will be made to Jim before the kick off today. He now goes into the final judging covering all Divisions, Ipswich Town from the Premiership, Preston North End from the First Division and Hull City from the Third for the over all award.

Good Samaritan!

Wanderers Director Mike Greatwood became a good Samaritan on his journey to the F.A. Cup semi-final in Birmingham. He spotted Simon Parker his wife Sophie and two children standing beside a broken down car on the hard shoulder of the M40. Mike stopped and collected the group and ferried them to Villa Park in time for the match.

£600 Round Trip

Wanderers supporter and former PA announcer Simon Wilde from Marlow paid £600 to

see the Blues at Villa Park. Now working in Kuala Lumpur he climbed on an plane and arrived at Heathrow at 4am on the day of the game. Got a lift with friends to Villa Park and then flew out of Heathrow at 12 noon on Monday morning.

THE GARTHS FA CUP TRAIL

A STORY OF EVERYDAY FOOTBALLING FOLK

It was the year of our Lord 2000. A new millennium was dawning when the Garths from deepest Somerset had their call. A voice spoke "lay down your Pig Breeders Weekly and follow the FA Cup competition from its humblest of beginnings to its star spangled conclusion." The Garths whose own football careers disgracing the lower reaches of the Somerset Senior League had run their courses, readily took up the challenge.

Our nearest semi-pro club, Clevedon Town, were drawn at home to Salisbury City in the 1st qualifying round, so it was with songs in our hearts and smiles on faces that we made the short trip to see our heroes dumped out of the cup at the first hurdle. The Clevedon Manager departing the scene with a face like an abandoned mining town. His dreams of a money spinning trip to the Millennium Stadium in tatters. Whilst consoling ourselves in the bar afterwards we set about planning the next nine months of our lives out of earshot of our wonderful spouses! This 'hair brain' scheme has seen the Garths take in a mouth watering cocktail of soccer the length and breadth of our nation and the record to date reads thus:-

Clevedon Town 2	Salisbury 4
Dorchester Town 4	Salisbury 3
Dorchester Town 1	Welling Utd 1
Welling Utd 2	Dorchester Town 4 (AET)
Wigan Ath 3	Dorchester Town 1
Wigan Ath 1	Notts County 1
Notts County 2	Wigan Ath 1 (AET)
Wimbledon 2	Notts County 2
Notts County 1	Wimbledon 1
(Abandoned due to fog)	
Notts County 0	Wimbledon 1 (AET)
Middlesborough 0	Wimbledon 0
Wimbledon 3	Middlesborough 1 (AET)
Wycombe Wanderers 2	Wimbledon 2
Wimbledon 2	Wycombe Wanderers 2
(AET - 7-8 on penalties)	
Leicester 1	Wycombe Wanderers 2
Wycombe Wanderers 1	Liverpool 2

Sixteen ties so far, 4,670 miles, a healthy overdraft at Lloyds and regular doses of 'encouragement' from the wives!

Ever since our brief romantic interlude with Dorchester Town in the halcyon early days of the Cup, Garth had sworn never to get emotionally attached to a club again. He had been hurt once too often. As we stood together to watch Lawrie Sanchez walk slowly and dignified from the Filbert Street pitch to a standing ovation, the tears were streaming down Garths rugged countenance and I knew that he had fallen and would surely be hurt all over again. This thought was further reinforced on hearing they had been drawn against the highly paid pampered princes from Anfield.

Liverpool's warm up for the Semi included matches against rather mediocre opposition in the form of Manchester United and Barcelona before their real test at Villa Park against the boys in blue.

Lawrie's inability to find any more new strikers in the Exchange and Mart's Experienced Strikers section further played into Liverpool's hands. The two teams took to the field at an emotionally charged Villa Park. Long will we remember the players in their team huddle, like a scene reminiscent of the film 'Brave Heart' and, true to this bold spirit, in the heat of the battle that followed they never yielded an inch nor shirked a tackle. When the final whistle brought down the curtain on their appointment at the abattoir of destiny, they left the field of dreams with heads held high. All the players were heroes but the Garth's man of the match was Jamie Bates, a colossus amongst men, built like a power station and as handsome as a pylon.

Wycombe have blazed an indelible trail across this year's Cup campaign and firmly imprinted their names in our hearts - Garth is even considering a tattoo. Thanks for the memories.
